This is Natalia's favorite position for being licked and fucked.

Another Busty-Teen Fan Speaks Up

Dear Virgin Territory,

I'm an 18eighteen subscriber and I'm writing for two reasons. First, I wanted to answer the question you posed in the Jan. '09 issue regarding your readers' preference when it comes to tits. Personally, my preference is somewhere in the middle of medium and large. I like a nice, healthy handful that can be squished together for some nice, tight titty fucking. I loved the Busty Teens issue and hope you plan to do more of them.

Second, I wanted to comment on a few of my favorites from the Jan. '09 issue. My favorite is probably Natalia. Despite being only an A-copper, she's a doll with a nice body and mouth-watering, young pussy. She requires her guys to go down on her first and I would gladly do so, spending as much time tonguing her tender, young twat as she desires. When I saw the shot on page 58 with her ass in the air her beautiful, bald beaver pushed out, I wanted to dive in and eat her for breakfast, lunch, dinner and dessert, then bang her hard doggie-style just the way she likes. I hope Natalia likes her guys as cleanly shaven as she is, as I keep my pubic area just as smooth and hairless.

I also liked Monica. She, too, has a

great body, with a little more ample set of tits. I love that she likes to drink cum and would love to pop my cock in her mouth and shoot a nice, healthy load of jizz down her eager throat.

Last, but not least, I enjoyed both Lina and Remi. Despite the fact that they're both a small in the tit department, they're both still very suckable and both have beautiful pussies that I'd eat and fuck.

With the exception of the Busty Teens issue, this was probably one of the best issues you've had. I hope it continues to get even better.—R., Carbondale, Kansas

Dear R.,

We're glad you enjoyed then teens in Jan. '09 despite their small breasts. Most of the girls in this issue are tiny titted, but still very tempting. There are a bunch of tender cuties with shaved twats. If you're looking for a girl with a slightly meatier chest, flip to page 55 to check out Sofia. Granted,

she doesn't have the biggest tits, but they are a handful. And while you're here, take a look at this shot of Natalia. Her pussy is in clear view and you can dream about licking it and fucking it all you like.

He Thinks Lezzies Are A Bore!

Dear Virgin Territory,

I'd prefer if you didn't show pictures of girls eating each other's pussies. It's not that I have anything against lesbian action; it's just that it does nothing for me. It doesn't turn me off, but it doesn't turn me on either. It's just porn fodder. Personally I just think it's hotter to see a girl with a cock in her mouth.

If you're going to have your teen girls getting nasty, they should be getting as nasty as possible. With two girls it just seems too soft and gentle

FLATTIES Come First

Our Nov. '08 Busty Teens issue proved to be quite controversial; some readers loved the busty models we featured and others begged us to keep the magazine flatties-only.

So to settle the score once and for all, we officially asked readers what chest sized they preferred for our models in January '09. Ultimately, 18eighteen guys want their girls fresh, young and flat. Although big-tit lovers were definitely vocal with their requests for teen titters. Either way, we will continue to feature flatties and sprinkle in teens with big tits as they come along. And if you're curious, you can read some of the responses here.

Lacey Blue's temperature is rising. Her affliction? Cock fever.

for me. Like I said, your chicks need to be getting it on with cocks, not other chicks. It would've served you better to show a hot girl like Hailey from March '09 with just the guy, and left the extra girl in the equation for her own solo or hardcore layout.—T.R., Albuquerque, New Mexico

Dear T.R.,

Our philosophy is that two pussies are always better than one. We're sorry you don't agree with that. There's always the Xtra section to satisfy your craving for teen hardcore. But in addition to that, here's a bonus photo of Hailey not partaking in any lezzie love. In fact, if you'd like to see her getting fucked hard you should check out her incredibly horny performance in Itty Bitty Slitties, available for order on page 9.

Burning Up

Dear Virgin Territory,

I am always looking for a teen magazine such as *18eighteen* which might occasionally do a doctor/*18eighteen* girl pictorial showing her getting a check-up, especially getting her rectal temperature taken with a fever thermometer like the one used in Lacey Blue's Dec. '03 XXX feature, "The doctor took my temperature up my butt!" That was an awesome display of thermometer therapy for that lovely teen beauty. When I saw the article about Sugar Daddies in the Jan. '09 issue with that picture of the white-uniformed doc and his stetho-

scope upon the lovely, young patient, I wondered if that was or will be featured in your magazine. That girl definitely looks like she could use a rectal thermometer (both glass and flesh variety) in her tight, feverish rectum! And all those other naughty *18eighteen* beauties would do well to have their tight bottoms probed rectally with a clinical thermometer every so often. If I could, I'd start a health 'clinic' and every *18eighteen* girl who came in would be given a thorough exam and a deep rectal temperature taking, too.—Doc R Wannabe, via e-mail

Dear Doc,

You went way back with the Lacy Blue set. We can see why it would've left an impression on you. Any time a teen puts something in her ass, it's hot. And it's not often that something like that happens, especially in the confines of a doctor's office. And speaking of which, the girl you saw in the doctor and patient set in the Jan. '09 article was Venessa. She has a couple of sets lined up, including the one you saw a preview of.

Courage To Confess

Dear Virgin Territory,

There is something about myself that I would like to admit about myself to you and your audience. And that is that I am actually a liv-

ing, breathing 28-year-old virgin. I've only ever kissed a girl before, and my lack of experience is embarrassing for me. In your Feb. '09 issue, reader J.M. wrote in saying that he was a 40-year-old virgin. Reading that made me feel better and gave me the courage to write in admit that I am one, too.

I have to thank you for your magazine, because not only is it grade-A jacking material, but it has taught me a lot about sex as well. Obviously, I have never seen a naked woman in person before. But after years of subscribing to your mag at least I know what to expect when the blessed

day comes that I finally get my dick wet. I also like how the girls talk about what they like during sex. *18eighteen* is like a porn mag and sex manual in one! If it was up to me and I could lose my virginity to any girl, it would be Dakota from Holiday '08. She is really cute and according to her at the time, she was still a virgin. If my fantasy could come true, I'd work extra hard to make sure that her first time would be as memorable as mine.—D.R., Albany, New York

Holly isn't all looks. She's got a cock-loving personality, too.

that as an older virgin, you're not alone, and one day soon you will get laid. We have some tips for you for the day that you finally do get your dick wet. Chances are, you're going to cum quickly, and that's okay. It's your first time and that's what happens. Just be sure to be honest with the woman you're about to screw so she understands your situation. Eat her pussy for a long time. If possible, jerk off earlier in the day. It might help to keep you in the game longer. Just make sure that she gets as much pleasure as possible. That way she will keep coming back to you for more sexual gratification. As for Dakota, we haven't any updates on her cherry status, but at the time of the photo we included here, she was one.

Horny For Holly

Dear Virgin Territory,

I don't think I will be able to get a hard-on for another month thanks to your Jan. '09 issue. This is not because the magazine was bad. It's actually because this issue was so good I jerked my dick until I thought it would fall off. All the fucking you had in the DVD Roundup was awesome and the BJ special ruled. Nothing will make a guy like me cum quicker than a teen with a dick in her pussy or mouth. I don't know why, but it just feels so good to stick your dick into any of a teen's openings.

I loved all the girls, but my favorite was definitely Holly. Do I even need to explain why? Her tight body, cute smile, fun personality...she's the real deal. I'd love to get to know her. She looks like a super sex-crazed tart crammed into a tiny teen's body.—D.J., Raleigh, North Carolina

Dear D.J.,

We hope your dick is well rested because there's plenty more hardcore in this issue, too. And more Holly right here, just for you! Turn to page 12 for our Pickingup pussy.com special, where pedestrian girls look for cock rides...and get them. In the Xtra section, Angie proves that tomboys fuck just as well as girly-girls, and Kelli gets boned at home.

Ban Above A B-Cup!

Dear Virgin Territory,

You recently had an ad in your mag should that asked if the girls featured have flat or full tits.

I think there's only one answer to this question; the only reason why I buy your mag is 'cause it's the best fucking filthy mag around ever and I just love it being the perv I am! Any girls above an A- or a B-cup in your mag should be banned! If I wanted big tits I'd buy your other mags that feature larger ladies! I just love cute, young girls of the legal age. All your girls should have tight, shaven slits and tiny tits! More girls with braces and pigtailed are a hit! If they don't wear braces make 'em! You should have a regular feature with girls with braces. More girls in school uniforms, too. Sadly I missed out on your Oct. '08 special issue and Amai. Could we have some more pics of her soon? I'm sure all the readers will agree with my comments! Cute, young, legal girls are tops!—J.C., via e-mail

THE BEST OF PICKING UP PUSSY.COM

Sometimes they're looking for rides, sometimes they get offered them. But no matter how they get picked up, it always ends the same for these girls—with cum shooting all over them. Because once they get in, they're ready to put out.

