Flatties for the Fuckin'

Dear Virgin Territory,

The reason I buy your magazine is 'cause of all the flatties. I know most men like women with large breasts, but I'm one of the few who prefers smaller boobs. That being said, I was very happy to see the Fuckable Flatties special in the June '08 issue.

I clearly remember Christina from when she first appeared in the magazine in Feb. '06. Thank you for featuring her again in the Flatties special. She was always one of my favorites. I also enjoyed Alyssa's tiny, pointy boobies. They look like they were made for being sucked. But the shot that really made my cock throb was the one of Kitty from April '06 with cum splattered all over her face and nonexistent tits.

And speaking of cum, I have a suggestion. Can you shoot a video or pictorial where the guy cums directly into the girl's mouth and she swallows it? As much as I like facials, I also like to see the girl swallow the cum, too. And please try to shoot it with a flat girl!—J.K., Alpine, Texas

Dear J.K.,

We love little tits as much as you do. And because of that, we can say with confidence that you will love the movie Flat and Fucked. It features five tit-less teens getting their pussies split and their faces sprayed with cum. Since you thought Kitty was hot, we think you'll definitely bust a nut over Asian slut, Lystra. She's in the movie and you can check her out in the picture we've provided. We don't have anything where a model swallows all of the cum unloaded upon her, but the babes in Flat and Fucked definitely taste it and like it. You can order a copy on page 9.

Lystra shows off her superb flat tits in Flat and Fucked. Order it on page 9.

Dear Virgin Territory,

I've subscribed to SCORE magazine for years. But recently, I picked up the July '08 issue of 18eighteen on a whim while I was at my local sex shop. I found myself strangely attracted to the young girls and small boobs in your magazine. I still love big tits, but I've developed a new fascination with tiny breasts. Maybe it has something to do with them being exotic to me. I've always been about the big boobs and dated women with big boobs. Now I crave a taste of some flatties.

Sammy from July '08 converted a big-boob lover into a small-tit fan.

I find this very unusual and was wondering if you could offer me an explanation? A few friends of mine are also regular porn consumers and from what I can tell, our kind usually sticks to just one kind of porn. Rarely does someone jump from one genre to the next, especially when they are completely opposite. Is there something wrong with me? Well, even if there is something wrong, I don't want to be right. I'm having too much fun jerking to your flatties! I think the

one who changed me was Sammy from July '08. There's just something about her, and I've always been a sucker for a gal with freckles.—M.Y., Athens, Georgia

Dear M.Y.,

We're not really sure why you suddenly joined the itty-bitty-titty committee. Maybe you've finally come to your senses and realized that all tits are awesome, regardless of their size. Or maybe it was Sammy's mesmerizing mini mams. Whatever the reason, we're glad that you're embracing flatties. And there's nothing wrong with that, or with you. You've simply become more open-minded, and that's a good thing! Anyway, we pulled a shot of the girl who changed your mind about barely-there boobs. Here's Sammy from July '08 in all her flat glory.

Dear Virgin Territory,

I'd nominate Chastity from June '08 as your all-time best flattie. She has a fresh, young look that is really hot. She looks like a sweet girl but I bet there is a nasty freak inside her just dying to come out. You have a lot of sexy, flat girls in your magazine, but she is my favorite. It's not even that she's that pretty. I can't put my finger on it, but she makes my dick hard and I want to see more of her.

When I saw that I could win her panties I wrote in right away. Well, right after I jerked off and came to her pictures. I hope I win. I'd love to know what her delicious, little pussy smells like.—G.S., Bath, Maine

Dear G.S.,

Have you seen her in Cotton Tail? She gets her little tits sucked and her tight slit fucked during a threeway. See for yourself by ordering on page 9. Also, if you have the International version of this issue you can see the XXX photoset from Cotton Tail in our Xtra insert. If not, you can order a back issue of this magazine on page 11, or simply enjoy the bonus photo of her here! Chastity was also featured in Sept. '08, so be sure to see what naughty things she was up to in that issue as well.

Chastity from June '08 looks so sweet and innocent on the outside, but she's really a slut on the inside. Oh, and she's got perfect tits, too.

An Extra Serving of Meat, Please

Dear Virgin Territory,

Your magazine features some of the best teens around, but I would like to see more girls with a little meat on their bones and slightly larger boobs. They don't have to be huge, but featuring girls with B- or C-cups would be good. Even the occasional girl with a D-cup would be a nice change of pace. Don't get me wrong, I find skinny girls attractive, too, but I like variety when it comes to chicks.

I do like that you've been including models of different backgrounds, such as black, Asian and Latin. This definitely quenches my thirst for variety. Some of my favorite ethnic girls are Kitten from June '08, Kara and Michelle from May '08, Carmella from March '08 and Alexis from Dec. '07. And as for the plump teens, my favorite is Riley from March '08, but she doesn't have the big tits I've been looking for. I'll be keeping my eyes peeled for plump, busty teens.—A.Z., Sioux City, Iowa

Dear A.Z.,

If it's big hooters you crave, we have a Busty Teens special in this very issue. Turn to page 12 to check out our stacked sweethearts. We happened to include one of your favorites (Michelle) in there, too. There are also a few big-titted babes in our pictorials. On page 43, Rikki shows off her melons. On page 56, we've got Jessica, a busty, blonde bombshell. Calisyn is a top-heavy Latina who lets loose on page 79. And on page 92, juggy Missy has a surprise for you.

Elated for Elli

Dear Virgin Territory, I'm in love with Elli from July '08 and Sept. '08. I think she is really cute and I can't imagine any guy standing her up like how she said in July '08. But then again, I don't get a lot of pussy because quite frankly, I look like a fatter

version of Steve Buscemi. So I'm not exactly in the position to be standing girls up. That being said, I jerk off a lot and your magazine and Elli have made me cum many times.

That's why I was thrilled to see Elli's XXX feature in Sept. '08. I was already happy enough just to see her naked, but to see her fuck, too? That's awesome! My throbbing cock thanks you for that. It really turned me on to see that guy lick her pussy. I wish I could do that to her. And she took that cock in her pussy like a champ. I'm getting hard just remembering it. I know I'd never stand a chance with her, but please let her know that I'm her biggest fan.—O.S., Miami, Florida

Dear Virgin Territory,

18eighteen never fails to bring me the hottest, tightest teen babes. For a while my favorite 18eighteen girl was Ariel from Holiday '07, but Elli from July '08 replaced her. I want to fuck Elli real bad. Her little tits are amazing and I so badly want to tug on her labia with my lips. I bet her pussy smells and tastes like honey. Please put in more pictures of Elli. She makes me so hot.—J.A., Jacksonville, Florida

Dear O.S. and J.A.,

We're glad you both found an 18eighteen girl that tickles each of your pickles. If you'd like to see more of Elli you can go to 18eighteen.com and check out video footage of her mas-

turbating. And here's a juicy tidbit for you: Elli is so good at riding cocks because it runs in her family. Her mother is in the porn biz as well. We don't have any more sets of Elli, but here's a bonus shot of her and her mother showing off their goods from the Aug. '08 issue of 40Something. Now that's mother-daughter bonding!

Monika's Fan Club

Dear Virgin Territory,

The first issue of your magazine that I ever saw was the June '08 one and I was very impressed, especially with the XXX photoset of Monika. She is sooo hot. Can you tell me where I can see more

of her? Does she happen to do anal? The reason I ask is because she reminds me of this girl I used to date. She loved to take it in the ass. And although the sex was great, things didn't

work out between us. She was too young and wanted to sleep with other guys. But I still think of her from time to time when I whack off.

Looking at Monika definitely rekindles those lusty memories for me. And even if I had never met that girl, I still would have gotten a hard-on for Monika. She is totally my type. In fact, I found her and the other girls in your mag so sexy that I became a subscriber. Since then I've gotten a couple more issues and I am loving it. The jerk material has never been better. Please keep up the good work.—D.M., Fort Lauderdale, Florida

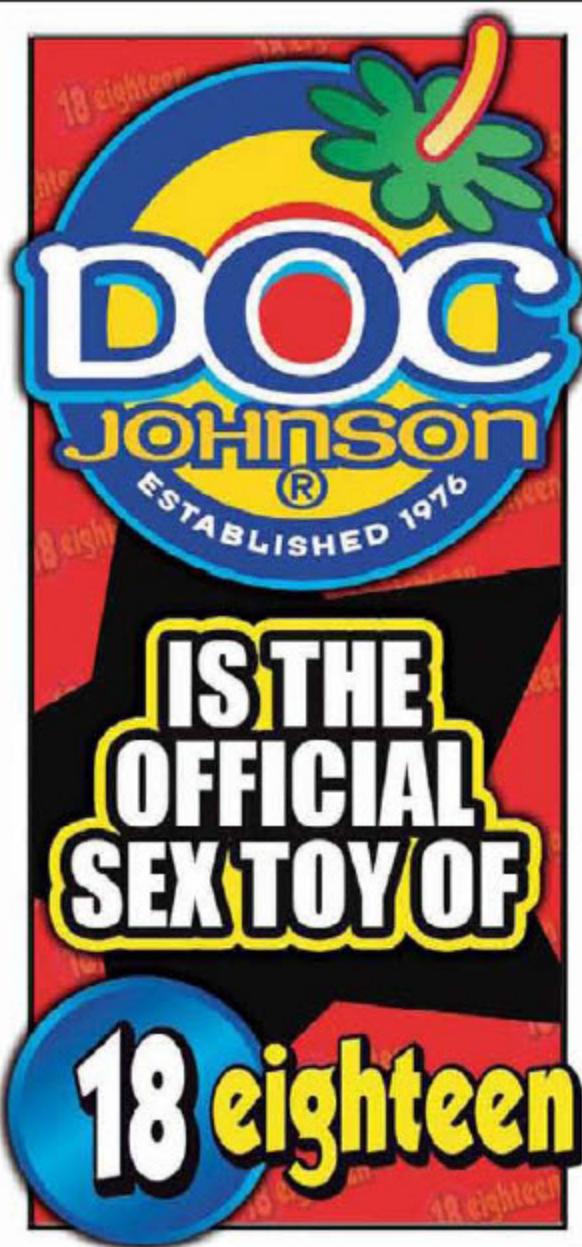

Dear Virgin Territory,

Some guys are into asses, some are into tits and others are into legs. I can appreciate all those things, but the first thing I notice about a girl is her face. Most of the girls in 18eighteen are cute and fresh-faced, and that's why I regularly buy your magazine. You don't show raggedy, worn-out girls who look like they've had five kids.

Tart or Tender?

In the July '08 issue we asked readers if they prefer teen virgins or vixens. Many wrote in, and we're here to report the results. It was a close call, but more readers claimed they preferred slutty girls, like Kitty here, over innocent ones. Perhaps it's because they are more willing and eager to fuck, and their experience and confidence make for a great time in the sack. But don't let these results fool you. Teen angels still have massive appeal with horny guys everywhere. But in the end, it doesn't matter if a girl is a virgin or a slut. Both kinds are still cock-crazy, whether they act on it or not.

You've got high standards and a lot of other porn magazines don't seem to.

In my opinion, the girl with the prettiest face that I have seen in your magazine is Monika from April '08. She has got a great body, too. She looks clean and fresh and young, the way I like 'em. Her pussyhole and her asshole look tight and lickable. And she has a great smile. I'd say the next cutest girl I've seen was Stracy in May '08 and Victoria Von from Feb. '08. You guys really know how to pick them. You get two thumbs way up from me.—M.F., Dover, Delaware

Monika is more than just a pretty face. She's a great fuck, too!

lezzies? I love them and I must cum to them!—J.G., Arcadia, California

Dear J.G.,

Two girls kissing and licking each other is the epitome of passion. Fortunately, girls don't have hang-ups about being physical with the same sex. Even platonic female friends will get closer and more intimate than a pair of male buddies would. Girl-girl sets are always winners with our readers, and we've got a few queued up for upcoming issues. For now, fulfill your lezzie cravings with this bonus shot of Rosie and Maloree from June '08.

Readers Just Can't Get Enough of Lola

Dear Virgin Territory,

Lola from July '08 is fine. She looks like a girl I used to fuck in college. I was a sophomore at my state university and she was a senior in high school
Continued on page 19

Rosie and Maloree from June '08 love to eat pussy as much as they love to suck cock. They often put on shows for guys to jack to.

Dear D.M. and M.F.,

Monika's a hot one, isn't she? We think so, and many readers have expressed the same lusty passion for the blonde bombshell since she was first featured in our Jan. '08 issue. Monika is very photogenic, but if you'd prefer to see video footage of her moving, talking, moaning and fucking, you should check her out in the movie Pickin' Up Pussy. You can order a copy on page 9. If you think she looks good having sex in print, wait till you see her on your screen moaning and grinding!

Everyone Loves Lezzies

Dear Virgin Territory,

What is it about teen lezzies that gets guys so worked up? There are few things hotter than seeing two young, tight, pretty things making out and feeling up on each other. You haven't featured a girl-girl set in a while, and I think you should.

I'd go so far as to say that I'd rather watch two girls go at it than a guy and a girl. I haven't had a threesome yet, but I hope one day my fantasy will come true and I will get to have one pussy on my face and one around my cock. Until then, can you please put in more pictures of teen

MASTER DVD AND VIDEO ORDER FORM

NEW RELEASE!

One bare teen snatch is great, but five wet slitties is something to celebrate! And that's exactly what the girls of *Naughty Hottie Slumber Party* do. During this sexy sleepover, the teen tarts start off with girl-girl dildo action, but it's not enough to satisfy their aching twats. So they do what any horny teen girl would do...sneak in boys!

That's when the PJs come off and the BJs begin. The night climaxes into a hot orgy with plenty of pussy pounding and creaming.

ACK ATTACK

THE BEST OF OUR BUSTY TEENS

18eighteen magazine is notorious for featuring the most fuckable teen flatties. But every so often, we get a buxom, busty girl popping out among all the barely-there boobies. These developed teens may be sporting C- and D-cups, but they are still every ounce as tempting and tantalizing as our A-cup angels. Christy Marks is a nineteen-year-old model who has reached celebrity status in our sister magazines, *SCORE* and *Voluptous*, because of her huge knockers. Now we're introducing Christy to *18eighteen* readers. Say hello, fellas! Christy enjoys going to the movies, eating junk food and having titty-slapping fights with her fellow big-breasted teen friends. As for our *18eighteen* alumni, Victoria Von is one of the most notorious top-heavy tenderonies. Many readers wrote in to tell us how much they loved her meaty hangers, and the number of submissions to win her panties back in Feb. '08 was overwhelming. But Victoria isn't the only busty babe who has won the hearts of men everywhere. Just check out the teen tits in this special and see if you can resist the rack attack.

Lola from July '08 is the kind of girl who sticks things up her ass.

Virgin Territory

Continued from page 8

who had just turned 18. She had silky, blonde hair and the same supple body as Lola. They could even pass as twins in the face. I met her at a party and we hooked up that very night.

We started off just making small talk and the next thing I know we're making out and she's leading me outside to suck my dick behind the bushes. Up until that point I thought stuff like that only happened in pornos. Later that night I took her back to my place and fucked her silly. It was the first of many wonderful times.

That girl was one hell of a fuck, and I bet Lola is, too. I'd do all the nasty things to Lola that I used to do to her look-alike...and more. Her pussy looks so delicious, I bet it tastes like honey. Do you happen to know if Lola has done any hardcore? I'd love to see Lola getting some XXX action.—T.T., Tallahassee, Florida

Dear T.T.,

Lola hasn't done any hardcore for us, but you can ogle her some more in the picture we included here. She has that unique quality of being adorable and extremely fuckable at the same time. That's what makes her the perfect 18eighteen girl. If you'd like to see more of her, log on to 18eighteen.com and search our model directory for web-exclusive photos and video footage of Lola masturbating.

Seein' Red

Dear Virgin Territory,

I love your magazine, but I have a request to make. I would love to see more teen redheads. I have a redhead fetish and I get especially aroused

when I see that the sheets match the curtains.

I prefer natural redheads with fair skin and freckles over girls with dyed red hair, but I still like them either way. In my experience, redheads have fiery personalities and they are wild in bed. They also have tasty, super-pink vaginas. Unfortunately, natural redheads are rare. And I have also noticed that they tend to be either very attractive or ugly. Please don't show any ugly ones.

Just hot ones like Lindsay Lohan before she got all skinny and blonde. Some of my favorites that I have seen in your magazine are Trinity from Jan. '08, Kerry

If little Trinity had any sheets, we're sure they'd match her curtains.

from Oct. '07 and Emma Redd from Aug. '07. I'll be on the lookout for more.—Fire Crotch Lover, Kuna, Idaho

Dear Fire Crotch Lover,

You're in luck! As rare as redheads are, we managed to get one in this issue. And she is super fine, if we don't say so ourselves. Check out Christine on page 20.

And don't worry, she's not one of those ugly redheads you spoke of. Christine has a very cute face, perky boobs and a tight body. And FYI, she's a horny virgin looking for a guy to rock her world. We also threw in a picture of Trinity right below. We hope you like! **18**

DID YOU GET A BONUS DVD?

Most of you received our *Bonus Edition* magazine that comes complete with a bonus DVD. But for those who received the *Regular Edition* with no DVD, there are parts of the world where censorship and other regional issues preclude readers from receiving magazines with DVDs. To keep things fair, the *Regular Edition* is priced a little lower.

For those who did receive the bonus DVD, it contains a minimum of 60 minutes of exclusive adult solo scenes. In addition, for an extra charge, readers in the U.S. and Canada have the ability to view an XXX-rated, full-length *18eighteen* feature movie. This feature can be unlocked for \$4.99 per scene or \$14.99 for the entire movie. This is a very discounted price because

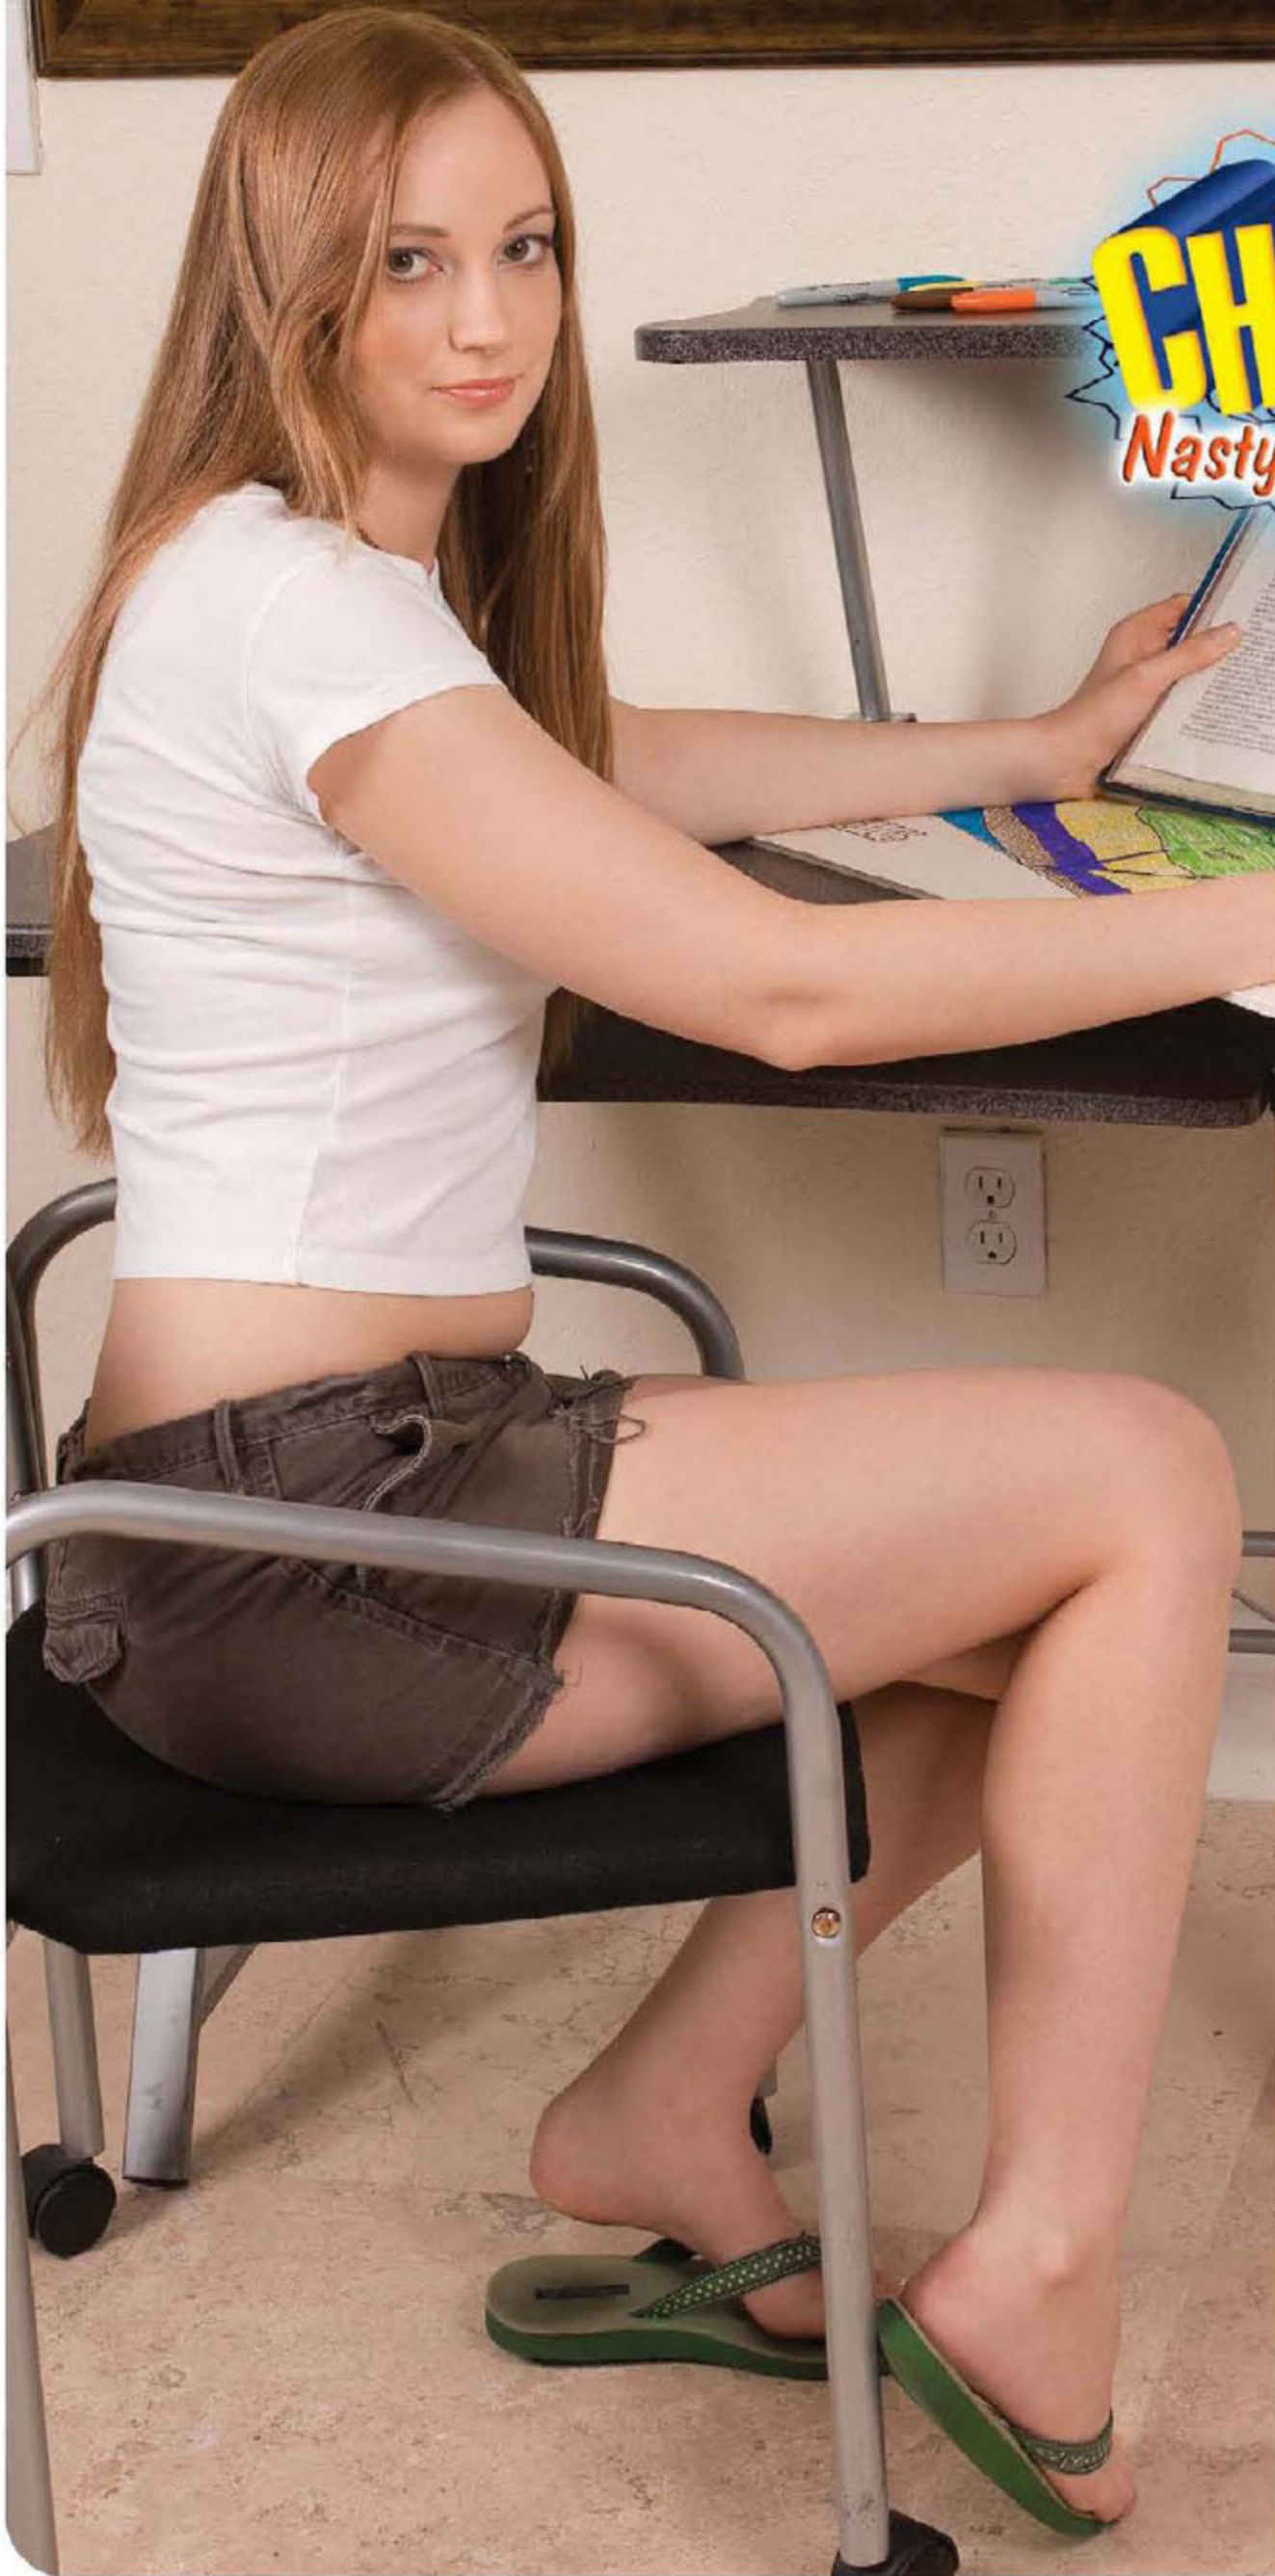

these are the same great *18eighteen* XXX movies you see advertised in the magazine for the price of \$29.95!

Sorry, but all other countries outside the U.S. and Canada (where payment options don't allow us to offer the locked bonus movie) will receive the DVD minus the locked XXX feature.

So, how do you access the locked movie? Just slip the disc into your DVD player or computer and call the toll free number shown with the locked scene. Enter your credit card number and you'll be provided with a four-digit code to enter through your remote control or on your computer. The movie, or the scene you requested, is now unlocked and you can use this code to watch the footage as often as you like. It's so simple you can do it with one hand still on your cock. However, should you require any technical assistance, you can call toll-free to 1-800-277-8800 for help unlocking individual scenes or 1-800-290-2900 for help unlocking the entire movie. If you have any questions, you can always write us at The Score Group - 18eighteen, 1629 N.W. 84th Ave., Miami, FL 33126.

CHRISTINE

Nasty as I Wanna Be!

Hey, Christine. You've got a hot bod. Do you like to show it off?

"Yup. Sometimes when I'm riding in the car with one of my girlfriends I'll flash my titties to a guy driving next to us or I'll stick my ass out the window. They get all excited and start honking and asking for more. If the guy is cute, I might give him another peek. I have to be careful, though. I don't want anyone to get in an accident 'cause of my boobs!"

So you let guys look, but do you let them touch?

"Well, yeah. I let them do more than just touch. [Laughs] I have hormones, too, you know. I let guys kiss, lick and suck me. They can pretty much do whatever they want, so long as it feels good. I like to do more than just look at them, too. My favorite thing to do is slip my hands under a guy's shirt and feel his chest and stomach and then move down to find out what he's packin' in his pants. If I like what I feel, I might just kiss it."

HEIGHT: 5'7"

WEIGHT: 120 lbs.

BRA SIZE: 34B

BORN: Dec. 7

LIVES: Florida

Just a little kiss or a nice, big, sloppy one?

"A sloppy one, for sure. It usually starts off as a few little kisses on the head, then I put more and more in my mouth till it's practically down my throat. I start bobbing up and down and letting my spit get it all nice and wet. Then I come back up to the top and flick my tongue on the bottom part before I suck the tip as hard as I can. I also like to kiss and lick the balls and tickle the guy's asshole with my fingers."

Okay, so you know how to do foreplay. But do you know how to fuck, Christine?

"I was wondering when you were going to ask me that. The thing is, I'm a virgin! I'm definitely a blow job whore, though. Even though I love sucking dick, I haven't met a guy with one big enough for me. See, I masturbate with this really big dildo I bought at a sex store. It feels so good when I'm stuffing my pussy with that thing. So I want to lose my virginity to a guy who's close to that size 'cause I know it will be amazing. I don't want to settle for less. My first time is supposed to be memorable and I don't want to blow it by fucking some dude who won't satisfy me. I wanna be able to feel my pussy all stretched around his big pole."