HAILEEY

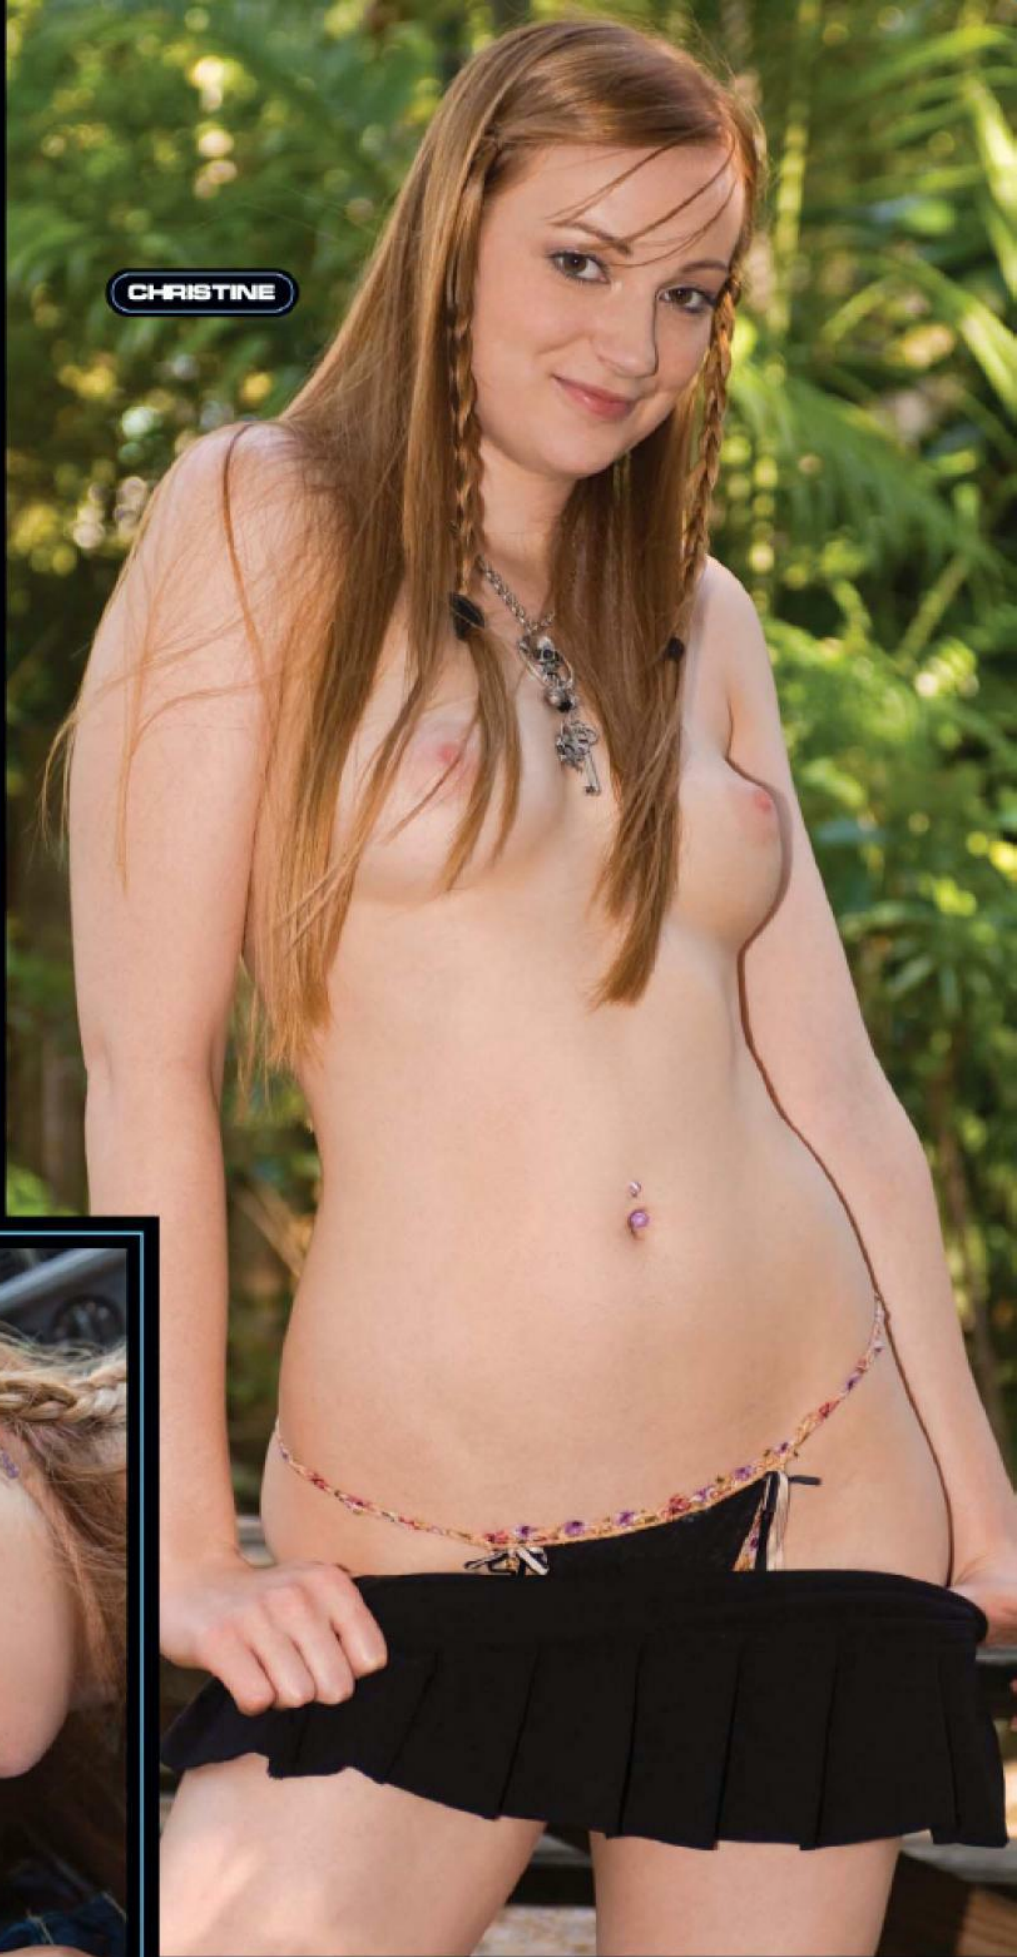

RAVEN

We know you see hot girls walking around on the street every day. You might even think of stopping and offering them a ride—of course your intentions being more sexual than gentlemanly. But ultimately, for whatever reason, you keep driving. As you pass their hot, little bodies, do you wonder, *What if I had offered her a ride?* At PickingUpPussy.com, that question is answered. You can see what it's like to pick up girls and actually score with them. Even unsuspecting girls who aren't looking to get scooped up will flip their slut switch if you talk to them the right way and invite them to hang at your pad. Other horny pedestrians are looking for sex and succumb to the call of the cock once they get inside a car, like Christine. "When I want cock, I go look for it," Christine says. "Getting laid is as easy as putting on a miniskirt. Guys can't resist it and I usually get picked up in minutes when I'm walking around. Then I take them to this secret sex place. When you're as horny as I am you find all the good fuck spots quick."

CHRISTINE

CECE

If there's anything else that you'll learn from PickingUpPussy.com, it's that you should always carry a video camera with you. That's because you never know when you'll run into a horny slut like Cece who is willing to fuck you and let you finger her butt. And hot girls like Shayne don't put out every day for just anyone. If or when you come across a camera-friendly girl like her, you better have a means of recording it. "Some girls are paranoid about recording themselves having sex, but I don't really care. I have nothing to hide and I like showing off my body and what I can do in bed," Shayne says. In addition to eager sluts and freaky footsoldiers, PickingUpPussy.com also has bi girls who get it on in threeways and orgies. Sound like fun? Log on to see pedestrian pussy get pounded. We promise you'll never look at another hitchhiker the same way again!

VIRGIN TERRITORY

Continued from page 8

Flat or Full in your Jan. '09 issue, I think it's a no-brainer. I always refer back to the old saying, 'More than mouthful is a waste.' My favorite part of the teenage anatomy is the ass. But if it's tits we're debating I say the flatter the better! I think a cute, barely legal teen with 'skeeter bite' tits looks a lot more innocent and sexy than the same age girl with big ol' boobies. Give me flat, hot and innocent every time. Keep up the good work. *18eighteen* is the hottest young girl mag on the market, especially the XXX editions.—J.R., Memphis, Tennessee

Dear J.C. and J.R.,

Thanks for writing in. As you may have noticed in the insert on page 5, most *18eighteen* readers prefer small boobs. Even if we do occasionally feature a model with a larger chest, you can rest assured knowing that *18eighteen* will always be home to the flatties. J.C., Sofia on page 55 has braces. J.R., just about every girl in this issue has 'skeeter bite' titties. We think you'll be very satisfied with the likes of Luccia on page 77, who has tiny tits and a juicy butt, too.

He So Horny

Dear *Virgin Territory*,

I want to say thank you for Amai's layout in Oct. '08. First, because I love teen twat. But mostly because you took me back to my days in Hong Kong where I worked for many years as a business consultant. Being in Hong Kong is like heaven. All I did was work and bang hot, little Asian chicks all day.

The minute I saw Amai I had to flog my log a few times and spray her pages until they were stuck together with my cum. Thanks for taking memory lane. And please bring Amai back soon. She makes me so horny.—M.G., Miami, Florida

Dear M.G.,

You're welcome. As you probably know by now, you aren't the only one who loves Amai. Month after month we get fan mail praising her and pleading for more of her miniature pointers and brace-face. We've got more sets of her lined up, so be sure to save some cum for her future layouts. **18**

Chrissie
FLIRTY
FLATTIE

Chrissie could have any guy she wants.

But that doesn't mean she's going to get tied down. "I dated my first boyfriend for like, six months and we just broke up. Now I just want to have fun."

She's keeping her options wide open.

That's right. Wide open like her legs. And what are the options? Boys and girls, cocks and pussies, blow jobs and cunnilingus, threesomes and foursomes...the possibilities are endless. It's like a buffet of sex is set up in front of Chrissie and she wants to have a taste of everything. "A couple of weeks ago I had sex with a girl for the first time. I liked it and I'd do it again, but I think I prefer doing guys more. Although that girl did eat my pussy really good. I came like, twice from that. But after the tongue-fucking I wanted a real fucking with a cock, you know? So that got me thinking that I need to try a threeway. That way she can lick me good and he can fuck me good."