A carnie and a coed find sweeter treats than cotton candy after hours when the crowds head home.

THE CARNAL-VAL

By Pauline Worth
Illustration by Otis Sweat

"This is sort of like being inside a Scooby-Doo episode," Kerry said, holding Laurie's hand as they explored the inside of a haunted house.

"I have to admit, though," Laurie added, "for some cheesy, low-rate carnival they did a pretty good job decorating in here." She was such a theatre major, noting the realistic cobwebs and the period (or more like faux-period) furniture.

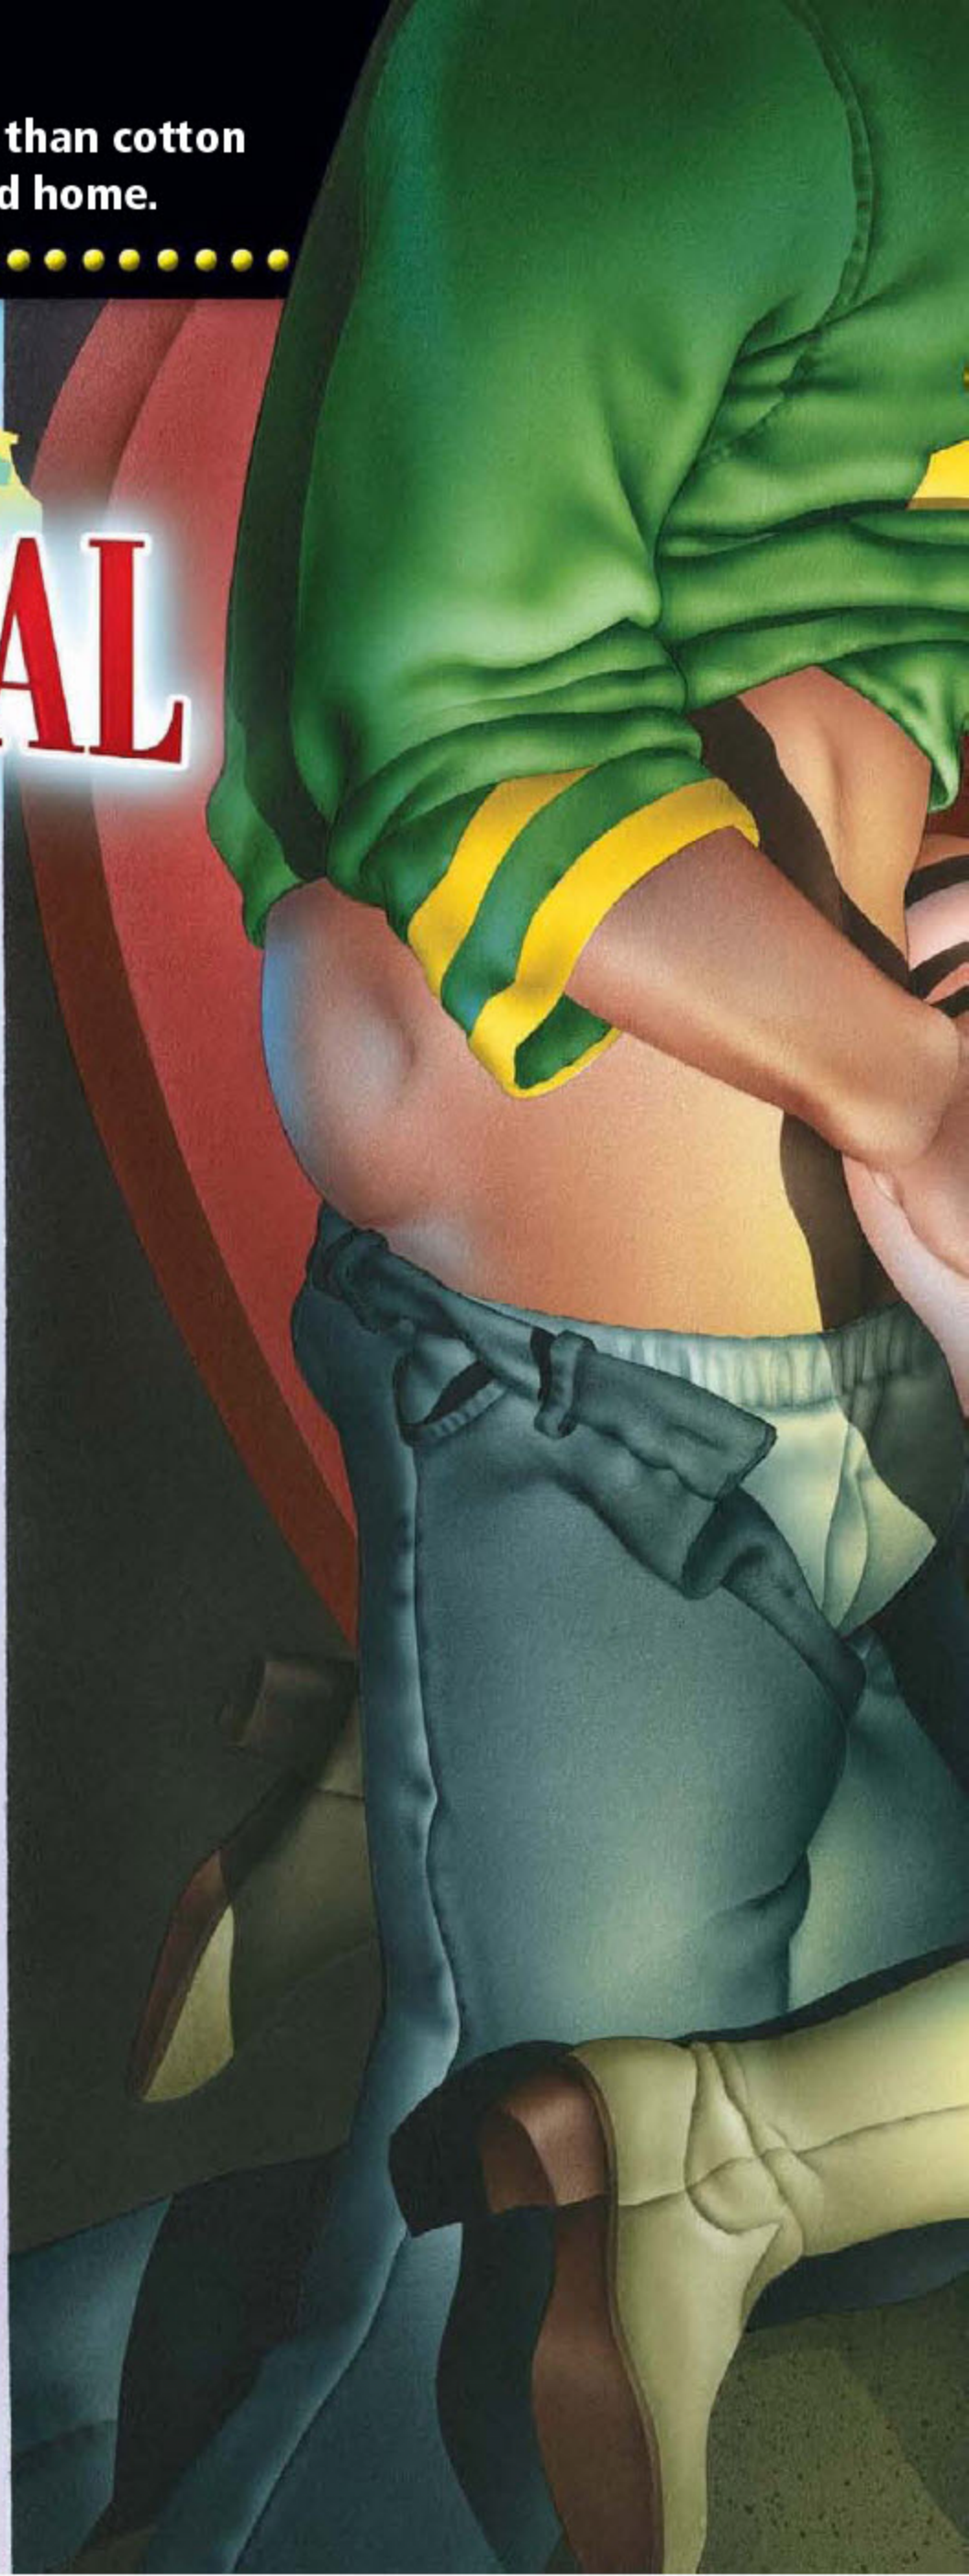

A scratching noise came from behind what looked like a closet door. The girls looked at one another. Kerry was actually a little nervous, which made her feel silly. She might appreciate the set direction, but she'd been dreaming of a career in science long before she'd enrolled at her state university that fall. And long before she and her roommate decided to come to this hokey Harvest Festival.

Laurie giggled. "Zoinks, Velma!" she joked. "I'm going to go investigate!"

She walked dramatically on her toes to the closet and opened the creaky door, "Nice touch!" she exclaimed, and disappeared inside. Kerry waited there in the stillness for a moment, wondering where Laurie had gone. She took a tentative step toward the door, hand reaching for the knob, when something crawled up the back of her forearm—she whirled around, brushing frantically at the spot, when two strong hands grasped her shoulders.

She screamed loudly as the figure—dressed shabbily in a torn, old suit, dusty shredded derby perched on his head—made an attempt at inhuman moaning noises. His make-up was indicative of a young man with little interest in continuity and special effects, a direct contrast to his rather polished zombie-hobo costume. The gray-white pallor looked like a Halloween afterthought, the circles beneath his eyes more those of a college baseball star on the mound than a tortured soul of the undead.

Kerry's scream tapered into a giggle as she folded over in laughter. Zombie Roger Clemens, his strong

SWEAT

hand still clinging to one of her arms, flashed an even, white smile from between his blackened lips. He gestured toward the door where Laurie had disappeared a minute earlier and the two entered a small vestibule where a mechanical skeleton hand rapped tediously on a small end table. The rest of the skeleton was in a Medieval torture cage of some sort, suspended on the other side of the tiny space. He thanked them for coming as they exited through a curtain of shiny, black, plastic strips.

The lights of the carny games and the smell of funnel cakes greeted them on the wobbly metal landing outside the haunted house trailer. Kerry glanced up again at 'Roger,' who smiled down. He was tall, perhaps 6'1" to her diminutive 5'2". He removed his tattered hat gallantly in a grand bowing gesture.

"Did I scare you, Milady?"

She giggled again, nervously. The makeup didn't hide a thing. 'Roger' was definitely cute.

"For a second, yes," she said. "You're quite stealthy."

"I have to be. Noisy zombies don't eat well."

She giggled a little more, noting his full lips, big hands and dirty-blond hair. He, meanwhile, was taking a few notes himself. Kerry was petite and slim-hipped with piercing hazel eyes that needed not a stitch of makeup. Her lips were pouted, glossy cushions. And he noted the tiny strip of exposed belly, a ribbon of golden-brown between the white of her camisole and the chocolate brown waistband of the flowing peasant skirt she wore. Simple, flat, brown sandals showcased manicured feet and her faded denim jacket, cropped at her tiny, delicate waist, completed the look. She glanced downward, smiling shyly.

"Hey!" came a voice from a few feet below the platform. It was Laurie. Her lips were blue. An enormous bag of cotton candy dangled from her hand. "Are you coming?" she screamed. "I want to hit that roller coaster before they condemn it!"

The zombie and the coed laughed.

"Oh, well," she started, "It was fun visiting your humble abode..."

"Wait!" he said, "I'm Kevin."

Kerry blushed. "I'm Kerry."

"Listen, the line for the coaster is really long right now. Maybe you and your friend want to hang out? We close in an hour. Once the boss is gone, me and the rest of the crew have run of the place and we can ride as much as we want."

"Maybe," said Kerry, feeling nervous excitement in the space below her belly button, "But I'll have to see if Laurie wants to come, too."

Her hands closed around his erection, pumping, wet with saliva, as her mouth went lower to take his heavy balls in her mouth, lips closing around the sac, tongue lathering them with liquid heat.

"I hope you will," said Kevin, holding her hand. "I'll be in civilian clothes by then," he offered, smiling. "Just jeans and a Packers jersey. I'll meet you guys behind the ticket booth at 11:30, okay?"

She smiled. She knew he had to at least be a sports fan, if not an all-out jock. She hoped that roller coaster line was obnoxiously long and wondered if they'd see each other later.

His hands were in her rich, brown hair. It was nearly as silky as the moist insides of her cheeks. He closed his eyes, fingers sinking deeper into her locks as her throat purred against his rigid cock, as her cheeks drew him in with hot, gentle suction, lips working the base of his shaft hungrily. Her hands closed around his erection, pumping, wet with saliva, as

her mouth went lower to take his heavy balls in her mouth, lips closing around the sac, tongue lathering them with liquid heat. No girl had ever sucked Kevin's balls with such enthusiasm and fervor.

"Mmm, Kevin," Kerry murmured as her lips brushed against his scrotum. Her tongue reached out to flick the large, swollen head of his rod. "Sucking your cock is making me soooo wet." She took a moment to swallow him again, every inch disappearing into the sweet confines of her throat. "And you taste so good. I could lick you and swallow your cum forever." Her tongue took another few laps around the pulsing head. He could feel a tingle rising from the base of his testicles. They were close to releasing hot spunk. This Kerry girl was certainly a master of blow jobs.

"But..." She paused and gave another lick. "I can't decide if I want to let you bend me over and fuck me slow and hard until I cry..." She swallowed him again, several times. "Or if I should ask you..." Lick. "Very nicely..." Her wet lips closed around him, then released his cock with a cartoonish, audible 'pop!' "To make me cum for the very, very first time..." Kiss after sultry kiss to his shaft. "By kissing and licking my pussy and telling me how good I taste?"

"Kev!" yelled Tony, strolling into the office adjacent to the ticket booth where Kevin was doing a poor job of sweeping up the floor.

"Shit, what?" He may not have actually been jacking off, but the hard-on in his jeans matched the one in his brief fantasy about Kerry. He hoped she would show.

"The girl from the haunted house, college boy," Tony said. "The little brunette. She's outside asking for you. And her hot, blonde friend is with her." He paused before adding, "Need a wing man?"

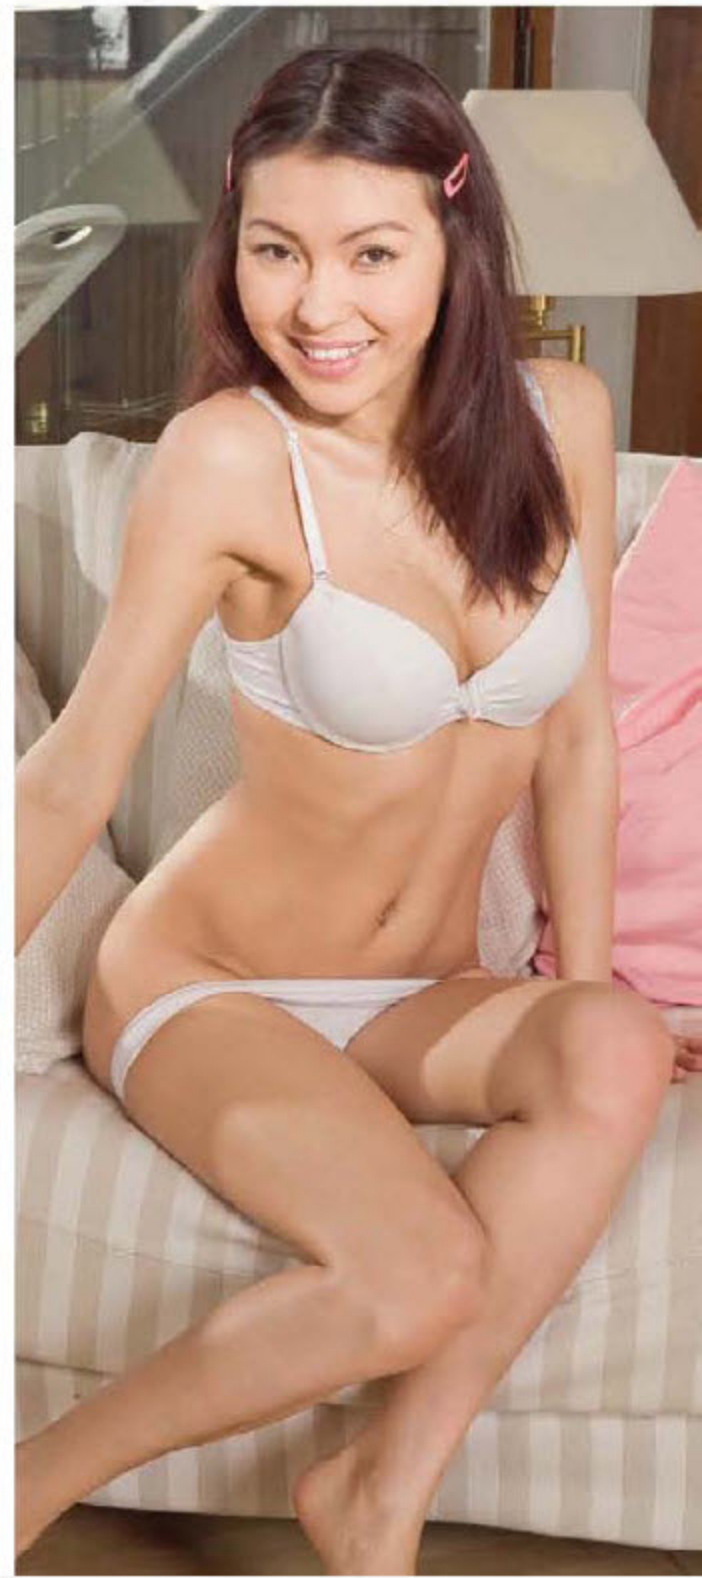

Kev smiled and looked Tony over. He was about 29 or so, but looked younger. Dark, Mediterranean good looks. Non-threatening. The perfect distraction for Kerry's pal.

"Absolutely, my dear friend. There's enough for both of us."

AGNES

In the Pink

Hey, Agnes. You look sweet and innocent. Are you ready to spread your pussy lips for us?

"Yes! I've wanted to do this for a long time, and as soon as I turned 18 I got a photographer to shoot me. I spread my legs for guys, now I get to spread them for you!"

Are you afraid people will call you a slut for posing naked?

"Not really. I'm just having a little fun. Most of the people who know that I'm doing this think it's cool 'cause I'm usually reserved when it comes to sexual stuff. I'm definitely not a slut! I've only been with, like, two guys. I'm picky about who I have sex with and I don't really talk about it with anyone. But once I'm comfortable with someone I really show them my wild side."

Tell us more about your wild side.

"Most people don't know I have one 'cause I'm pretty shy. But I have urges and desires, too. So when I get behind closed doors I turn into a beast. I moan and scream and scratch and grind. I like to get my hair pulled while I'm getting fucked doggie-style. And I like it when a guy is a little rough with me and shows me who is boss. It makes me want to act even more wild so he'll fuck me until I'm so tired I can barely move. The guys I have been with said I really turn them on 'cause I'm sweet and polite in my regular life but I'm a total freak in bed. Don't let my sweet appearance fool you, I'm one horny girl!"

Do you like to suck dick?

"Well, yeah. There's just something about it that turns me on. I think part of it is hearing the guy moan and get turned on by my blow job skills. When I taste that little bit of precum I know I'm doing a good job and that's when I ram his dick way down my throat. After that it's usually not long till he busts a load all over my face and tits."

KELLY

Sweetie Pie

Welcome, Kelly. You're pretty pasty. Do guys like it or do they find it a turn-off?

"Some guys like it, some don't. Obviously I go for the ones who like my look. Anyway, I like my dark hair and pale skin, and that's all that matters. Plus, you know what they say about girls with pale skin. They have nice, pink pussies. I know I do. On top of that I've been told it tastes sweet, too. That's why I'm wearing these undies. An ex-boyfriend bought them for me 'cause he said I had a sweet pie. Get it? It was nice of him, but he couldn't eat pussy so I had to dump him."

The Carnal-Val

Continued from page 30

After an hour-plus of rides, after corn dogs and candy apples and a few other things that made him think about her sweet, hot mouth, after casual talk and flirting and laughter and holding hands, Kevin knew the time was right.

The foursome went to the Ferris wheel. His buddy, Carl, was happy to oblige them as they chose their carriages. Laurie and Tony took a light-blue chariot and headed skyward.

"Oh, can we take that one?" said Kerry eagerly as a pink one shuttled into view.

Kevin smirked. She was so girly, a young woman at 19 but still so much of a teenager in her. She snuggled up against him, both her arms wrapped around one of his, and gazed up with those wide, topaz-colored eyes.

"Anything you want," he whispered down at her.

As he helped Kerry into the pendulous carriage, he shared a mischievous look with Carl. "Feel free to take a break for awhile, buddy."

"It's yours for as long as you want it," said Carl, winking.

And they were off into the night. Halfway there, he made his move and by the time they made it back 'round to Carl's deserted post, the make-out session was well underway.

Her lips were as warm and soft as he'd imagined since their meeting, her tongue, at first tentative and curious, soon grew bolder, mingling eagerly with his, teasing his lips, his ear, his neck. His cock was as hard as it had ever been, but he bided his time, giving her back all the attention she wanted and deserved, enjoying every breath that escaped her mouth into his ear as he sucked gently at the junction of her throat and shoulder. His hands slid under her jacket and over her thin top to cover the tiny rise of her tit and gently pinch the stiff nipple straining the material.

"Mmm," he murmured against her ear, feeling her body pressing up

against his, "Can I kiss them?"

"Yes," she said.

And his hands eased her shirt up just enough to look at them, beautiful and perky, the nips a lovely purplish color against her warm skin tone. He held one, keeping it warm in the breeze of the high altitude, and lowered his lips to the other, feeling each crinkle and bump in the flesh, loving how they responded—how she responded—when his hot mouth closed over them, sucking them stiffer, pointier. He tested the waters and bit gently, encouraged by the way she pressed her chest against him.

Gliding his tongue up over her chest, he

She kept her eyes closed as his hands teased her crotch, tracing squiggles and circles over the soft, thin material that separated his thick fingers from her succulent, quivering quim.

drew her shirt back down and kissed her, leaving the other hand beneath her clothes to tweak and massage her tiny breast, loving the way she purred and cooed under his touch.

His hand dropped to her knee, still covered by the soft chocolate-colored folds of her long skirt. She kissed him harder, sucking on his tongue. He forgot her knee for a moment and imagined that mouth, again, around the log in his Levi's.

"Go ahead," she whispered against his mouth, kissing him hard. "Touch it," she said. "This is just wild, and I don't even really know you, but I want you to touch me..." She giggled shyly, glancing downward. "There."

"Are you sure?" he said. "You know we've got all night."

She smiled and kissed him again, her hands roaming up under his jersey, feeling his pecs, his nipples, his shoulders. She seemed to really, really like what he had to offer. "I know we do..." she said, a trace of naughty creeping into her innocent voice. He

had to admit it: It was hot. "...and I still haven't ridden all the rides."

They smiled at one another and as they kissed, his hand slid up that lean thigh, slowly tracing curves as it inched up toward her panties. He glanced down at her trembling thighs to see what she had on. Bubblegum-pink cotton. It was simple, comfortable, girlish and stretched over the curving mound of her young, sweet pussy—unbelievably sexy.

He stroked her there, taking his time, watching her face. She kept her eyes closed as his hands teased her crotch, tracing squiggles and circles over the soft, thin material that separated his thick fingers from her succulent, quivering quim. Her hips pressed upward ever so slightly and he took the cue, holding her body with one strong arm and kissing her while the fingers of his right hand slid under the panel of her panties. She shivered as the cool, night breeze hit the wetness emanating from her swollen crease.

Fingers lathered up with her honey, he eased two of them up inside her with little resistance, her thighs parted to allow him access and he penetrated her tight, slick confines slowly, confidently, using his thumb to find that tiny bud that would really get the party started.

She moaned hotly against his mouth, her breath getting shorter, heavier as her excitement increased, as his fingers worked her insides, sliding in and out and in and out, his thumb teasing her clit and making it fatter, stiffer. It felt like a small, ripe blueberry beneath his touch and each time he turned a gentle arc on its surface, her hips would come off the hard seat, pushing against his fingers and driving them deeper inside her special pink place, all in rhythm with the Ferris wheel's chariot as it swung gently in the wind.

He imagined his cock in there, going deeper until it slid inside her pussy to the hilt, concentrating as her insides gripped his fingers tightly, marveling at her muscle control, feeling her orgasm build, finger-fucking

Heya, Rikki. What are you up to?

"This might sound kind of weird, but I'm trying to get my boobs to grow bigger. I mean, they're already pretty big. But I still want them to get bigger, so I'm trying to eat more. The first place I gain weight is in my boobs, so hopefully I'll be a DD-cup soon! Then I'll have the biggest tits in my whole school, with the exception of my English teacher. She has big, fake ones, but I think mine are nicer and softer. Sometimes guys will even ask me if mine are fake 'cause they don't believe I can have a chest this size at my age. I guess I'm just lucky!"

So how do you prove to these guys that your boobs are real?

"Usually I don't try to convince them, unless it's a guy I like. Then I'll tell him to meet me behind the library after school so I can prove that my tits are real. When we're finally alone I let him slip his hands up my shirt and under my bra so he can squeeze my boobs. My nipples always get hard when that happens! Then there's no doubt in his mind that my chest is real! But to get back at him I'll say that I heard he has a small cock and I want to know if it's true. So I'll stick my hand down his pants and start rubbing his tool till it gets all hard in my hand. If his dick is big, I'll suck him off real slow and sloppy until he cums all over my tits."

Do you end up fucking?

"Every time! After getting my melons massaged and tasting cum I need to get my pussy filled. So I'll drop my pants, spread my legs and face the wall so he can do me from behind while I go crazy rubbing my clit."

When it comes to getting what they want,
there's no group better equipped than...

Seductive Girls

By Joe Monks

They can be as cunning as they are cute. As deceptive as they are doe-eyed. As unscrupulous as they are underdeveloped. I'm talking teenagers who know what they want, and know how to get it. They're the girls who break the rules and get away with it.

Always fascinated by these sly and salacious teens, I went out and interviewed a slew

of these temptresses to get their side of the story. What follows are their tales of seduction and satisfaction.

AN F FOR AN F

Amy's story isn't unfamiliar. During her first semester at college, boy-chasing and partying had her on the verge of failing American Literature 101. This was something Amy couldn't allow to happen. Both irresistible and manipulative, she had coaxed her father into letting her go away to college, and she didn't even want to think of what would happen if she flunked. But Amy had a knack for getting her way. Barely 5' tall, with long, dark hair and caramel-colored skin, she could wrap men around her little finger. So, when she decided to have a private meeting with her professor, she had a game plan in mind.

"I knew that professor Carlin was

divorced, and had a rep for putting in long hours. I didn't think he could be getting much if he spent all day and night in his office. Professor Carlin ain't bad looking for an old dude, either. He's like 50, but he's in pretty good shape. So, when I went to see him, I was prepared to do *anything* to pass.

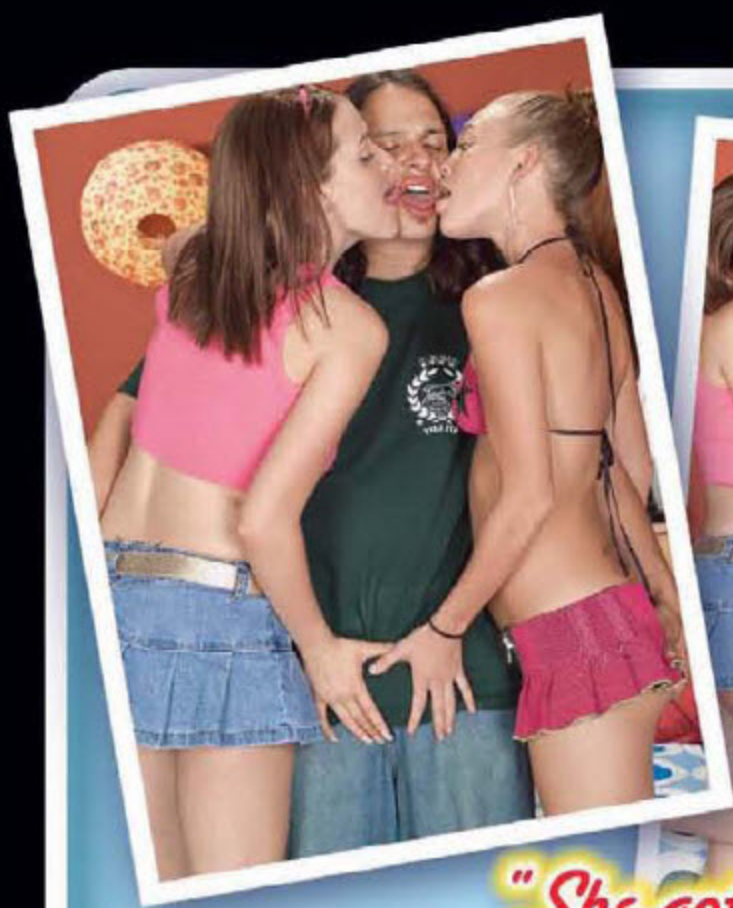

"I don't have big tits, but my nipples tend to get really

hard when I'm excited or upset, so I knew if professor Carlin started

XXX

"My lips spread around his fat cockhead and I just had to grab a hold of his desk to keep from toppling over."

YUMMI!

hands start feeling me up. His hard-on was pressing into my bottom, and I knew I'd been right. He hadn't gotten any in a long time. While he groped and played with my titties, squeezing and rubbing my nips, I undid his pants and pulled out his big, fat cock.

"Professor Carlin was a pretty big guy, and I made him rub the tip of his thingie against my honeyhole for a few before I let him put it inside me. When he did push it in, my lips spread around his fat cockhead and I just had to grab a hold of his

saying stuff I didn't like, they'd poke through my shirt and he'd just have to look at 'em."

When Amy got to his office, she made sure to shut the door behind her, and sat in the chair closest to his desk. He could tell how upset she was, and it was obvious he felt guilty for failing her. When he started talking about her last grade (a 58), he told her he didn't see any way she could pass. Amy was scared, not knowing if her little plan would work. She could feel her titties go hot and her nips start puffing up, and the professor started losing his train of thought.