Chrissie has been wanting to experiment for a while.

"When I was going out with that guy I tried to have a threesome with him but he was so prude he didn't want to do it. I was like, 'Hello! Do you know how many guys would kill for a chance like this?' I realized he sucked and I dumped him so I could do all the freaky things that I wanted to do."

what have you done
from your sex to-do list?**

"Unfortunately not the threesome. But what I have done is have sex with an older man and fuck in public—both with the same guy. I went on a date with him to a restaurant and we were flirting like crazy. So I asked him to come outside with me for a minute, and he ended up doing me doggie-style behind some bush in the parking lot! I think the valet saw us 'cause when we went back I could've sworn he had a boner."

Doctors' journals usually don't make arousing reads. Unless you've come across Dr. Megan Rochester's diary, which is filled with anatomical notes of a different kind.

JOURNAL OF SEDUCTION

A Love Story

By Suzanne Compton

"It's really quite the fixer-upper!" said Ms. Hoffer. She looked embarrassed.

"A little paint, some nice curtains..."

"A blow-torch," interrupted my husband, Beckett.

"Oh, now Mr. Compton...I know it's a mess, but this office space is in your price-range. It's just that the last tenant left quite abruptly. I think she was some kind of doctor. It's been unoccupied since the late Eighties...1988 to be exact. Left almost everything here..."

What the realtor was referring to was the mess that inhabited the two-room commercial space. You see, Beckett and I needed more room for our thriving business, Compton & Compton Detective Agency. For the past three years we had been working out of our home. It was time to branch out, due to our success. The idea to work out of a proper office seemed the next step. The neighborhood was up and coming—just getting to being referred to as 'hip.' That's why the small office space had been empty for such a long time.

"It's nice that it has two desks...look Becks, one for you in this room," I moved over to the second, smaller room, "And one for me here."

Beckett walked into the other room. "Come on, Suze, look at all these file cabinets...we're going to have to get a dumpster for all this stuff!"

"Oh, well now...you're a young couple...what's a wee-bit of elbow grease?"

Ms. Hoffer smiled then added, "Okay darlings...I'll knock fifty bucks off the rent."

Beckett and I stood there for a moment thinking.

"Done," he said, "You got yourself a deal, Ms. Hoffer!"

We signed the rental agreement that afternoon.

After Becks and I received the keys, it took us a few days to get everything out of the first room, which

seemed to be some kind of waiting room in the past. We figured we'd get it all nice, situated and painted since we were still conducting business. At the end of the first week Becks was tackling the second room while I worked on updating our files on the computer. For the first few hours he stomped back and forth with piles of papers, boxes filled with whatnot, and old, dusty file cabinets to throw out in the small dumpster we had rented. It wasn't until a little while later that I noticed that Becks hadn't been walking by me with an armful of stuff, and I ceased to hear any grumbling coming from the second room.

Curious, I walked into the other room and noticed my husband sitting quietly on the floor, Indian-style. He was engrossed in what looked like a long, bound untitled book. He was reading it with such intensity that he didn't hear me call to him the first time.

"Hey, babe, whatcha reading?"

Becks finally looked up at me and with a big grin on his face said, "You are not gonna believe what I found!"

"Oh, a confession or something like that?" I said. I knew it wasn't just a run-of-the-mill read.

Beckett held the

dusty old book up to me.

I grabbed it and began to read.

"What is this?" I asked him. "Is this a journal?" And even before Becks told me to flip onto the first page I began to understand. It was the private journal of the previous tenant. I flipped the pages and read the words written at the beginning...

This is the private journal of Dr. Megan Rochester and what concerns the deepening affections and lust that I have for one beautiful girl called P.

"We shouldn't read this...it's private..."

"Well, aren't we private investigators, my sweet? Besides, it's so fuckin' hot...you gotta read it. It's really horny...and beautiful."

"Only you could put the words horny and beautiful in one sentence and make sense out of it. My dear...you are one of a kind."

.....1988.....

I met P. in the winter of 1987...right before Christmas, in fact. She came to me concerned about her irregular periods. My assistant let her in that day and she brought the blustery wind in with her. I immediately noticed her fine, porcelain-like skin, as her cheeks were so rosy they were apple-red. She giggled a bit, which young girls are apt to do, for as she entered a flurry of dead leaves followed in her wake. Autumn had come very late last year, and there were still eddies of dry leaves everywhere one walked.

"I've never been to a gynecologist, so I'm a bit nervous," she said and giggled some more.

I told P. not to worry, as I am quite accomplished in the field. And before my nurse could show her the small bathroom in the waiting room, so that she could change into a hospital gown, she said to me, "My, you're very pretty. You don't seem old enough to be a doctor. Geeze, I'm eighteen and you don't look much older than that!"

I thanked her and showed her my credentials, which hung on my office wall, and told her I was thirty-five.

The appointment went as usual. I warned her about the coldness of the speculum, which I had to insert inside her vagina. I felt no irregularities and suggested that she go on a low dosage of birth control to regulate her periods. The only thing out of the ordinary was what happened at the end of our talk. On her way out P. stood up, hugged me, and kissed me on the cheek. A sisterly kind of peck, but when she stood back from me she said again, "My, you really are a pretty lady!"

I became quite flustered, as no patient of mine had ever been so forward with their affections. It disturbed me at first, but I must say I was very intrigued and turned on.

I had been attracted to women in the past, but not any one of my patients and especially not one so young. The words "I am a professional doctor" kept exiting my mouth, but I could not get the girl out of my mind. My nights were spent wondering if she thought of me...hoping that her kiss meant just something a little bit more. I began to masturbate ferociously to P.'s image on a regular basis.

Her taut thighs were perfection. I was lucky enough on that day of her appointment to see them splayed out before me, like a holy offering. And in my dreams she begged me to caress them. My own hands sought out my pussy, and as I pulled on my cunt and clitoris with wild abandon, I mused about the taste of her own cunt. I just knew it would be sweet.

I yearned to lick her sweet pussy and touch her perfect tits. Sweat pooled beneath my breasts and between my thighs as I imagined kissing her mouth. Her tongue would be so soft, but yet demanding. For in my fantasy P. wanted me as much as I wanted her.

I looked up at Becks. I was entranced by the doctor's description of the girl, and I had to say, a little bit horny.

"Hey...this is really good, huh?" I asked.

"If you want, keep reading. I'll finish all this up. Wait until you see how it all ends."

That was it. I was sucked in. I skipped a few pages and read on.

I yearned to lick her sweet pussy and touch her perfect tits.

Yesterday P. was waiting for me as I exited my office. Her long, blonde hair fell straight down like a ruler. The sun was just setting and as the light hit her hair it was as if glints of pure flame danced between her tresses. P. was dressed in some kind of Après-ski outfit—a pompom cap on her head and a puffy, fluffy jacket hid her mouthwatering, young curves. She had on these cute boxer-like sneakers and I complimented her on her outfit. P. smiled. She looked good enough to eat.

"I've been thinking about you," she said. Then added, "Would you like to go and have some coffee?"

The words went straight to my pussy.

"How about dinner," I blurted out, "On me?"

P. smiled that most perfect sex kitten smile and began to walk with me. It was only a short distance to my car and right before we got there P. grabbed my hand.

"You have such smooth, soft skin," she said, "I noticed on the day of my appointment...when you touched me."

I was alarmed, but riveted. I kept hold of her palm and said, "I hope you didn't find it inappropriate."

The logo for 'Paola Double Trouble' is located in the top right corner. It features the name 'Paola' in a large, bold, yellow font with a black outline, set against a blue and pink circular background. Below it, the words 'DOUBLE TROUBLE' are written in a smaller, white, bold font with a black outline, also within the circular design.

Paola DOUBLE TROUBLE

If you knew Paola, you'd be surprised to see her here.

Something that readers might find interesting about Paola is that she's a straight-A student and she's never had a boyfriend before. "People who know me in my personal life think I'm so innocent and that I'd never do anything like pose nude. But they don't know the real me."

She's willing to take naked pictures and do a lot more than that.

In a way, *18* readers know Paola better than some of her closest friends. You're seeing a side of her that not many know of. You're finding things out about her that she's never told anyone before. "Just because I've never had a boyfriend before doesn't mean that I'm a virgin. I've fucked before, but I keep it on the down low. My friends are super conservative so they'd freak if they found out. But believe me, I've had all kinds of fun and I'm taking it to a new level with these pictures."

Aren't you scared people will find out?

"I'm getting to the point where I don't care. This is who I am and I'm not ashamed. I like to be naked, I like to masturbate, I like to fuck. And I might as well admit that I like to do anal, too. And Maria, if you read this, you try to act so good but I found that big fucking dildo in your drawer and I took it. And guess what? I used it, too!"

Woah. How did you get into anal?

"First I started just fingering my ass and that felt so good that I stuck my dildo up there. Then I got some anal beads. After all that I figured I should try the real thing. I did and now I can't get enough of it!"

Sonny RAUNCHY REDHEAD

Sonny is a natural redhead and a natural slut.

The drapes match the curtains, but her sweet face doesn't match her horny personality. One second she will be innocently batting her eyes at you and the next second her lips will be on your cock so fast you won't know what hit you.

Cock-crazed is more
like it. "I will do any-
thing for good dick."

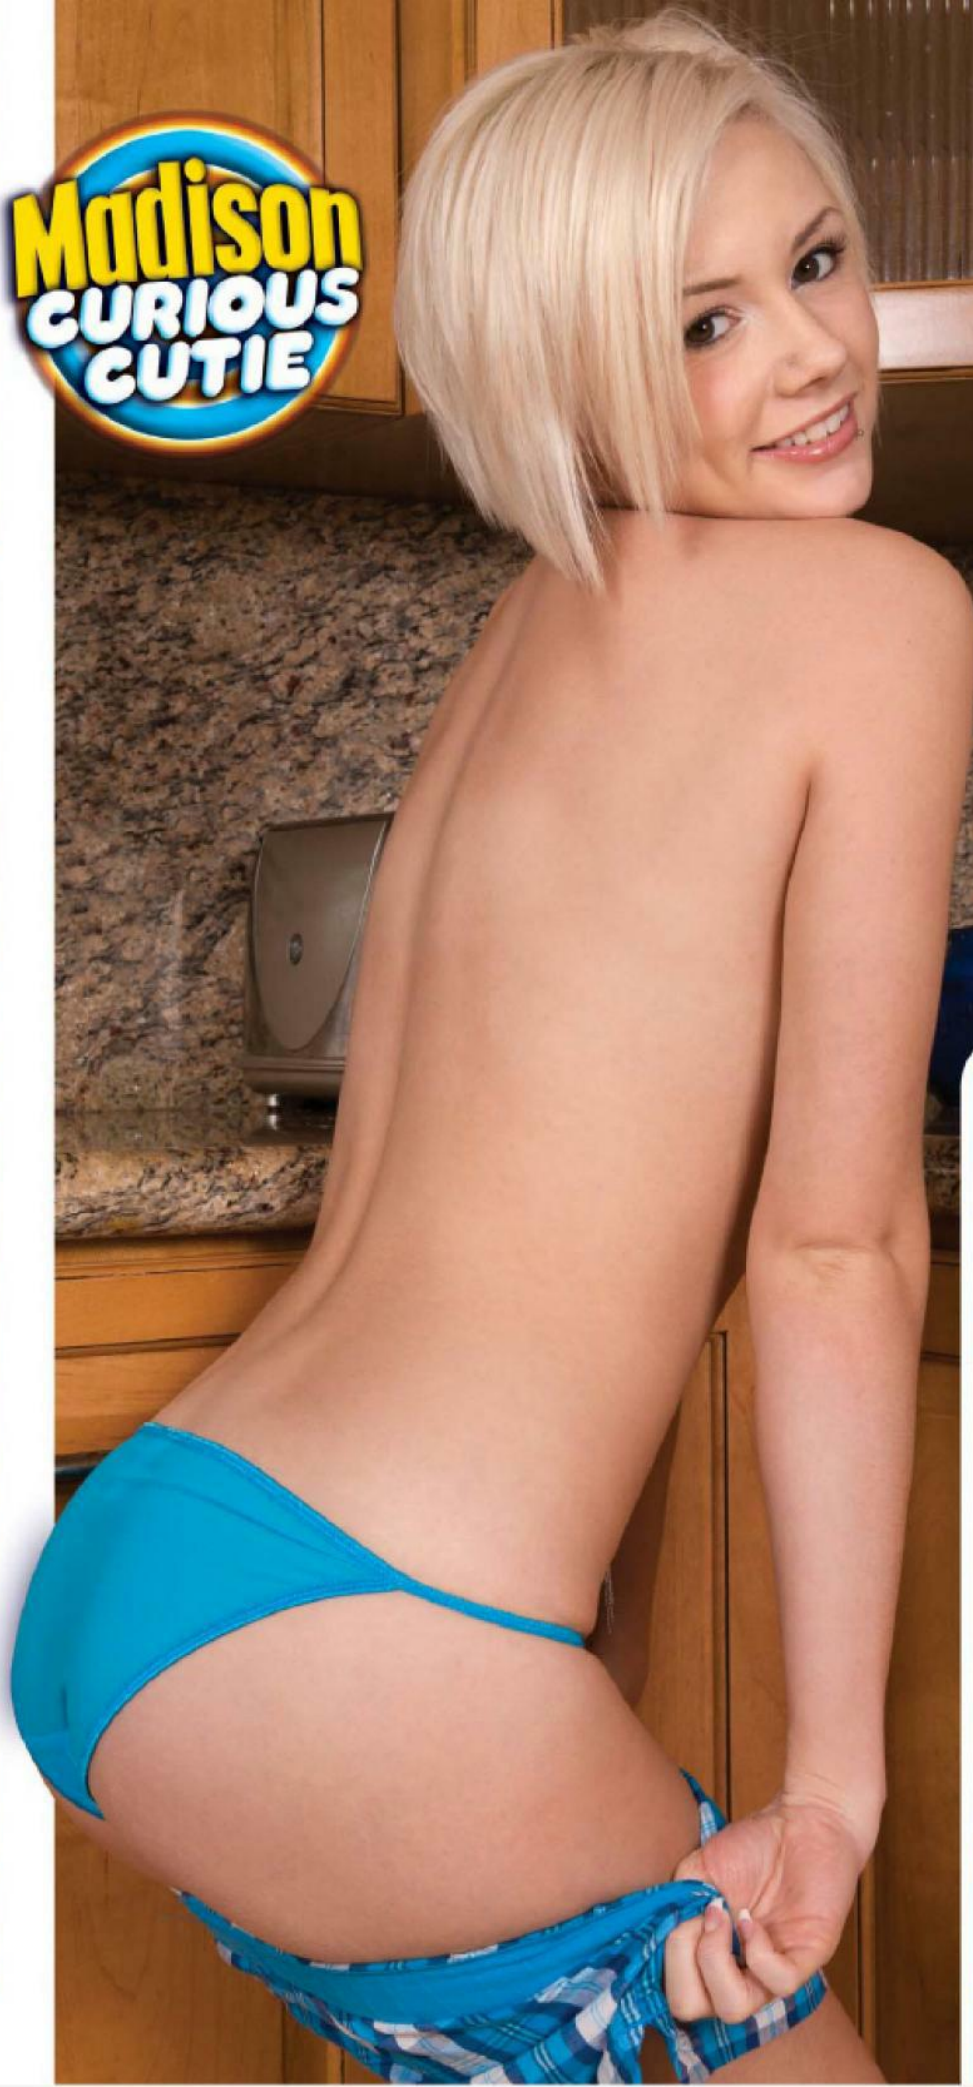

"Good girls are overrated. I'd rather be bad."

But is being prude really good? And does being horny mean you're bad? Not in our book. If you ask us, Sonny is not just good. She's the best. "I keep a little vibrator in my purse for emergencies. I just get so horny sometimes and I have to do something about it. If I didn't I'd probably fuck the first guy I saw. But I can't do that, so I rely on my little toy to help me. And it helps me a lot. I even got fired from a restaurant because I was in the bathroom masturbating forever! But what was I supposed to do? There I was with a tray of food when my pussy started dripping. The only solution was to masturbate!"

Madison CURIOUS CUTIE

Madison has learned a thing or two from looking at her brother's dirty mags.

Like any teen, Madison is curious about her sexuality. She'd never had sex before, and only saw a cock once when a friend flashed it at a party. Naturally, she had questions about 'doing it.' When she found her brother's porn stash, her curiosity only increased, along with her horniness. "To find out about sex in like, a science class is one thing. But to actually see people do it in a magazine is different! It makes me want to do it and it always makes me get all wet in my panties. I would sneak some of my brother's porn into my room and touch myself while I looked at them. I felt guilty, but not enough to stop!"

BRAT & CHAT

After seeing those pictures, she had to go out and try it for herself.

There's nothing like porn to awaken a young girl's hunger for cock. For Madison, that craving was always there but lied dormant until she opened her first dirty magazine. "Once I saw a girl with a guy's thingie in her mouth I wanted to try it. I never even thought of doing that before. It was easy to find someone who'd let me do it. And it was fun, too! Like licking a giant ice cream cone, and it tasted just as good, too."

She wanted to be like the girls in the magazine, and now she is one.

"I even went all the way! Whenever I have sex I always try to pick a position I saw in a magazine or video. They're so useful."

The First Taste

Boys dream of adventure at a very young age. Of explorers conquering new, uncharted regions of the universe. When it comes to pussy, we're not much different. Every man dreams of being the first to plant his flag and I've actually been lucky enough to plant a couple of my own.

By Roman Lewis

Planting the flag. I'm borrowing that phrase from some or other TV show. I can't remember which, but it's so apt, it makes me smile. The show used the term in reference to being a girl's first in the dirtiest of dirty places—that much I do remember—and while that, indeed, is a beautiful, beautiful thing, there is nothing quite as special as being her first, EVER.

You're thinking I've gone all soft, but in fact I haven't. I'm still the same dirty, old man you pervs out there love to read, but I'm not going to deny the epic nature of the moment a quivering, young teen passes from girl to woman with one slow, gentle thrust of your pelvis.

Virgin: Is there a more beautiful word?

Even my gorgeous little piece-on-the-side, now an old lady of 23, had a couple of lovers before she let my sorry old ass into her bed. But when I decided I was going to make virgins the subject of my next ode to sweet, young tail she easily admitted there would be something exciting about being Christopher Columbus, the first intrepid traveler to explore and conquer, a beautiful, uncharted land. Or in this case, a beautiful uncharted pussy.

The Cowgirl

Everyone has a first time. In fact, my own first time was with another virgin. It was a sweet moment, losing my virginity with my high-school sweetheart. Of course

I was 18 years old and it was over in less than 10 seconds (and I'm probably being generous). Being the useless teenage boy I was, it wasn't the moment of seduction my beautiful, young Jenny deserved. I barely knew what a pussy was, let alone the proper ways in which my fingers, tongue, cock and various extracurricular objects could make it purr to its full potential.

Nowadays, things are different. In fact, in the years before I got married (and about a decade before I started fooling around on the side), I was able to cross 'nailing a virgin' off my bucket list—and more than once, too! Jenny, I had long decided, didn't count. In order to properly usher a sweet-smelling flower into the world of carnal womanhood, I needed to go out in the world and learn a few things. By my late 20s I'd culled enough wisdom of the fairer sex to introduce my then-boss's beautiful farm-girl daughter to the pleasures of getting pounded.