"I got up and came around his desk, wanting to see his grade book. Boy, did that get him flustered. I bent over and ran my finger down my grades. He was right, of course. They were awful, but I didn't care. I wanted to stick my butt in his face and let him see the tightest pair of white, cotton undies I owned. I knew that my butt-cheeks were hanging out, since my skirt was so mini. When I had given him enough of a show, I turned around and pouted. Guys hate it when girls pout, especially if they think we might cry.

"They're not all so bad,' I told him, batting my eyelashes and staring at him with my big, brown eyes."

"Well, not every one, but..."

"She got on her knees and put her lips against the tip of Cyle's dick. She closed her eyes, opened her mouth..."

"Isn't there anything we can do?" I asked, sliding over, my ass pressed against the desk. Now, I was standing between his legs. The bulge in his pants was getting bigger by the second."

"Er, we?"

"I let my skirt slip down my legs and the professor's eyes totally bugged out. I pressed one finger to my pussy lips, and I was so wet that you could hear squishy sounds as I rubbed and played with it.

"Well, that was it. Professor Carlin got up and practically tore my undies off. I turned around, and put my arms up over my head. He took off my top, and I felt his

desk to keep from toppling over. My boobies were pressed into the grade book and professor Carlin began fucking me doggie-style."

How did Amy feel about fucking a man more than three times her age?

"Professor Carlin might have been 50, but he sure knew how to fuck! When he got going, he drove into me hard, then pulled out slow before ramming back into me like he was beating a drum. His cock was thick and veiny, and I thought, even if I did fail, it was worth the try!"

By this point Amy's pussy was dripping everywhere, and she could feel the wet spot on his desk growing. Class papers were getting soaked with pussy juice. Professor Carlin drilled away and Amy started to cum, her butt so high up in the air that professor Carlin was lifting her off her feet every time he stuffed his penis into her.

"He knew better than to cum in me, so professor

Carlin grabbed my ass and pulled out, pressing his cock between my butt-cheeks. I could feel his balls pinned in my butt-crack. Then, I felt his stuff start squirting out, landing on my back like hot, summer rain. Only, this rain was thick and gooey. It left my pussy throbbing with that post-fuck feeling.

"Professor Carlin used a hankie to wipe his jizz off my back. I looked back at him, like I'd been doing just before he shot his load on me, smiling as he cleaned me up. When he was finished, I pressed back into him, my thighs hitting his chair. Professor Carlin put his hands on my ass, spread my cheeks, and gave my pussy a soft, wet kiss. After I had pulled my clothes on, he handed me a

one of her pigtails. "I thought she was hot. She might've been a cop, but she had great boobs and nice legs. She wasn't much taller than me, but she looked scary, with her badge and nightstick. I was so scared I nearly wet myself when she pulled me over and told me to get out of the car."

"You just got this today?" she asked me. She was holding up my temporary license. I was so jittery that I just nodded. "Don't you think you should wait a little more than eight hours before you start speeding?" I gulped. More nods. I wasn't sure how I could get out of this. I mean, yeah, if it was some cute guy, I could try sticking out my chest and biting my lip and begging. But with a woman?"

"I parted her lips, and then pressed mine to the warm bump of her clit. She did nothing to stop me. I started to lick it, then to suck on it..."

pencil, and told me that he'd be, 'indisposed' for a few minutes. Then he winked and left me there.

"All our grades in the book were written in pencil. I made a few changes and got out of there! Now Daddy isn't worried about my grades one bit!"

COP STOP

Jill was terrified. Her first night out with her new driver's license, and she was stopped for speeding. But on an out-of-the-way country road, she found out that her feminine wiles aren't only effective on men.

"First off," said Jill, playing with

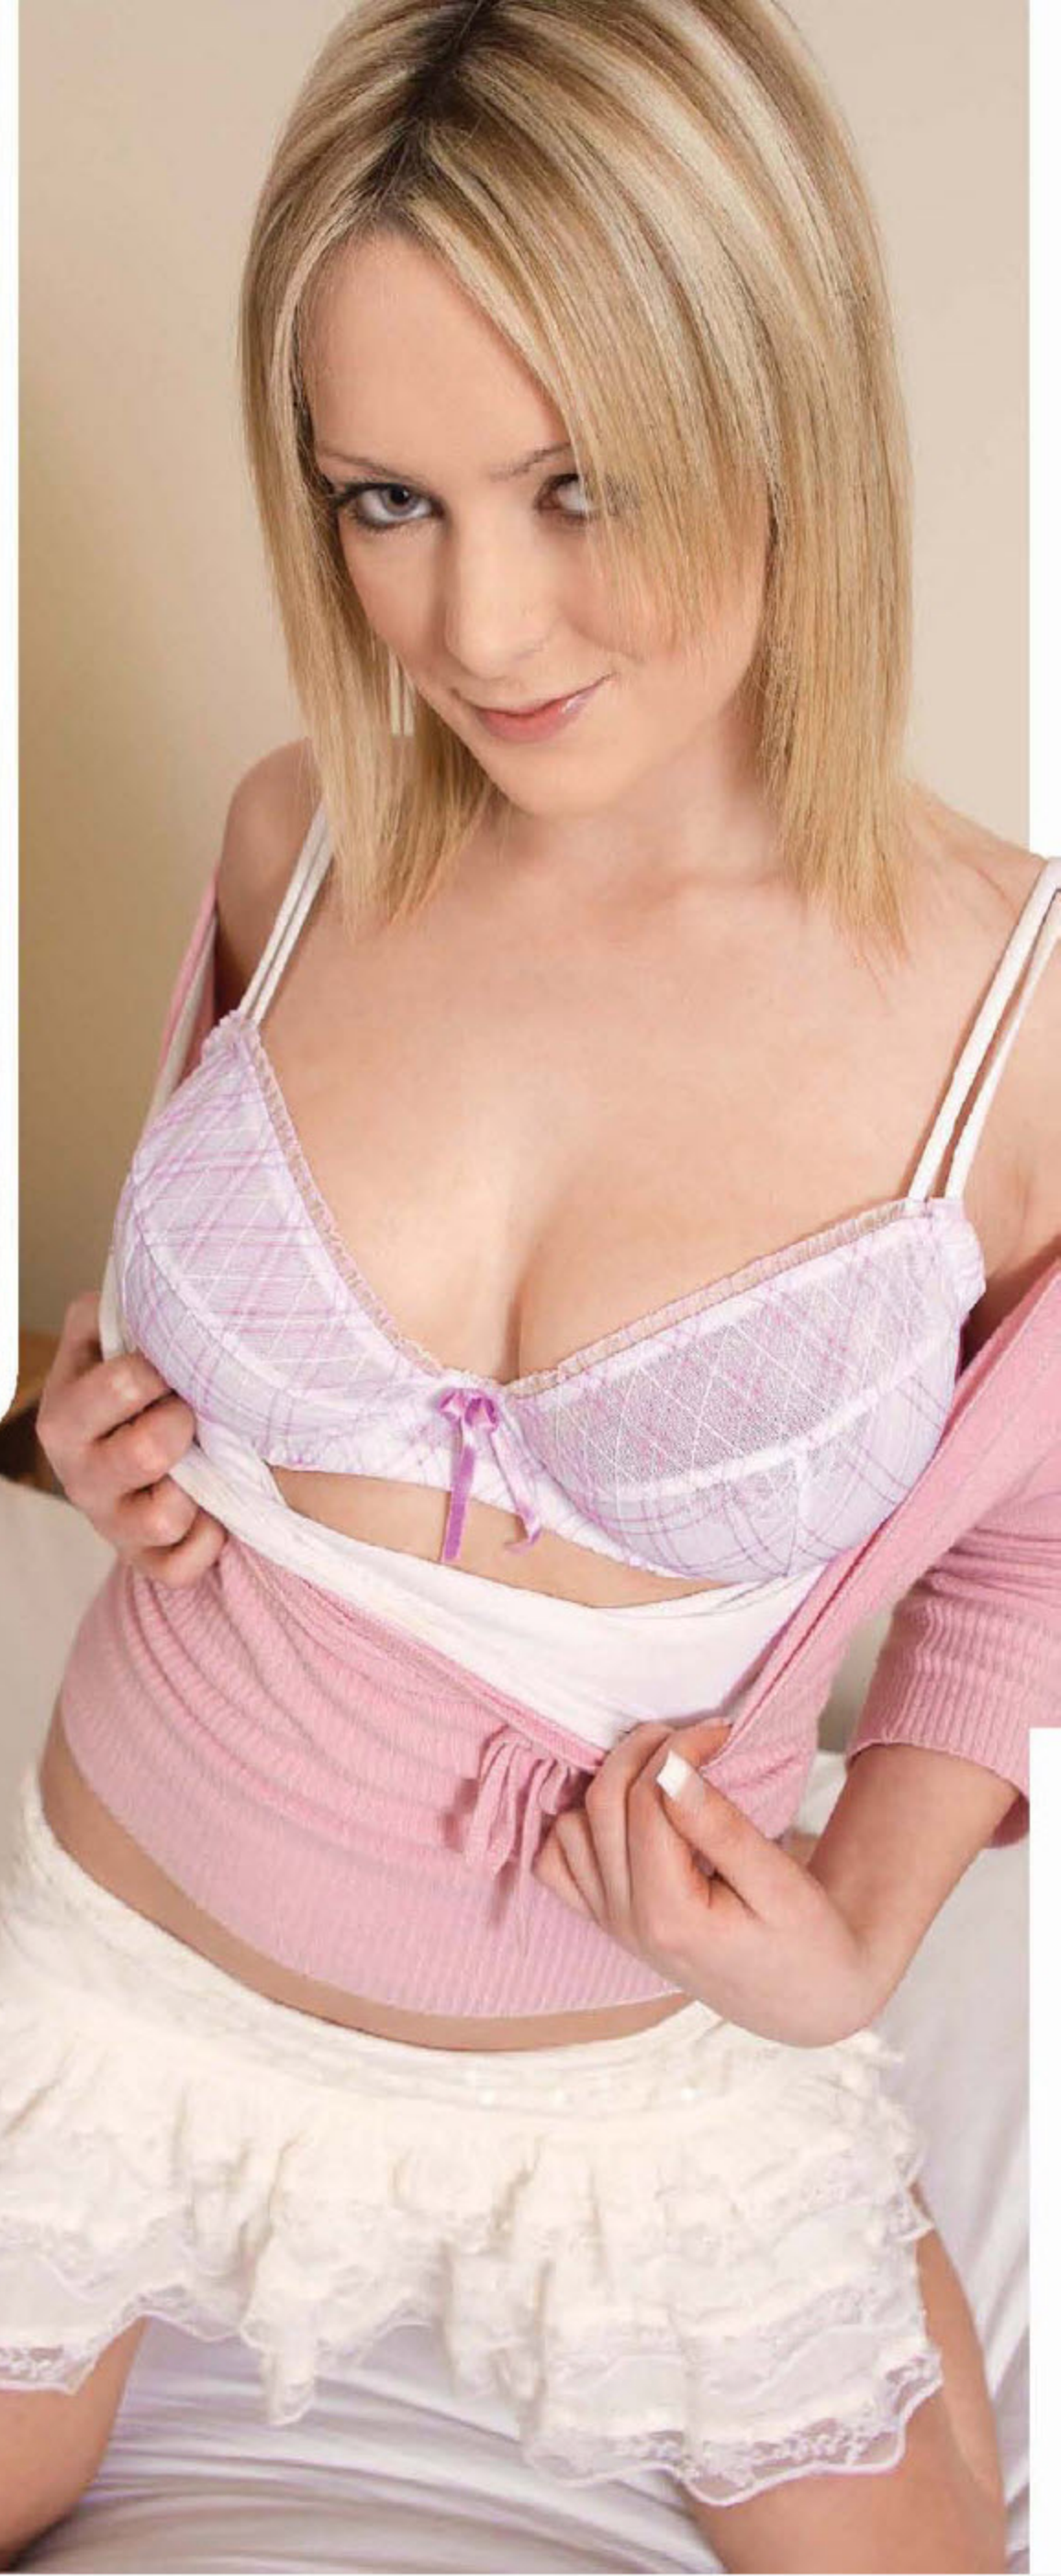

"I parted her lips, and then pressed mine to the warm bump of her clit. She did nothing to stop me. I started to lick it, then to suck on it..."

The police officer told her to get out of the car. She asked Jill if she had been drinking. Asked her if she had been smoking pot. Jill kept telling her no, that she just forgot to look down. She hadn't kept her eye on the speedometer while she was driving.

"Is it that hard to look down?" the woman cop asked.

Jill looked down at her thick, black nightstick, and stared at her belt for a few moments before answering.

JESSICA

Bang My Hangers!

Welcome, Jessica. Guys must love your big tits.

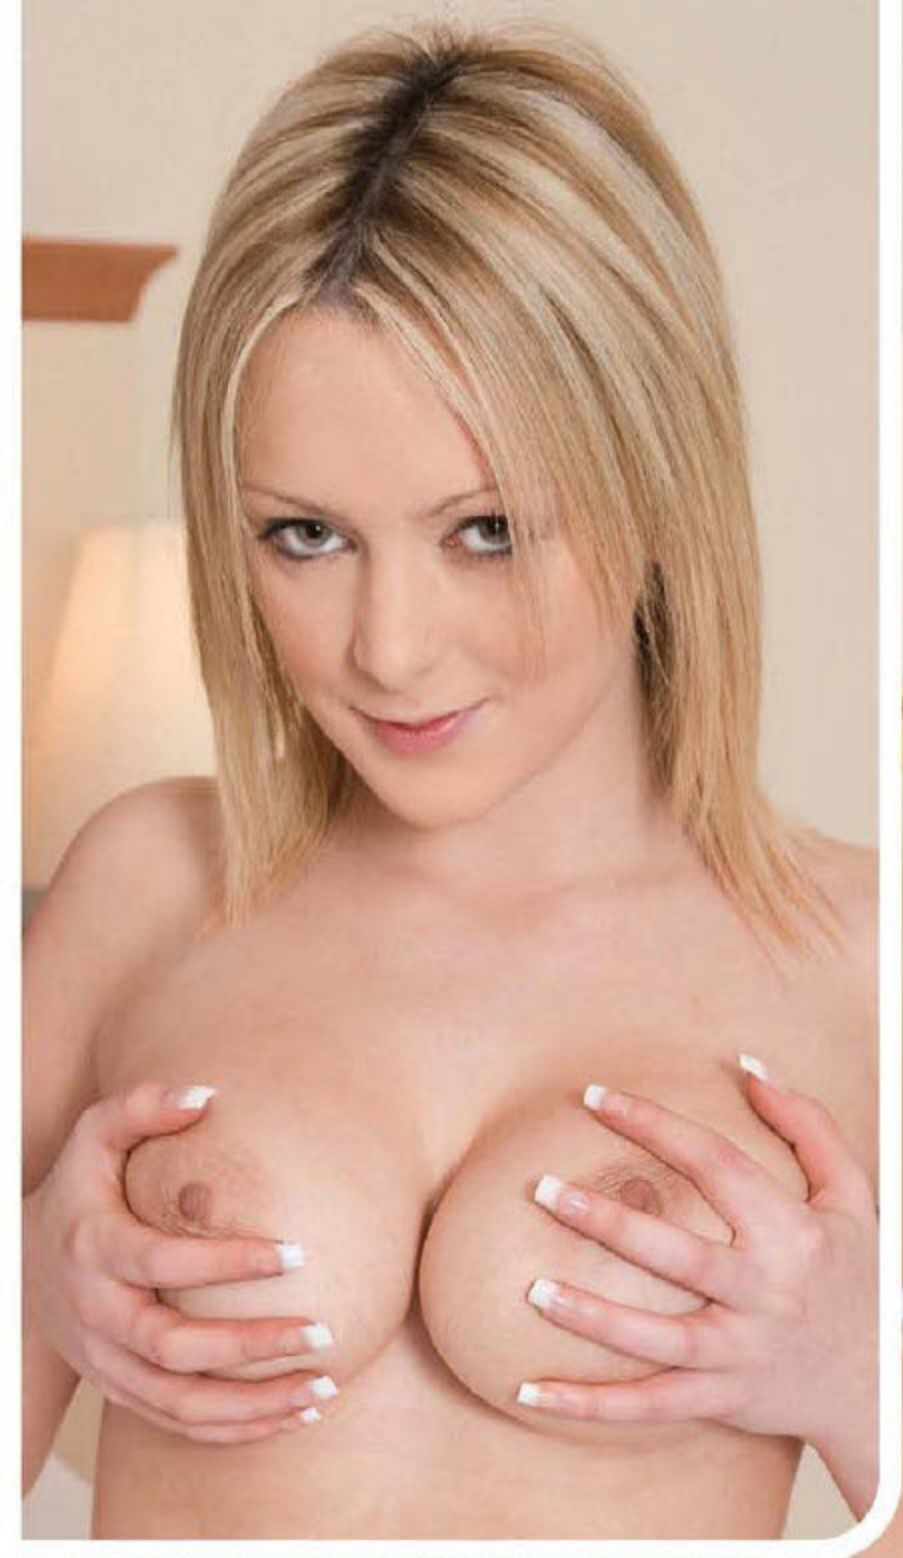

“What guy doesn’t love big boobs? I developed early so my tits have been getting a lot of attention for a while now. Sometimes I think the guys I fuck don’t even know what my face looks like! But who needs a face when you’ve got a rack like this? My boobs are really sensitive and I get super turned on when a guy rubs them and sucks on my nipples. I’d say they’re my best feature and I love to show them off in tight, low-cut shirts. They’re like cock magnets!”