I was living in Montana at the time and working on a ranch. Jessie, just 18, was the requisite tomboy. She was the youngest of five kids and the only daughter. Growing up around horses and cattle and in the shadow of four older brothers molded her into the sexiest little tomboy I'd ever laid my eyes on. Auburn hair fell down her back in one thick braid. Small, high titties sat pert beneath a second-skin thermal in winter with hot, little nips that made an appearance when summer breezes blew and her clothing got lighter.

She was a flirt whose brown eyes and freckled nose oozed mischief, but also held an impatient innocence.

One night, after nearly a year of back and forth flirtation, the tension came to a head in the barn. Jessie was putting away a saddle after a long ride. I was already there, cleaning and conditioning some of the gear. We chatted awhile and of course, she was flirting with me, as usual. Finally some country song came on the radio and she asked me to dance with her.

With her chest crushed against mine I could feel those nips begin to harden and her face began to flush. All the sass, all the boldness, seemed to melt away and she

Before long, she was going at it like a pro, though taking her time, savoring, lapping my pre-cum milk, looking up at me for approval, which I gave her every time.

became this quivering little teenager, ripe with insecurities. Like most girls that age, she confessed that she worried why no boys asked her out. Was she too much of a tomboy? Not pretty or 'girly' enough?

It was obvious that the reason they didn't ask her out was because she was so gorgeous that THEY were intimidated. I told her if we'd gone to school together I'd have been too scared to ask her out.

"But you're not afraid now," Jessie said breathily.

I told her I wasn't and slipped my arms around her tiny waist, letting one slide lower to cup a cheek through the soft, paper-thin denim of her jeans. She was shivering even though it was probably 80 degrees.

"I am," she said, blush deepening. "A little. I've never done this before," she whispered, and saw the concern in my eyes. "But Roman," she said softly, smiling. "I'm ready." And we kissed. That was all it took. Her clothes melted away from her perfect body and her sweet, orange twat melted into my mouth. She'd barely been kissed and I was getting this gift, feeling this petite, young thing shaking as she slid down my body, going to her knees, taking my long, hard stone of a cock in her small hands and looking up at me like an angel at some carnal altar for a sign of what to do.

"It's okay," I told her. "Do what comes natural. It's going to feel good no matter what."

You don't want to discourage a young girl who wants to learn how to suck cock for God's sake. Be positive.

She kissed the head gently. Watching her was making me harder than anything, really. She looked at it, stroked it, and then, finally, slid the fat, throbbing head into her warm, wet mouth. My balls ached. The skin of the shaft stretched tighter. I eased my hands down and undid her braid, allowing the silky, red tresses to fall over her shoulders like a teenage mermaid. I tangled my hands in it and gently guided her until she got her bearings. Before long, she was going at it like a pro, though taking her time, savoring, lapping at my pre-cum milk, looking up at me for approval, which I gave her every time.

At last, I took her in my arms and kissing her lips, her neck, her tiny rock-hard nips, I laid her down on a clean horse blanket and spread her legs. She fought me a little.

"Roman," she said. "I don't think you want to...it's, you know...you don't want to do that do you?"

There is, I maintain, noth-

ing sexier than a young girl who has no idea how delicious her pussy is, who's actually scared there would be something about her squeaky clean, adorable little powder puff that would turn me OFF for some reason.

I didn't bother answering her. Looking into her nervous eyes, I kissed her there and watched her eyes soften with the absolute rapture of cunnilingus. Using my thumbs to spread her open I took that tiny cherry pebble in my mouth and drew it in, sucking, tonguing, sliding two thick fingers up into her creamy center while I licked her, smiling as her hips strained to meet my lips, rocking her world into oblivion as her orgasm came, creaming my face, perhaps even faster than my own awkward jizzlob with Jenny back in high school.

Easing myself on top of her, positioning my rigid pole beneath her still-quaking thighs, I asked her if she wanted me to, praying, as my balls became slick with her twat milk, that she was still interested in letting me brand her like her brothers did the cattle (and in the back of my mind, as patient as I wanted to be, don't for a second think I wasn't worried about one or more of them catching me in there with their sister!). She nodded and kissed me, getting excited at the taste of her on my lips and chin. Her trembling legs opened wider and I eased my

She was a gorgeous, blonde bitch with a hot rack...

she was gorgeous, blonde bitch with a hot rack—but a bitch nonetheless. And that simple fact kept not just the freshman boys away, but the sophomores, juniors and seniors, too. She was

the prettiest stone wall I'd ever come

across, though you could tell a mile away that no one had ever crossed even the 30-yard-line with her, let alone scored a point.

Of course, I wasn't actually there to study most of the time. I got my GED at 19, truth be told, and was working toward my degree at night. My days were spent as a campus handyman of sorts and I occasionally took the calls of students with maintenance issues in the dorms.

Katie, whose daddy's income afforded her a single suite in one of the nicest housing options on campus, was well known to the entire staff. She had three or four complaints (er, 'service requests') a week. By early November, the rest of the guys were giving me \$10 to \$20 cash out-of-pocket to take her calls because they'd had enough of her bullshit.

Her good looks had ceased to be enough of a carrot to deal with her evil-bitch attitude. And considering she often answered the door in a paper-thin top with no bra with those incredible bouncy babies on display, you can imagine just how much of a pain in the ass she really was. I agreed, but I really needed the money.

Late Wednesday afternoon before Thanksgiving, a call came in. We were surprised, since 99 percent of the students were already gone for the holiday. My buddy, Mike, was up for the next job, but once he realized it was Katie he pulled a twenty out of his wallet and said, "It's all you, Roman. Four-day weekend's coming, my girl is at home baking pumpkin pies and I do not want to deal with some spoiled kid's crap today when I've been snaking their toilets all week."

I took the twenty and put on my coat. It was the last call of the week, anyway, and then I could head home.

"This fucking place is falling down!" she said upon opening the door, launching into a litany of complaints and whining that would annoy Helen fucking Keller. Thank God this chick's good looking, I thought. Who the fuck in their right mind would want to spend more than a minute with her?

Tuning out her yammering for a second, my eyes swept over her goods. It was almost 4 p.m., but she was in pajamas. Her fluffy, purple robe was open and beneath it she wore body-hugging pink-and-white flowered long johns. You could see every ripe curve of her

hand under one ass-cheek, allowing her to feel sexy, womanly, in throwing one long, freckled limb up and over my waist, hanging onto me like the expert rider she'd been waiting to become throughout her adolescence.

In one excruciatingly slow movement, my cock penetrated. She had the tightest, sweetest pussy I had ever had the pleasure of invading. Knowing I was going boldly where no man had before was the greatest rush. I struggled to keep from blowing my load up inside her before letting her really feel what it was like to have a thick man-muscle snaking up her snatch.

Her body was responding, nervous though she was, nails gripping my back like a frightened kitten's, but the little orange tabby between her milky thighs was starting to purr as I stroked its insides. I watched Jessie's face, eyes closed, brow furrowed with concentration as she felt me moving up inside her. I stayed still for a moment, flexing my long hard-on inside her and she giggled.

Tension broken, I gave it to her harder, careful to make sure that smile never left her face. Then, as I was nearing the breaking point, she surprised me, "I want to taste it, Roman," she chirped. "Put it in my mouth."

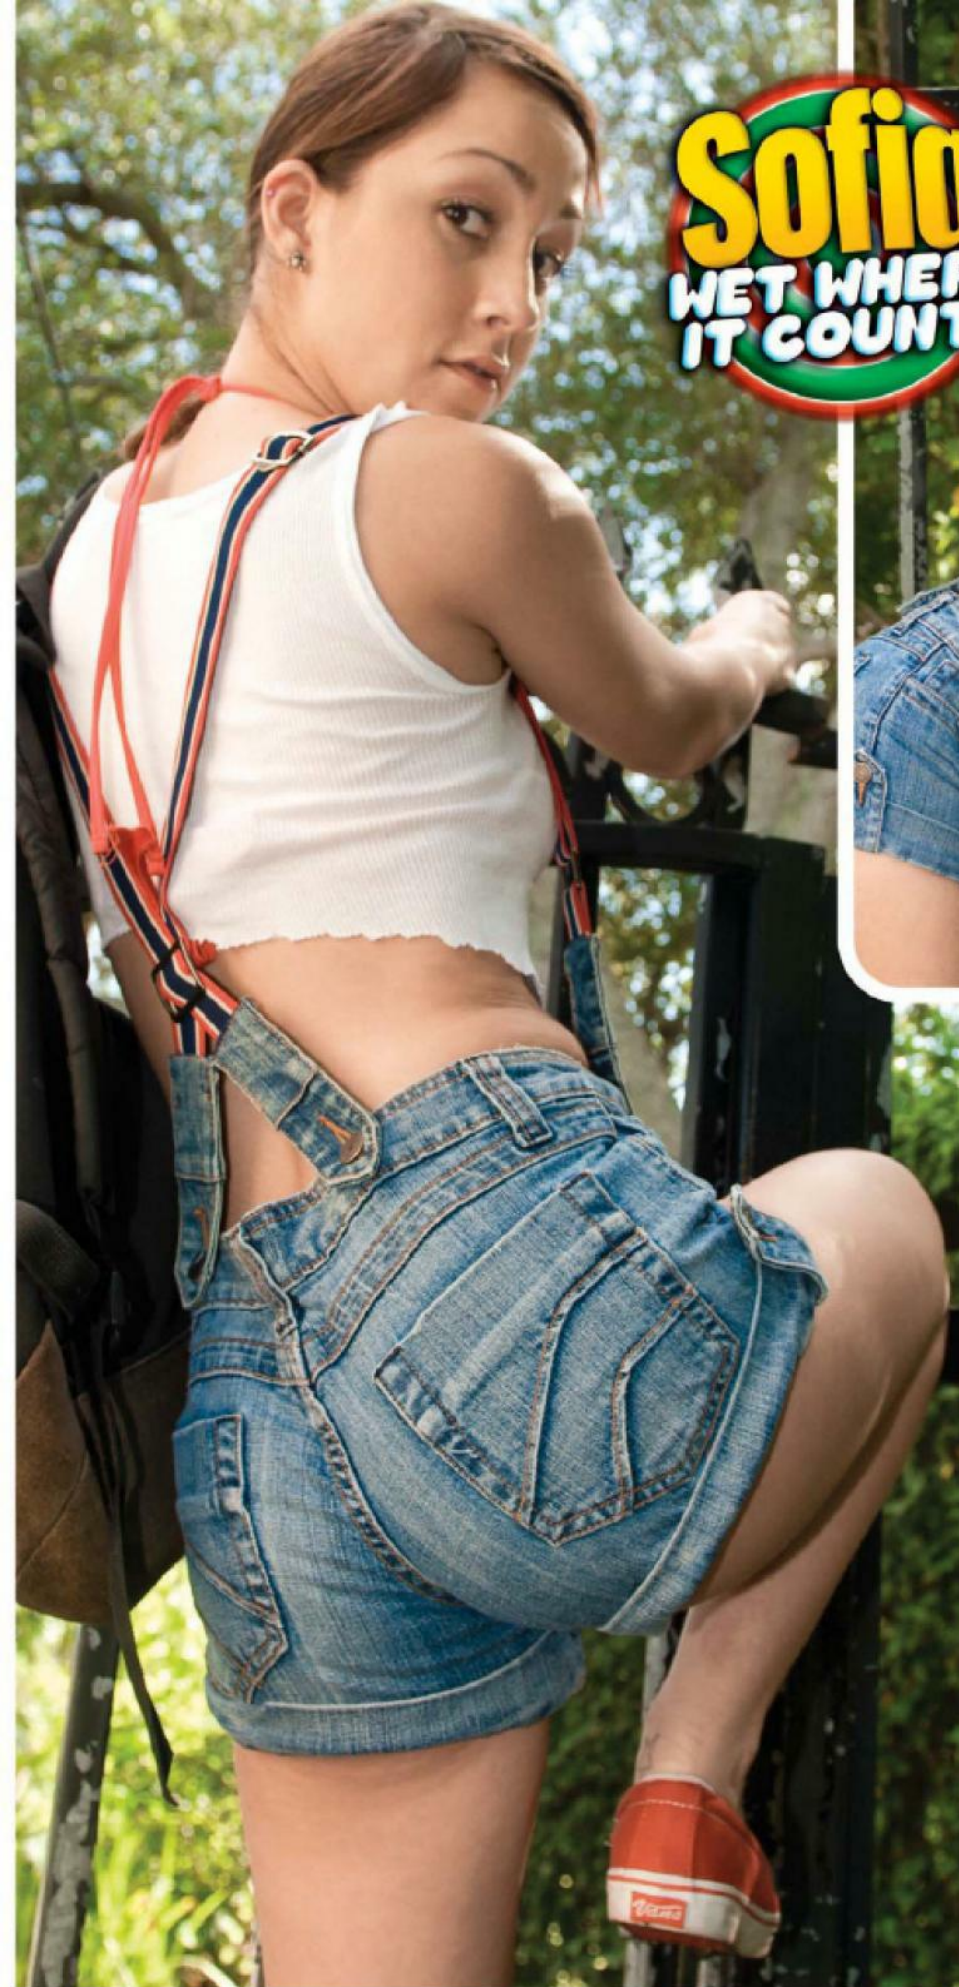

I am never one to say no to a beautiful, young girl. I whipped it out and positioned it over her lips and up she came, hands to my hips and mouth locking onto my dick, sucking the cum out of me like milk from a Crazy Straw. Jessie—a little girl with virtually no experience—blew my cock right along with my mind. And I'd been her first. It was one of my proudest moments.

The Freshman

The thing about Katie, I often remember with a smile, is that she was a complete, total, grade-A bitch. Granted,

WET WHERE
IT COUNTS

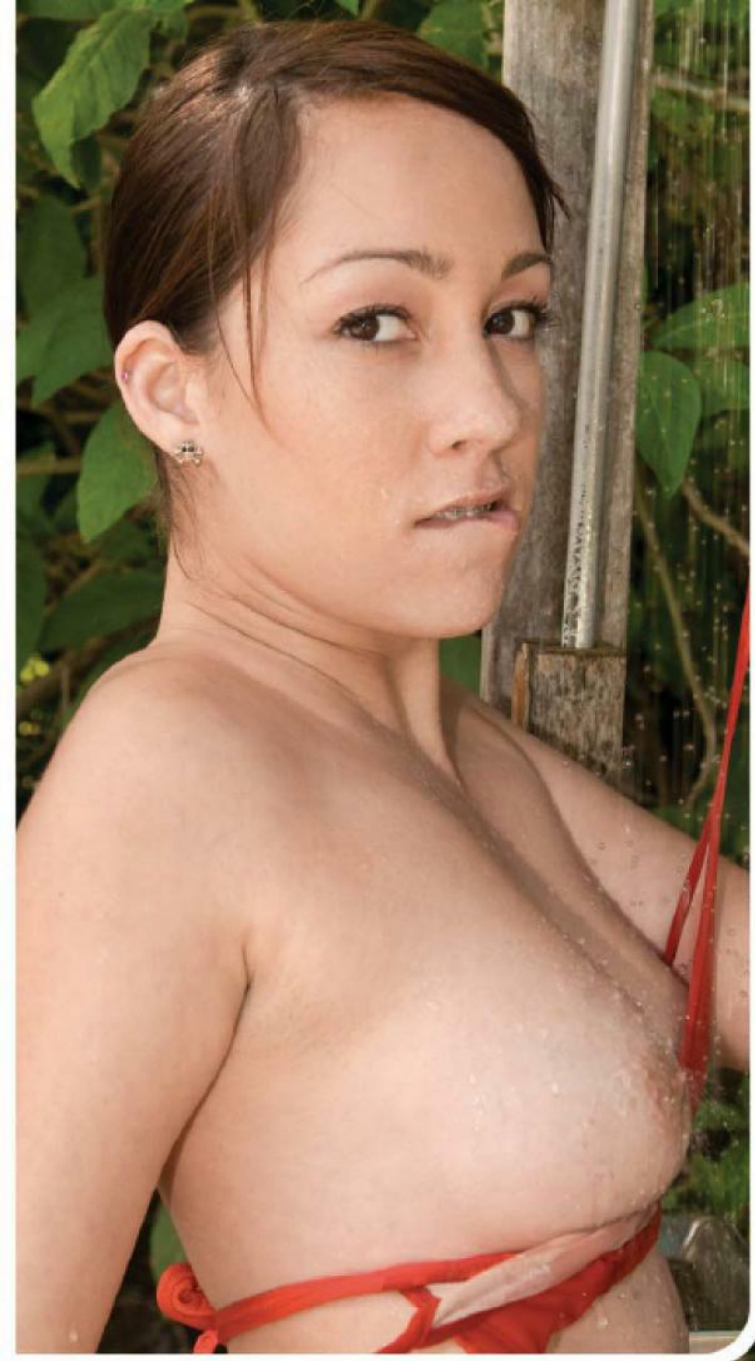

She's in need of a shower.

An abandoned house with an outdoor shower comes in handy when you need to freshen up in a hurry to meet a boy.

How did you find out about this place, Sofia?

"I used to date a guy who lived here and his family moved away. I know the house has been empty for weeks. And I've been using the shower whenever I skip school to see my boyfriend. I want to be nice and fresh for him, and I like to play with myself a little bit before. It makes me even hornier for the main event. Sometimes when I get to his house my pussy is still wet and we can get straight to fucking."

Have you ever brought him here before?

"No, I haven't. But now that you mention it I think I should! Wouldn't it be crazy if we were fucking and a real estate agent came to show people this house? She'd make that sale for sure!"

Are you an exhibitionist, Sofia?

"A little bit. I think it would be kind of hot if someone was watching me masturbate or having sex. I'd want to see them jerk their dick and it would turn me on to know that they were doing it because of me. Who knows, maybe I'd get so turned on that I'd ask them to join."

young form with ease. Again, no bra, and the boobies were a'bouncing, defying gravity, begging to be taken in my rough hands and caressed, kissed, bitten. Crap, I could feel my cock responding.

I turned my attention back to her beautiful face (full luscious lips, wide blue eyes, smooth, pale, 18-year-old skin and not a wrinkle or blemish in sight, nor a stitch of make-up) and thusly, her bitch-fest, which was still in full swing. The hard-on, surprisingly, remained optimistic at half-staff in my 501s, even in the face of hurricane-force whining.

"...and today it's the shower. It's fucking leaking." I took my toolbox into the bathroom and she followed, gums still flapping. "And by the way, it takes like 10 minutes for the water to get hot. Do you KNOW what it's like to be late for class, need a shower, and have to wait that long for TEPID water in this freezing-cold weather? The heat in here barely works either. My dad gives this school a LOT of money; you'd think you people could take better care of this place..."

It had been going on for 15 minutes. I hadn't said word-one and this little, rich bitch was STILL complaining. To me. A 33-year-old handyman who had to work for every credit-hour he could manage to take while holding down two jobs. A guy she didn't even bother to say hello to even though I was in her room three times a week fixing her mostly bogus service requests. I was about to get fired. I knew it. I had been standing in the tub working the showerhead with a wrench. I wheeled around to face her.