Do you let guys titty-fuck you?

"Yeah. I do that with every guy. They'll spit all over my tits then slip their cock between them and start pumping away while I lick the head. Sometimes they even cum all over my face. I love that. It's so nasty. But the guy better be able to get it up again 'cause I want my pussy to get fucked, too. But usually after I suck their dick for a bit they're ready to go again."

HEIGHT: 5'5"

WEIGHT: 112 lbs.

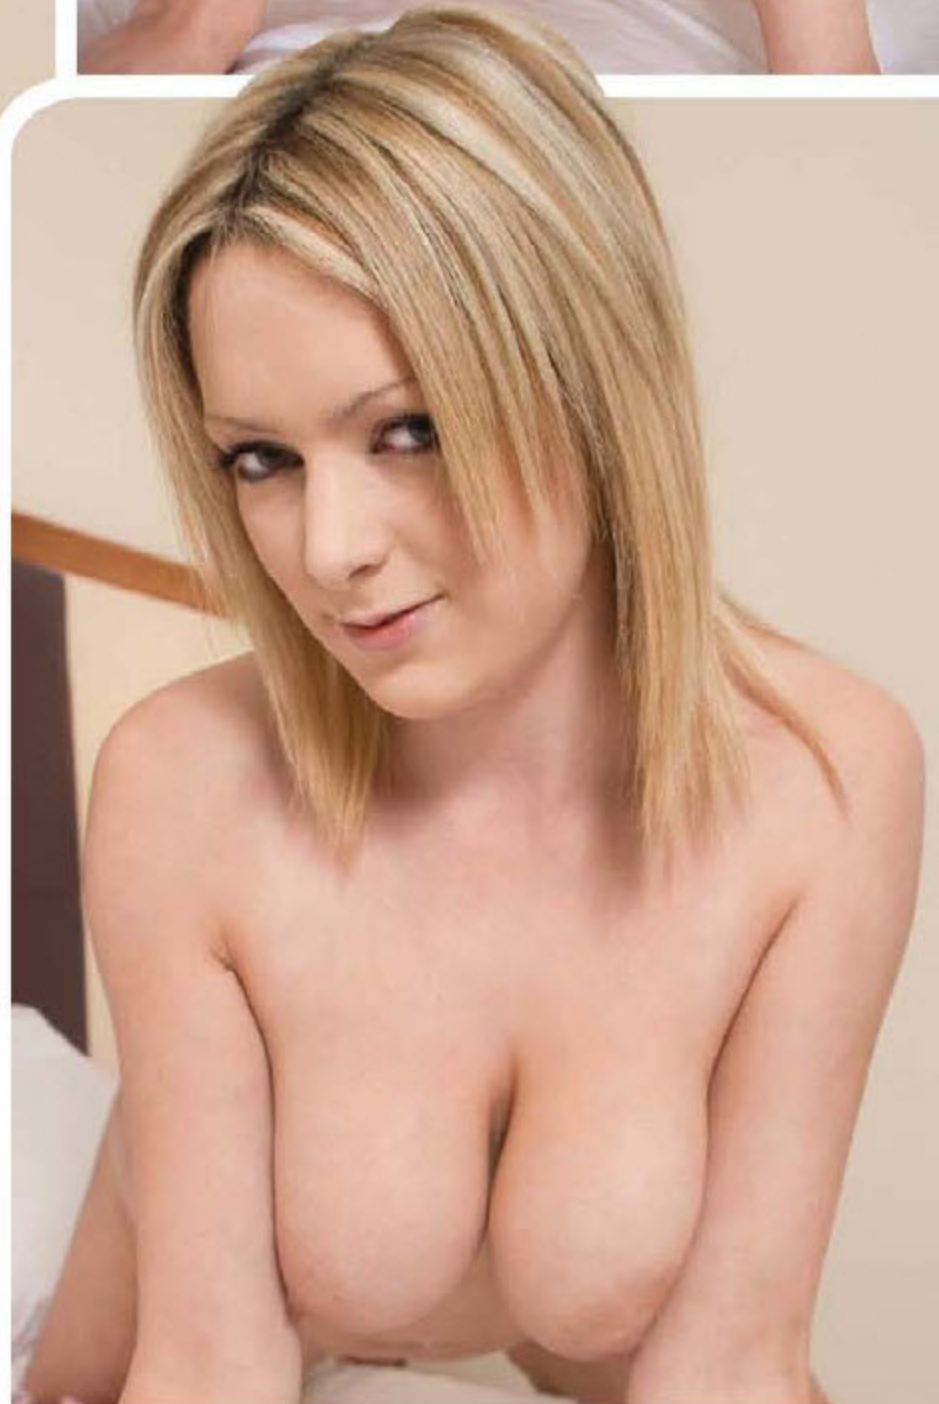

BRA SIZE: 34D

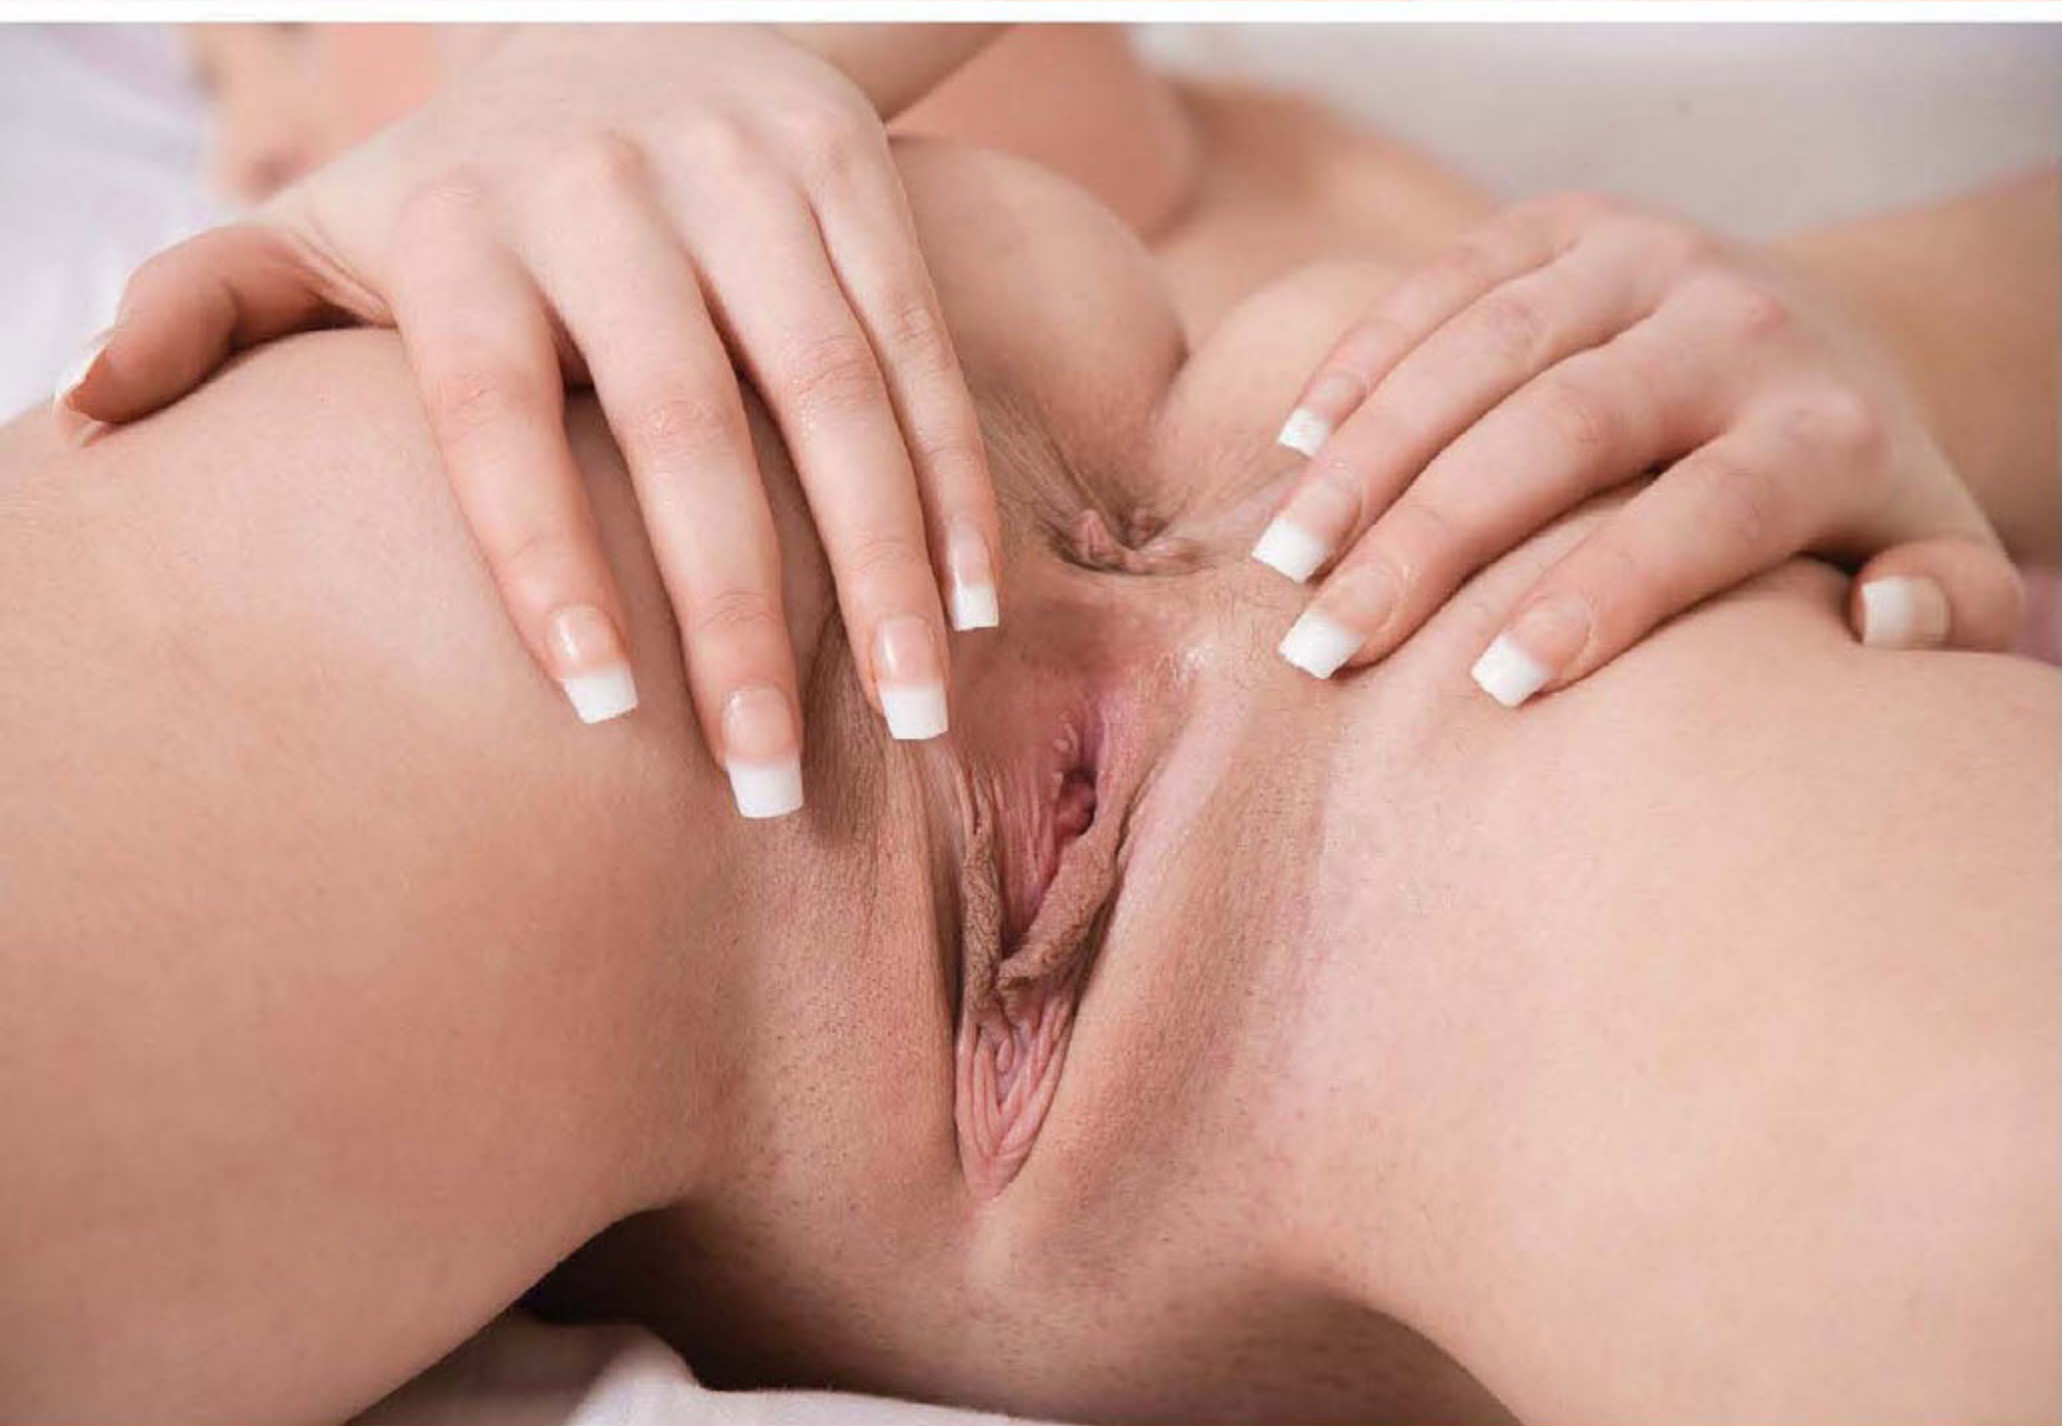

BORN: June 3

LIVES: United Kingdom

Do your blowies feel as good as your tit-jobs?