"For God's sake, SHUT THE FUCK UP already!" I yelled, cringing inside because my conscience knew I'd be getting a job as a mall Santa to make up for losing this one, "Do you have any idea how obnoxious you are? Did you know that the other guys PAY ME just to come handle your calls because you're so fucking rude?" I headed for my toolbox, about to leave, assuming she was going to call security and have me tossed, anyway.

"We WORK for a living, you know?" I told her. "No one PAYS my tuition. I have to come in here and

snake your damn toilet to pay for school. And I'm here three times a week. And you don't even fucking know my name. It's fucking Thanksgiving, anyway. What are you even DOING here? Shouldn't you be home riding polo ponies or something with Daddy?"

I was crouched over the toolbox, putting the wrench away, and looked up. Katie was standing there in the door of the bathroom looking as though I'd slapped her, beautiful blue eyes wide, shocked, brimmed with tears. She stumbled over to the bed, sat down on the edge, hung her pretty head and began to cry.

Oh, crap, I thought. I'd gone too far. I felt bad. But fuck all if the bitch didn't deserve to hear the ugly truth. I got up and sat down next to her. What came next was the shock of my life.

She told me about a daddy who was always away, who never spent time with her, who threw money at her just to keep her from talking to him. She'd been packed as far away from home as possible for college. She'd be staying here over break and had no one to go home to. No one liked her. The girls hated her for her looks and the guys only wanted to get in her pants. She'd never even had a boyfriend. That's why she was so bitchy all the time. She was just angry and hurt and lonely and the truth was that she complained about the pipes half the time just to have me come up and fix them.

"I just wanted you to come here so I could see you before the long weekend," she said in a tiny, sweet voice. "I got a stack of movies," she pointed over to a Blockbuster bag on the desk. It was filled to near-bursting. "That's what I'm doing for Thanksgiving. And I know your name. It's Roman."

She was looking up at me with those eyes. Those lips. My inner-voice was now less concerned with getting fired and more concerned with getting laid. I kissed her.

And she was on me like a wildcat, pushing me back on her pink, frilly bed and pinning me beneath, purring and cooing and crying and begging me to kiss her, hold her, to-of all things in the universe-be her first.

I said nothing. Apparently the strong, silent thing was working for me. I laid her down on the bed and traced circles over those delectable

curves, lifting her shirt and gazing on those gorgeous milk mounds, each topped with a pale, hard, crinkly nipple. I sucked them to fine points, listening to her tears melt away into mewls of pleasure. I eased the cozy PJs down to spy her pink cotton bikinis, a dark patch of wetness spreading at the center and slipped a practiced hand inside, noting with delight that the neatly-shaved patch that remained above her smooth-shaven lower lips was, in fact, naturally pale blonde. I'd be moving in for closer inspection on that bit later.

Kissing her, I slid my fingers in and out of her dripping wet cooze, enjoying her eager tongue against my own, feeling her young body responding to my hands, smiling against her neck as she wiggled out of the bottoms completely, spreading her legs for me, her pale thighs flushing pink with nervousness as she awaited my approval of all things. Her pussy was a perfect pale peach waiting to be devoured, which I did, fucking her roughly with my tongue, spreading it open to wiggle her clit with my fingers while she cried in pleasure.

Then, of all things, she flipped over on all fours, round white ass in the air, the pink pucker of her rear end winking at me from between those pillowy cheeks, the bare egg of her pussy below shiny with her own sugar. Apparently all that daddy-neglect had made her fantasy of the ideal partner into something overtly manly. I smiled, undoing my belt buckle gruffly and wielding my cock like a thick, veiny billy club.

"It's so big," she said, looking over her shoulder with baby-blues wide. "It's not going to hurt is it?"

I approached her from behind, one hand caressing the smooth curve of her hip, holding her, claiming her, the other wrapped around my cock, brushing it against her swollen-wet slit, getting her used to the sensation. The way she jumped when it touched her—I will never forget how much that simple act turned me on. I leaned over her protectively, possessively.

"I will never hurt you," I whispered. "Will you relax for me now?"

Her eyes closed, her body shivered, her ass moved back against my cock submissively. All this brat really wanted, it seemed, was for a real man to

Ana likes to look at herself in the mirror.

But it's not so much an act of narcissism as it is an act of hominess. Ana likes to spread her legs in front of the mirror and watch her finger go in and out of her pussy.

What is it that turns you on about masturbating in front of the mirror?

"I don't know. I guess it's like, seeing the penetration. Don't guys like to watch their dicks go in and out of a pussy? I'm the same way, whether it's a dick or a finger or a dildo going inside my pussy. And I like seeing the faces that I make. I can almost imagine what it's like to be a guy fucking me."

BRA SIZE: 34A

BORN: Dec. 21

LIVES: Florida

Have you ever fucked in front of a mirror?

"Yeah, once when this guy took me to a motel. There were mirrors all around the bed and on the ceiling. I didn't know my ass jiggled so much when I get fucked doggie-style! Now I know why guys like it!"

So you like to look at yourself fuck, but do you like looking at other people fuck?

"Of course! I've only seen it in pornos but I think I would like to see it in person, too. Because even if it's like, a sex scene in a normal movie where you can't see the real action it turns me on. Just seeing that makes me feel tingly. So if there was real fucking in front of me I'd probably start masturbating right there!"

THE FIRST TASTE

Continued from page 66

take care of her. I was more than happy to do the job. Slowly I began to insert the head of my dick, easing it between those luscious, naked labia to the wet, pink cavern inside. She whimpered. The opening of her vag was unbelievably tight. I couldn't believe it. She really was a virgin.

"I'm nervous," she cried softly.

I leaned over her and whispered to her that I was going to make it perfect for her, that she could relax, feel safe, whatever bullshit I could come up with to make this work for me (and for her, too; I'm not a complete douche bag, after all).

She leaned back on my pole a little more, taking another inch, and moaned again. I figured it was better to let her go at her own pace. I leaned back and let her do it herself, inch by tight, wet inch, and in a minute or two her pussy had eaten me whole. I was all the way inside of Katie, wearing her perfect teenage body like the tightest, wettest velvet glove ever.

With hands on her flawless, round rump I eased her weight forward and let her come back down on me. Again. Again. Again. She was getting the hang of it. Moments later, her face near-buried in her pink flannel pillowcase, she was whining yet again, this time for me to pound her silly with my big thing, yes! Yes! Yes! Yes! Yes! It built and built and built and moments later, unimaginably, we were cumming together, cream visibly oozing from around the base of my pulsing meat as I forced it in and out of her taut hole, filling her up with my spunk—the first little army of swimmers to ever navigate her pristine, perfect little love canal.

I never went home that weekend. Katie earned about 12 credit hours in cock sucking and another three or so in various other sexual disciplines. I'm sure her daddy would have been very proud. I kept the whole thing a secret from the other guys, though. I was more than happy to keep taking their money for the service calls whenever she needed 'her pipes fixed.' Sometimes I even used it to buy Katie some roses, since she'd been kind enough to allow me the honor of deflowering her.

LUCCIA
TEENY
TART

Luccia is relaxing by the pool after a long weekend of crazy fucking.

You would need a break too if you had spent the past two days having sex and orgies. Even though Luccia is hornier than most 18-year-old girls, she needs time to recover from all the cumming and let her horniness build up again. We'll let her tell you about it in her own words. "On Friday me and these three girls got crazy. We're all friends and we all know that we like pussy as much as dick. So we had an orgy. No boys, just us girls and our strap-ons. My clit was tender from all the sucking it went through, but not enough to stop me from fucking again on Saturday with a real cock."

A woman with dark, curly hair and a white headband is posing on a boat at night. She is wearing a black and red bikini and is smiling while looking towards the camera. Her right hand is resting on her hip. The background shows the boat's structure and some greenery.

**"This time it was me,
a girl and a guy."**

Luccia had her lezzie fix and was ready to get stuffed with cock. "One of the girls from the night before came with me to fuck this guy. Let me tell you, his dick was big enough for the both of us."

What else happened?

"We fucked for hours. I think I set a new record for myself. We were sucking that guy's dick at the same time and then he took turns fucking us. Like, I got in doggie-style position and he would do me that way while I licked my girl's pussy. She even got fucked in the ass."

**You're into
lezzie sex and
threesomes
but you don't
do anal?**

"You can lick my ass or stick a finger in it, but that's where I draw the line. I'm sure one day I'll do it in the butt. But I'm doing so much crazy sex stuff right now that I want to keep some part of me pure. Besides, I get off good enough just from getting my pussy licked and fucked that I don't feel like I need to get more by doing anal."

JOURNAL OF SEDUCTION

Continued from page 30

"Oh no, Dr. Rochester...I liked when you touched me."

That was all the answer I needed to set my pussy on fire. I drove us over to a restaurant in my neighborhood.

Our dinner was a blur. We spoke of trivial things. I could not take my eyes off of P. the entire time. At one point she reached over and, with her thumb, brushed what she said was a crumb off of my lip. Electric shocks went from my mouth to my cunt.

"I want you to be my first," she said. I asked her if she would like to come home with me.

The ride to my apartment was a revelation of sexual delights. I could not believe how forward P. was. For some reason I let her do to me all those nasty but tasty things that a lover does. Immediately upon entering the car P. took my head in her hands and tongue-kissed me. Her mouth was so hot and wet and she sucked at my tongue, causing me to moan in the most wanton and uncontrollable way. She grabbed at my crotch as I was driving, and it almost broke my concentration. P. pressed hard and massaged me through my skirt. I opened my legs. Her little fingers searched beneath my skirt and touched my garters.

"Ohhh...a garter belt," she said. "I've only seen women wear them in a catalogue that my Dad gets."

I told her all proper ladies wear garters, and fine silk underwear.

"Show me," she whispered.

While still driving I raised my skirt so she could see my now-moistened under things. P. sighed and reached out again. She began to caress my cunt through my silk panties. I could not help but raise my pelvis to her every stroke.

"Ohhh...you're all wet," she said.

I thanked the gods that it was a short drive home.

Becks jarred me from my reverie. I was so lost in the story that I didn't realize that Becks had completed cleaning out the room.

"Hot, right?" he asked.

I just mumbled a reply.

"You know, we can go home and you can read it there...maybe get ya

in the mood for later, eh?" Becks raised his eyebrows jokingly. But I knew he wasn't kidding.

Well, we hadn't made love in a while, due to all the stress of the move. This story was going to be a huge inspiration. I immediately began to read it again at home.

P. wanted me like no other woman wanted me before. We barely made it to my house for we kissed the entire way. Thankfully it was the dead of winter and no one was about.

Upon entering my apartment, I turned to her and said in exasperation, "But I don't want to corrupt you...you are so young!"

P. was aflame.

"Corrupt me," she moaned, "Touch me, taste me...I want you so bad. I have been dreaming of this!"

I set upon her like a wild thing. She let me tear her clothes off and we tumbled onto my bed. I began to devour her, kissing her tits and pulling my body up so that my cunt was right against hers. I wanted to worship her young body. She was at the cusp of womanhood...so ripe for the taking.

"I wish I had a cock to fuck you with," I said, "But for now I'll do it with my mouth!"

This sent P. over the edge and she opened her legs wide so that I could suck on her cunt. I pulled her pussy lips wide apart and slid my index finger inside. Lowering my mouth, I began to lick at the inner folds of flesh that surrounded her tight hole. My hands were all over her cunt, massaging her clit and pulling on her fuzzy cunt hair.

Her pussy was so hot and so very wet, and she tasted wonderful. While licking her labia, I sucked at her little clitoris, which was small but engorged. The head became very red and angry, but P. wanted more.

"More," she cried out, "Harder...I am yours!"

I dove in with my mouth and pulled at her lips with my hands. I looked up at her thrashing head and noticed she was touching her breasts.

"Let me do that for you, darling," I told her.

I grabbed her small, pointy breasts. With each thumb I caressed her light pink nipples, while still sucking on her sweet vagina.

"I'm cumming!" she cried, "I'm

cumming in your mouth!"

Her hips were thrush around my head in a vise-like grip. But I didn't mind. I made my sexy girl cum.

I shook my head and could still not believe what I was reading.

"How ya doin' babe," I called out to Becks in the living room. He was watching a football game.

"Finished yet?" he asked.

"No...it's too engrossing."

"Well...I can wait."

I skipped a few more pages and read on.

P. and I began a relationship in secret. I was afraid of what her parents would think, and I was also afraid of any repercussions if P. was to become less than enamored of me. But, I could not help myself and we saw each other almost every evening. I removed all record of her office visit and explained this was necessary. P. agreed wholeheartedly.

One night, not too long after our first time, P. entered my apartment like the wind.

"I have a present for you...well, for both of us," she said.

I clapped as I grabbed at the red bag. Inside was something covered in red velvet.

"What can this be," I mused as I opened the soft package.

To my astonishment it was a dildo.

"I want to fuck you," she said.

I asked her where she purchased the thing. I was a bit taken back, but open to her request. I wanted to make her happy. P. told me there was a shop in her neighborhood that sold sex toys.

"Will you let me fuck you with it?" she asked.

I just nodded my head.

P. knew exactly what she wanted.

"I want you to take all your clothes off. Your body is so hot and I want to do naughty things to it."

P. told me to lie back on the bed. She removed her own clothes in front of me. It never ceases to amaze me the beauty of her young body. But tonight was to be my night. I couldn't wait.

At first we sat facing one another and played with each other's tits. At one point she stood on her knees and shoved her tits against my face. Taking each perfect mound of her young breasts in my hands, I flicked my tongue all over them, and bathed

her nipples with my spit.
 Then P. sat at my feet and began to massage me. She had coated her hands with peppermint oil, and it felt wonderful on contact. Her hands were soft and she moved them up my legs, my thighs, and touched my tits again. She took each of them in her mouth and flicked her tongue back and forth between my nipples. It was heaven. Her kisses were ardent that evening and she sucked on my tongue much harder than before. Finally, P. was directly over me and she ground her own lovely cunt into mine. The friction was magnificent!

I lowered my own hands and caressed her ass. She had the most perfect butt, covered with fine soft flesh, and not one mark. We pushed at each other for a while there, just enjoying each other.

Then I felt the tip of something warm and rubbery.

It was the dildo. I sighed.

"Open your legs," P. said. I opened them wide. P. placed the dildo once more at my opening. I was more than ready for it.

"I warmed it in some hot water for you," P. said, "And lubed it."

"Mmmmm," I thought.

P. inserted the false penis into my cunt. It was so big and wide, even at its head, and I moaned as it entered me. I thrust my hips up off of the bed. I wanted to be fucked by P.

"Do you want me to fuck you?" she asked. She would slide the dildo almost out of my cunt, and then thrust it back into me. She kept doing this to me and I played along.

"Oh, yes," I cried out, "Yes, fuck me P, ram me with your big cock!"

She thrust the dildo way up into my cunt and then pulled it out.

"Beg for it," she growled.

"Oh P." I screamed, "Fuck me, fuck me, use me with your cock!"

P. fucked me as I asked her to. While she slid the dildo in and out of my cunt, she lowered her head and, with her tongue, sucked on my clit. The sensations were amazing. The

softness of her tongue swirling around my clit and the thrusts of the fake cock were so intense.

Then P. asked me to get on all fours. I immediately obeyed.

I swayed my ass like a wanton slut and readied myself for the dildo. My breasts hung down, but I didn't care, it was too good.

P. caressed my ass with her hands and then grabbed at me. She started to lightly slap my ass cheeks and I moaned for her to fuck me.

"You want it?" she cried out.

"Yes...yes, give it to me!"

P. shoved the dildo way up inside my vagina. I had never been fucked by a man and I thought this is what it must feel like. P. stood behind me, on her knees, and slid that beautiful piece of fake flesh in and out of me. My knees buckled and my face hit the pillows on my bed. I loved it!

P. thrust her hands over my belly and found my clit. She rubbed it while fucking me with the dildo. I was brought over the edge of a cliff and I exploded in the most intense orgasm I ever had. My cheeks were covered with tears. I had never had a climax

like that before.

I flipped a few pages to the end and read more. The last entry wrote.

We are moving! Away from all the prying eyes and misunderstanding! I am going to my home, and taking my beloved girl with me!

I closed the journal and immediately went in to stand before Becks.

"You need to fuck me...now,"

What followed was the most intense, wanton fuck I ever gave and received from my man.

Later, as we were holding each other, I said to Becks, "You know...we have to find them. We have to return the journal...see what happened."

"Oh babe...they're probably long gone now. It was twenty years ago."

"I don't care...we're detectives, aren't we? Besides, you said you can find an honest man in Washington."

"Alright...I'll see what I can do."

I was sorting out our last client's photos when Becks came running in from the street.

"You are not gonna believe this!"

"What...what?" I inquired.

"I found them...the lady doctor and the girlfriend!"

"Oh shit!"

"I did a huge search and found out that Dr. Rochester resides in Amsterdam. She had a practice there. Then I called the last number and found out she moved back to the States. They live here in D.C.! She moved away from Amsterdam with her wife, Penelope."

"Penelope! P. That's her name!" I cried. I was so excited.

The woman who answered the bell was in her fifties, but very well preserved. In fact, she was beautiful. I explained what my husband and I had of hers. She seemed a little sheepish at first, but then her wife Penelope came to the door also. Penelope was a true knockout, in her thirties now.

"Oh, Megan, it's your journal! You know, she told me all about this, but that it was lost forever. Thank you both. Would you both like to come in for a cup of coffee?"

"Would we ever!" was my reply. **18**

Did you cum?

"Of course. Girls have pussies so they know how to lick it better than boys do."

Painting nails? Reading magazines? Braiding hair? Boring!

That kind of stuff is okay for your every day sleep-over, but this is no regular slumber party. The pussies in these pajamas are curious for lezzie licking. And with so many delicious slits in one small, private area, it was bound to happen. A game of truth or dare gets the ball rolling as the girls start daring each other to make out. What starts off with little kisses turns into a five girl orgy where every clit is licked and every slit is stuffed with a finger or dildo. The smell of teen tang fills the air as the girls reach their climaxes. "I was a little shocked when some of the girls rook off their shirts," Layla says. "But I was always into girls, so I just went with it!"

WHEN TOMBOYS
GROW TITTIES

Angie's got the moves on the court and behind closed doors.

Angie's always been a tomboy and didn't care about sex for a long time. That was until she started growing boobies. "I noticed more and more that whenever I played sports with the guys they would 'accidentally' grab my boobies. I guess I was supposed to be mad but the truth is I liked it. I would kind of encourage it and then they started grabbing my pussy 'by accident'. I was trying hard to be a good girl and not fuck any many guys, but it was so hard when they would touch me all over like that."

Kelli loves it when her parents go out of town.

Most people enjoy being home alone for the peace, the quiet and the privacy. But Kelli especially loves it when her parents go out of town because it means that cumming is no longer restricted to the confines of her bedroom. When she wants to get off she doesn't have to put a pillow over her face to muffle her screams. With the house to herself, she's free to walk around naked, be as loud as she wants to be and fuck in every room. "My parents are gone and I'm totally taking advantage of it. I'm going to fuck this guy on their bed, on the couch, on the kitchen counter and everywhere else. And I'm gonna be so loud that the neighbors hear."