"Pretty much. But I think guys like cumming by fucking me best, 'cause my twat is really snug and juicy. All day I do these exercises where I squeeze my pussy walls and that keeps it really tight and fuckable."

Wow! We've never heard of a girl who works out her pussy.

"Yeah, I read about it in a magazine. It said if you want to increase your sexual pleasure you should do those exercises. I'd do some exercises for my boobs, but they're already so awesome I don't think I really need to. What do you think?"

"It's not so tough looking down now," I told her. I think that really surprised her. She saw me staring at her nightstick, and took it off her belt."

"This got your attention?" she asked. Of course it had. It looked like a big sex toy, all black and shiny and with this rounded tip. Like a big cock. I wondered if she used it to maybe do stuff to herself when she was on break, or when she was parked behind a sign waiting for speeders."

Jill touched the nightstick with her fingertip. The cop narrowed her eyes at the speeding teenager, but not to be mean. Jill, sensing the woman softening, started playing shy and biting her lip, saying how sorry she was. But the thing that really got her was when Jill told her she thought it was cool how a girl could be a cop and still be sexy. When she said that she made sure to stroke the shaft of the nightstick.

"Before she could go back into mean-mode, I looked both ways, made sure that nobody could see what I was doing, and dropped to my knees. Just like my boyfriend likes me to do, I looked up into the cop's surprised face while I unzipped her pants and pulled them open. When I do this to Tommy, I can get him to do just about anything, even watch chick flicks. His cock flops out, I suck him off and let him cum in my mouth. Then he's into just about anything.

"When I got her pants open, I saw a sexy garter belt holding up her stockings, and a shimmery pair of hot, black satin panties covering her sweet spot. I worked her pants down and pulled aside the panties.

"She had a tan, freshly-shaven mound and her pink lips stood out like headlights were flashing across them. I parted her lips, and then pressed mine to the warm bump of her clit. She did nothing to stop me. I started to lick it, then to suck on it, pulling it between my lips and squeezing them tight around the sensitive nub. The more furiously I sucked on her clit, the harder she ground her hips into my face, eventually grabbing my pigtailed and holding my mouth tight against her snatch.

ANAYA
Yogi Bare

Welcome back, Anaya. Are you exercising 'cause you gained weight from eating all those sweets back in June '08?

"Yeah, I gained a little weight. But then I started watching what I was eating and practicing yoga and I went back down to my normal weight. My boyfriend said if I got fat that he would break up with me. That kind of pissed me off so I broke up with him. My yoga instructor told me he'd like me no matter how I looked, so I ended up hooking up with him. Now when we fuck he shows me all these crazy poses."

"She dropped the nightstick and made me take off my clothes so that I was kneeling there, naked."

No cars had passed, so the cop unbuttoned her top and Jill could see her big tits straining against her sports bra. The teen figured having big boobies was a negative among fellow cops, and it was clear the bra the officer stuffed them into was meant to conceal them as best she could.

"But when she popped the front clasp and they came into view, they were something to see! I have bigger titties than most of my schoolmates, but this woman had the kind of boobs you saw in dirty magazines.

"She told me what she wanted, and I was happy to do it. First, I sucked the tip of the nightstick, like I was giving it a blowie. Then, she wanted me to stick it up her pussy. Boy, did she squirm when I started moving it in and out of her slit. While I was fucking her with it, I was also fingering myself. The cop was playing with her titties, breathing harder the faster I did her with the nightstick.

"That's it. Make me cum again," she ordered. So I did. I held her lips apart and she leaned back against her patrol car and I fucked her with the big, black stick like it was real. When she came, she bent forward, putting her hands on my shoulders."

"Now you," the cop said, pointing between Jill's legs. She slowly slid the sticky nightstick out of the officer, and began to rub it against herself, getting more and more horny while the woman watched her. Finally, Jill spread her knees as far as they would go, and leaned back, slipping the cum-soaked monster in her twat.

"While I rode the head of the baton, she diddled her twat, frequently licking the juices off her fingers. When I started to moan, and told her I was going to cum, she sank to her knees and took over, ramming the head of the stick into me, making me groan and shake, until I orgasmed, too.

"I better not see you speeding on this section of road any more," she warned, handing back my license. 'Unless it's late on Friday nights. That's when I'm assigned here.' I

2-FOR-1 SPECIAL

When Tammy and Noelle spoke to me, they had more than just sex appeal to help them reach their goals.

"We have each other," Noelle giggled. "What guy can resist two girls?"

"Especially horny ones," added Tammy. "And we're always horny!"

"Once, we were riding around, and it was getting close to midnight. We decided, why not get a couple of videos, right? Well, there's one store in town that rents XXX-rated flicks, and even though you have to be 21 to rent them, we thought we could if we tried. So we get to the store, and who's working there, alone, but Lyle."

"Lyle," Tammy interjected, "is the class nerd. I don't think he's ever dated. He's not bad looking, but let me put it this way—the last time he saw any pussy was at birth."

Ouch. So how did the girls fare in terms of XXX-rated entertainment?

"Much better than either of us expected!" said Noelle. "Lyle was already locking up, but we begged and finally he let us in, giving us five minutes to find what we wanted. He locked the door, shut off the lights out front and went back to his register."

Lyle was busy stacking tapes in baskets to return them to the shelves. Noelle and Tammy waited until he wasn't looking to sneak into the XXX-rated section. Lyle could hear the girls laughing, reading out the titles, but he didn't kick them out. The girls figured he was secretly happy to have them there. When he let them in, it was all too obvious that he was staring at Noelle's chest, and checking out their asses when they passed him. Both girls admitted they were wearing shorts that weren't loose-fitting.

"Tammy had on Daisy Dukes," revealed Noelle, "Girls who work at Hooters wear shorts that cover more!"

"Anyway," Tammy continued, "We picked some DVDs, and took them up to the register. Lyle turned red as a beet when he saw them. On the cover of one box, this girl who doesn't look any older than we do is down on all fours, taking it from behind while she's blowing a guy with a huge cock!"

"You can't rent these. You're not

old enough.' he said. But I told him if we're old enough to do it, we're old enough to watch it. Boy, did that one rock his world. He was about to tell us again that he wouldn't ring us up, when Noe grabbed the little checkout gun, scanned the case and started to run past the register, leaving me to pay. Well, before she could squeak past Lyle, he put his arm out to stop her. I figured, why pay? Lyle can always credit off the charge tomorrow when we bring back the movies. So I tried to run out, too."

"Only, Lyle's stronger than he looks," said Noelle. She hit his arm and bounced back. Her and Tammy wound up crashing into him, all three of them falling on each other behind the register. Sure enough, Noelle ended up right on top of Lyle, with her boobs in his face and him trying to hold on to her so she wouldn't get hurt going down.

"When Noe got up, I was laughing so hard I didn't even realize she had gone quiet, and Lyle was stiff as a board. When I caught my breath, Noelle was pointing down, and her mouth was hanging open. I was like, what is it? And then I saw it.

"It was the biggest prick I had ever seen, and just the outline of Lyle's boner was enough to get me excited. Geek or not, Lyle was definitely hung!

"I said, 'Hey Lyle, you're not gonna narc on us about the DVDs, are you?' But I didn't wait for him to answer. I put my hand on his chest and started unbuttoning his shirt. He just stared at us, frozen there like a block of ice. When Noe went for his pants, I thought he might scream!"

"He didn't," Noelle assured us. "When I undid his pants and took out his cock, I think we could've emptied the register and he still wouldn't have told anybody who did it."

Tammy went first. She got on her knees and put her lips against the tip of Lyle's dick. She closed her eyes, opened her mouth and Noelle put her hand on the back of Tammy's head and guided her down. The girls knew Lyle wasn't going to get aggressive, so Noelle took charge and made Tammy suck his oozing cock.

"Pretty soon, I was almost deep-throating him, and all without Noe pushing my head down! But I just couldn't work that last half inch or so down my throat. The next thing I

Jack up your jerking style with these GREAT JIZ-MOS hand-tested by the guys at SCORE!

We studied and analyzed what the best companies were manufacturing. We chose the Jack-Aids on this page because we want you to have the very best!

The Saturday Night Special Pussy and Ass

Use it for a jack-a-thon and fuck the pussy and then the ass. You won't have to listen to some chick whine, "Don't stick it in my pussy after it's been in my asshole!" Your toughest decision will be when to cum! Made out of lifelike CyberSkin. (TC108)

Act now while supplies last!

The Sex Grenade Male Masturbator

The tight, ribbed energy sleeve pulsates with power that you command with the remote control. This will make your cock feel like it can drill through concrete. Watch Cindy jack you P.O.V. style in the DVD Tits 'N' Tugs while you use the Grenade! (CE107)

"Put your cock in the Sex Grenade and think about me!"
- Cindy Cupps

The Man Wand

The rounded crook at the base massages your nuts as the longer, curved and bumpy end massages your prostate area. You won't believe the sensations you feel. Unlike any other jackin' tool we've tried. The remote allows you to control the vibes if you want to keep from busting your nut too fast. (DJ113)

Screaming O

This handy, little item is a latex cock ring with a powerful mini-vibrator attached. When you fuck your babe, the mini-vibe will thrill her clitoral zone and your cock at the same time. The built-in battery lasts up to 30 minutes. An on-off switch on the vibrator makes operating it a snap. Both your boner and your babe will have a great time! (SO100)

Senso Venus

Made from a jelly-like material called Senso that feels smooth, stretchy and—dare we say it?—better than most real pussies. A ribbed inner lining and a row of beads heightens the intense pleasure on every in-and-out stroke as you pump your cock in the Venus. It's only 5.5 inches and fits in the palm of your hand for easy usage. (CE108)

Wet Oil Lube

An oil-based Wet lubricant that lasts longer than any water-based lube on the market. It's made with pure mineral oil and Vitamin E for a slippery feel that's also healthy for your skin. It washes away easily with soap and water. It also makes an excellent massage oil. Not intended for use with latex condoms or latex novelties. 2.7oz (WET108) 3.8oz (WET109)

know, Noe was naked and her pussy was as wet as I was making Lyle's dick, and I knew she couldn't wait, she needed some cock—and fast!"

"I thought that Tammy might finish Lyle off before I could feel him inside me," said Noelle, "But Lyle had some staying power. I think he was too scared to cum. But at least now he was making eye contact, and I thought he looked kind of cute with his glasses off and his shirt open. Tammy got up and I assumed the position—on Lyle's cock—and started fucking him.

"I wanted to share the ride with Tams, but I just couldn't stop. So I grabbed Lyle's hand and thrust it between Tammy's legs. Lyle split Tammy wide with two fingers and started in on her clitty with his thumb. Oh man, the whole area behind the counter smelled like sex! I pulled Tammy over and started French kissing her while Lyle fucked us, me with his cock and Tams with his fingers. That was it. I started cumming, and felt Tammy starting to lose it, too."

"Lyle hit spots up inside me that I can only touch with my vibrator, added Tammy. "Whenever he found one, he worked it, making me wetter and wetter. I was leaving a stain on the carpet, but didn't care. Lyle was about to get me off! When I didn't think any more syrup could possibly ooze out of me, Lyle pinched my clit and thrust his middle finger deep into me, causing me to gush goo into his palm. I fell on top of him, my face buried in his neck, nibbling and giving him a hickey. Lyle's wet palm ground into me, and while I was shaking, his back arched and he shot his creamy load."

"By then, I was off him, but he still took me by surprise. I was stroking his shaft, and this white bullet shot past my face, and I realized it was a stream of cum, and then it was landing on my face and tits, and I started jacking him off for all I'm worth. Cum landed on Tammy's back, on Lyle's chest and belly, some of it was dripping off my cheek and I could taste it on my lips—jizz was everywhere!"

So, girls, does the story have a happy ending?

"Heck yeah!" yelled Tammy. "Not only do we have access to all the porno movies we want...but guess who brings them over and watches them with us?"

CALISYN

Busty 'N Lusty

Damn, look at those tits! You must get a lot of dates.

"I pretty much get whatever I want. I could date any guy my age, but I'm more interested in my teachers! Let me put it this way: I didn't get good grades in high school 'cause I was a good student! It's amazing what a low-cut shirt and a blow job will do for a girl. I was so close to failing this one class, so I really had to work my magic on the teacher. But luckily he was a man, and men are easy. Especially when it comes to a pair of tatas in their face. I titty-fucked him and sucked his dick and I left the class with a 3.8 average! It was fun, but I promised myself now that I'm in community college I'd earn my grades the right way—by studying and doing homework. It's not so hard, but the professors here are way hotter than my teachers back in high school. Maybe I'll end up fucking them just for fun!"

So are you keeping up with your studies?

"I'm actually doing good in my classes for once, but all I want to do is fail on purpose just so I can have an excuse to seduce one of my professors. I want him to be my *Papi*. That means Daddy in Spanish, but like, in a sexy way. You know, like when a girl is being spanked and she calls the guy Daddy and stuff. I would love it if he bent me over his lap and spanked my ass till I felt his boner. I'd take it out and suck it, but I don't know how long I could go before I just jumped on that dick and rode it. It makes my pussy wet just thinking about me straddling him and grinding my slit on his dick. I know, I'm such a naughty girl."

**Just show him

he'll be putty in

"Well, I've been wearing low-cut shirts a lot. I saw him adjusting his pants and I think I made him hard."

So what are you waiting for? Go for it!

"I will. And there's no way he could reject me. I'm planning to go to his office and flop out my tits and suck his cock. When I get ready to fuck him he won't be able to resist my wet pussy."

The Carnal-Val

Continued from page 42

her now-dripping mound at an easy, steady pace and taking a moment to watch his digits slide up inside her. He took in the sight of her swollen, pink button pulsating under the slick manipulation of his thumb.

Her hips arced upward one last time and her voice grew strained, "Oh, Kevin..." And she came, her pussy quivering and flexing and releasing, her juices coursing out over his fingers. He kept the motion going until the forcefulness of the orgasm subsided, then gently slid his fingers out of her shivering body. She smiled, enjoying the aftershocks, then surprised him by reaching for his hand.

She lay there looking like a dirty, little angel, skirt hiked up, panties to the side. The small, soft wisp of her brown muffin was exposed, its center curls dark and wet with sweet, sexy lovejuice. A sliver of the pink inside still visible (and looking good enough to eat, Kevin noted, his hard cock flexing inside those Levi's). She raised his hand to her lips and, eyes dark and sultry on his, began to lick and suck her own cream from his sticky fingers.

His cock stirred anew.

"Like you said," she told him, her tongue circling the tip of his middle finger, licking it clean, "We have all night. Maybe we can hit the Tunnel of Love now?"

He smiled. "I love wet rides."

She giggled. He called down to Carl that they were ready to go.

.....
Apparently, it seemed as they walked through the mostly deserted carnival to the Tunnel of Love ride, Tony and Laurie had been having quite a hot time on the Ferris wheel as well. They giggled, touched, kissed and joked on and off for the entire walk. Kevin and Kerry, meanwhile, just held hands, and stayed mostly quiet. Both were anticipating being alone in the quiet dark again, thinking about Act 2 in this steamy play they'd somehow both fallen into.

Kevin wondered what she might be thinking, but mostly couldn't get his mind off the image and sensation of

his fingers in that hot, sexy mouth of hers, the way her eyes locked onto his as her lips gently closed around him and pulled his fingers deeper with natural suction, the way she seemed to relish the taste of her own pussy.

And what a tight, pink paradise that was. So wet and silky, he was almost sorry he hadn't gotten a chance to get up close and personal, to get her tiny legs up over his shoulders, or spread apart as wide as they could go. He wanted to part those soft lips, to study every fold of her sugary, young trim and cleave the creamy sweetness out of every crevice, to fuck her with his tongue as he had with his fingers, to have her wetness ooze right out of her body and into his mouth as he sucked on that tender, sensitive little nubbin and made her cum again—even harder this time.

And speaking of hard, his cock was in overdrive. Thank God they'd reached their destination. Tony and Laurie were leaning against the rail, making out. They seemed well wrapped up in what they were doing, so Kerry and Kevin—hardly minding the idea of privacy—left them to their own dirty deeds and slipped inside the darkened ride.

As the door clicked shut, a black curtain fell. The darkness was inky-black. Kerry held his hand tightly, then curled around, easing his back against the wall. They kissed. His hands slid up her tank, covering those barely-there breasts, palms caressing those nipples once more into hard, pointed peaks. She eased his shirt up, knees bending, planting hot, wet kisses on the trail of hair in the center of his belly. She was going down.

As he positioned himself comfortably against the trailer's carpeted walls, Kerry, murmuring hotly into his navel, reached for his fly.

Hungry baby Kerry, at last, was on her knees before him there in the dark. He waited, balls tingling with anticipation, as she eased his jeans and boxers down over his long-imprisoned hard-on. It sprang free, the head tagging her in the nose with its eagerness to get inside that pretty, juicy mouth of hers.

She giggled. Her small, soft hands encircled him, examined his length, girth, rigidity. She sighed her approval and Kevin smiled in the darkness. Few sounds were sweeter.

With that, she took her first tentative tastes of his pole, lips tracing the engorged head.

"Mmmmm," she half-whispered, and Kevin felt her tongue, wide, soft and flat, lap the pearly drop of precum from the head of his stiffy with relish. "You taste so good, Baby," she said, her voice simultaneously high and girlish, but with a husky, womanly undertone that told him he was about to get it—and good.

"Must be all those funnel cakes," he joked, and she giggled, then surprised him by taking the full length of him down her gullet in one excruciatingly beautiful swallow. The bottom dropped out of his stomach, roller-coaster style. She really was a hungry baby, he thought, as she began working his meat in and out of her mouth—sucking, licking, kissing, slurping—the sounds alone were enough to ease him closer to spurting.

"Let there be light!" he breathed, easing one hand into her silky hair—just as he'd imagined earlier that evening—and cracking the light stick into action with the other. Kerry's beautiful, passion-stoked face, lips swollen from the hours of making out and minutes of hot, wet cock sucking, was bathed in a green-yellow luminescence. She didn't miss a trick, didn't even open her eyes at the stimulus, just smiled a little, teeth grazing his cock as she realized her talents were now part of a visual effects show. Forget about those singing chicks on TV, Kevin thought, here was the real *American Idol*.

Her tiny hands began to work the pole with all that slippery saliva, palms curling up over the head where her mouth left off and Kevin could feel his knees going weak. He was getting harder, closer to the edge and she absolutely felt it rising in him, going at him no harder, but just a little faster and more fluid, and that smile...it was about the sexiest thing he'd ever seen. Clearly, she was loving his cock as much—or close to it—as his cock was her.

Just as they both felt the beginning of the end (of Round 2, anyway), Kerry pulled back slightly, arching her back a little to show off those pointy, hardened nips, letting her tongue stick all the way out. She wanted him to watch her swallow his load. And that was just enough to

coax it the rest of the way out.

Kevin grunted as the creamy liquid shot forth, most landing squarely on Kerry's outstretched tongue, some even passing those straight, white teeth and disappearing inside her mouth. She jerked him and then at last allowed the moist cavern of her mouth to close over his piece, sucking the rest out with a fervor he'd seen earlier as she went to town on that tasty candy apple.

When it was over, she took the light stick and stood up, allowing him to get composure as she took in the inside of the ride. Arm outstretched Lady Liberty-style, she noted the arcing ribs of the Tunnel and the way the little boat-like cars sat in a line, waiting to head out into the canal.

Kevin, now semi-composed and dressed, finally spoke.

"Wow," he said, smiling. She turned to look at him.

"Wow, indeed," she said, stalking over to him, planting a hot kiss on his mouth. He could taste himself on her and incredibly, his dick was more than halfway back to full-blown erection before she broke it. "This place sort of looks..." she giggled, trailing off for a second, "...like the inside of a, you know."

The girl had just swallowed about everything in his balls, and now she was too shy to say the word "pussy." He had to chuckle a little. Then he threw another hook into the water.

"Yours?" he asked, playfully grabbing her around her small waist.

She grabbed the bait and swam, gorgeous little fish that she was. "Why don't you visit and find out?"

He led her halfway into the "tunnel," to the arc the Cupid-held scrolls called "Star-crossed Cavern" and sat her high up on the carpeted stairs hidden behind a giant red-painted heart. They were steep, and Kevin could stand-lean against them. He eased that skirt up over her knees and pressed her thighs apart gently, laying the light stick on the stair beneath the damp cotton of those panties, once more pulling the crotch aside and getting a gander at her tiny, pink flower.

Spreading her open with his thumbs he could see how shiny-slick her hole was. The blow job had clearly turned her on. Now he was happy to return the favor, delving his tongue in snake-like and ladling out her

essence, letting her scent linger in his nose, her feminine sweetness roll about on his tongue.

She shivered and purred and he went right for the button, taking it in his lips and sucking, flicking with his tongue. Now her hands were in his hair, pressing his face against her sugary cunny, grinding her hard clit into his soft, wet mouth, and breathing so heavy. He couldn't believe how fast she'd gotten here and then she was cumming, thighs pressing back against his ears, muff drowning him with her teenage honey as his lips and tongue kissed her little snatch until she pushed his head away.

Turning over and bracing herself on the stairs, she pulled the skirt up over her tiny, round bottom, pussy still flexing with the aftershocks of her orgasm and begged him, "Oh, Kevin, baby, just fuck me, please? Fuck my pussy good and hard?"

The nasty baby-talk startled him, but not enough to keep him from getting his cock out in less than 10 seconds and plunging it—to the hilt—into her quivering hole. The two pistoned against each other, both relishing the sensation of wet balls slapping against smooth vulva, his big hands holding her ass, nearly covering it completely it was so tiny.

"Cum for me, Baby," she squealed, "I'm cumming again, too!"

And with that, he pulled out, showering her rump with a cream-bath while she fingered her buzzy, little clit to an intense climax.

Afterwards, the two found Laurie and Tony outside. They were rumped and smiling. They'd been busy themselves. The eastern sky was just turning a pale orange at the horizon. After a long, hot night, dawn was coming. There was a diner up the interstate, so the foursome, sexually sated—for the moment, at least—decided to refuel with a little breakfast.

Kevin and Kerry held hands, shared glances. As he held the car door open, he briefly wondered if he might get hard again if she ordered sausage with her breakfast. 18

MISSY

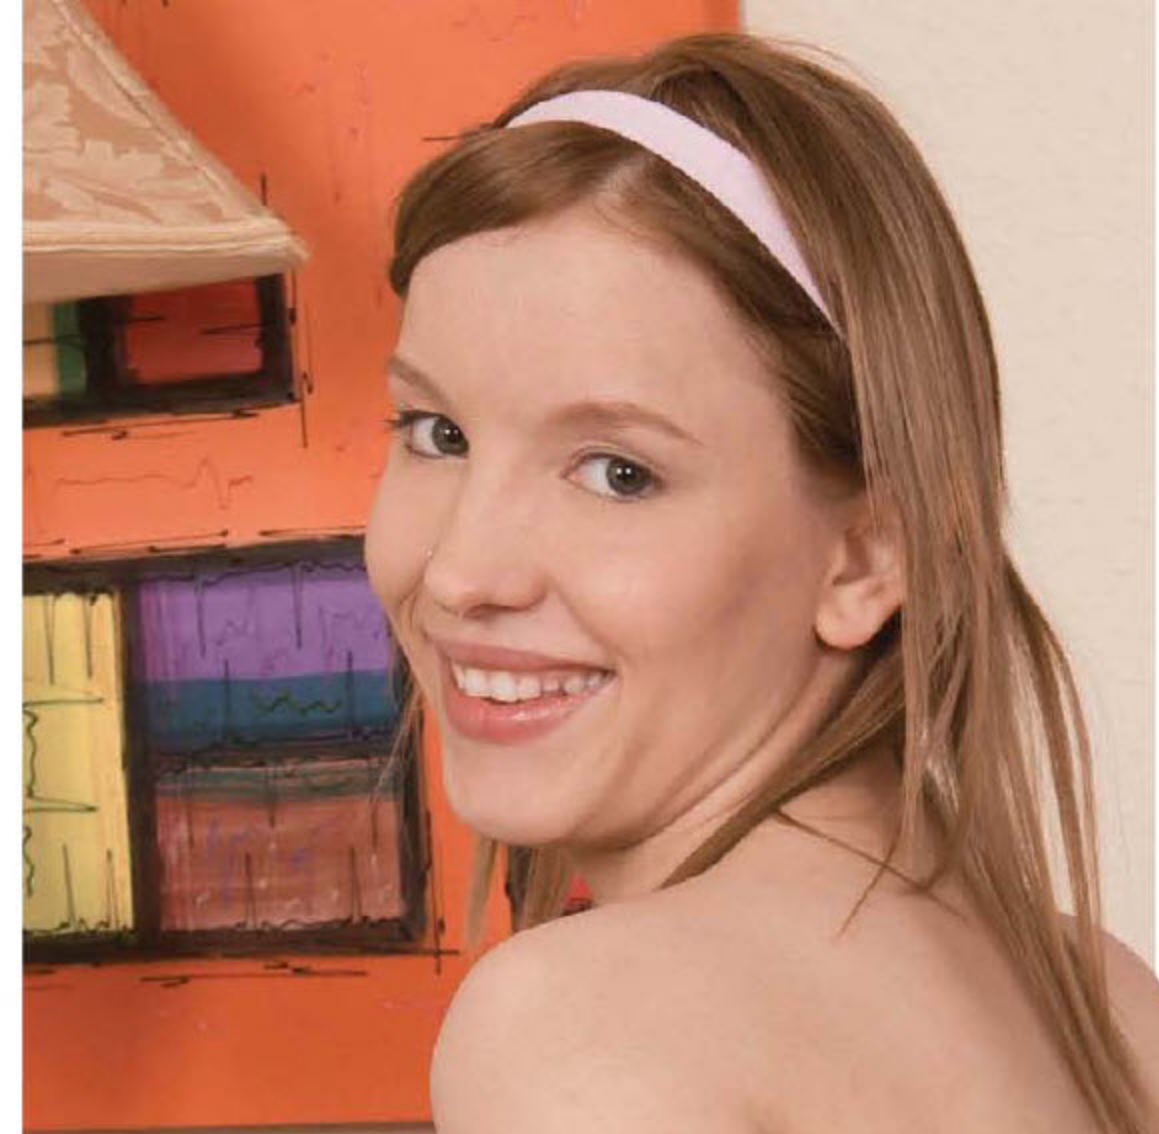

Knocked Up!

Welcome, Missy. What's this we hear about you being preggers?

"It's true. I'm knocked up. And guess what? It happened the first time I had sex! Can you believe that? It's like, what are the chances? My parents were sooo pissed. Well anyway, I'm about three months along now so you can't really tell. But I'm still horny as ever. Now my boyfriend and I can fuck without a condom and it feels so good. I guess we should have used one the first time we had sex, but he told me girls couldn't get preggers from the first time! He says he's gonna stick by my side but we'll see. I know he'll at least stick around till I start lactating, 'cause he's dying to suck some milk out of my big ol' nipples."

Those nips are rather large, and so are your tits.

“Well, believe it or not my nipples and boobs haven’t grown that much since I’ve gotten pregnant. They’ve always been big. They’re actually what got me into this whole mess in the first place. My boyfriend said the first thing he noticed about me was my chest, ‘cause I’ve got one of the biggest racks at school. He said he would stop at nothing till he got me in the sack, and well...here we are! I can’t blame him, though. I do have a nice pair of boobs. Sometimes I’ll suck my own tits just ‘cause I can. I mean, if I could lick my own pussy, I would. My boyfriend says it tastes even sweeter now.”

Chastity, we thought you and Collie were just friends...

"Now we're friends with benefits. I always wanted to fool around with a girl, so who better to do it with than your best friend? And can you believe this guy walked in on us screwing around? We were already so horny by then that we told him to join us. Collie and I share everything, including cocks. But his dick was so big there was more than enough for both of us!"

Collie, how did you like your first threesome?

"It was awesome! First it was just us two girls sucking on each other's tits, and then this guy showed up and we were like, 'Why not?' So he took his thingie out and we both started sucking on it till some watery stuff came out of his cockhole. Chastity got on his pole first and I got so turned on watching her hump him. My pussy got really creamy and warm. Then I got on top of him and he started pounding away. His cock felt so big in my little hole."

Boning the
Bike Guy

**Hey, Mimi. Do you always
fuck old guys in return
for a favor?**

"Not really. I mean, I didn't fuck this guy just 'cause he fixed my bike. He just happened to be in the right place at the right time. I was horny and I needed a cock in my mouth, so he got lucky. He is kind of dorky, though. But I don't care. I came real good. Plus, he's a repairman so he's good with his hands. He got me all hot and bothered by fingering my cunny. That's when I told him my little snatch was broken and the only thing that could fix it was his tool. Well, he fixed it alright. He even went down on me! Not enough guys do that these days."

Did you like it when he tea-bagged you?

"Yeah! I think it's fun when a guy dips his sac in my mouth and I inhale the whole thing. Guys love it when you suck on their nuts. And since this guy did such a good job licking my pussy I made sure to treat his balls with lots of TLC. I had fun sucking his dick, too. I swallowed it down to the back of my throat and took big gulps so he could feel it. He started moaning and pushing my head down more and it made my pussy gush. After I covered his rod with my spit I started sucking the head and flicking it with my tongue while I stroked his shaft with my hand. Then I started licking it up and down real slow."

So, tell us. Did you prefer his dick in your mouth or in your pussy, Mimi?

"Giving head is great and all, but nothing beats getting fucked. My two favorite positions are doggie-style and cowgirl. And I did both of them with the bike guy. When he was slamming me from behind his balls were slapping against my clit and I came all over his cock. Then I got on top of him and I would bring my pussy to the tip of his prick, hold it, then slam down all the way to the base and grind up on his cock. I came so many times I lost count. Next time, I want him to hold me up and pin me against the wall and fuck me like a nasty, little slut."
