LETTER WE THIS MONTH

Dear It GiRL,

My name is Rosie and I am 10 years old. I'm writing you this email to say thank you because your magazine has helped me with my reading. I was falling behind with my reading and my teacher suggested I start reading things other than books so Mum bought me **It GiRL**. I have read every issue in the last eight months and my teacher is pleased that my reading has improved. My parents are also happy and I am as well.

ROSIE, 10, VIA EMAIL

To It GiRL,

I love your mag! My fave celebs are Taylor Swift, Olivia Rodrigo, Charli D'Amelio and Justin Bieber. My fave pages in the mag are Celeb Gossip, Out Now, the pin-ups and Tech Head.

You all do a great job making **It GiRL**. I told my dad that I want to work on a magazine one day and he said, "That's good, then I won't have to buy you magazines anymore." He's such a nerd but I love him.

FRIDA, 11, BROADBEACH WATERS, QLD

To It GiRL,

Thank you so much for putting *The Baby-Sitters Club* on the cover! I looove that show and the books so much!

HOW EMBARRASSING!

CHECK OUT THIS MONTH'S TOTALLY OMG MOMENTS...

TOTAL WIPEOUT

I was at the skate park with my brother and we were riding our skateboards when I challenged him to a race. I went flying past him and yelled, "See ya later, loser!" I kept going as fast as I could while turning back every now and then to see how close he was to me. I must have gone over a rock or something, because out of nowhere I totally flipped over and went crashing down to the ground. Everyone who saw me fall came running over to see if I was okay but I just got up and said I was fine. But I really wasn't. I skinned my knees and hands and they hurt so much and I was so embarrassed.

ELIZABETH, 10, NZ

SURPRISE SPRINKLER

My friend and I were doing cartwheels in her front yard. My friend's brother had a mate over so I was showing off by doing handstands and one-handed cartwheels. Then my friend's brother and his mate thought it would be funny if they turned on the sprinklers. I ended up getting soaked and my top became see-through! The boys got into trouble but it was still so embarrassing. Silly boys.

TIANNA, 12, SA

SNOT CATCHER

I had a cold but really wanted to go to my BFF's house so I told my mum I was fine. While I was there I didn't feel too bad and I was having so much fun that it made me forget that I was sick. But as the day went on I started to feel worse and worse so I asked my friend's Mum if she could drive me home. In the car on the way home I did a really big sneeze and so much snot came out of my nose. I managed to catch it all in my hand but because I was in the front seat my bestie and her mum saw. It was terrible and so gross!

NIKKI, 9, VIC

SOCK SWIMMER

I was running late for my swimming lesson so when we got there Mum dropped me off at the front and I quickly went in. I was walking really fast towards where I have my lesson and was taking off my clothes as I went. When I got there I just dumped my stuff and jumped into the pool. It wasn't until I was in the water that I realised I still had my socks on! I was in such a rush that I just threw off my shoes and jumped in the water without thinking. It was sooo embarrassing!

AIMEE, 10, NSW

RUBBISH COLLECTOR

School had finished for the day and I was walking with my friend up to the gate to catch the bus home. I was chatting away and not looking where I was going and ended up walking into a bin. I walked into it so hard that I knocked it over and all the rubbish fell out. The teacher on bus duty saw it happen and said I had to pick up all the rubbish before getting on the bus. It was so embarrassing because all the kids on the bus were watching me.

CLARISSA, 12, QLD

CLASS FARTER

I needed to go to the toilet during lunch time but I waited too long and the bell rang so I had to line up for class. During class my teacher wouldn't let me go to the toilet because she said I should have gone at lunch time. I was trying my best to hold it in but when I dropped my pencil and leaned over to pick it up I accidentally did a loud fart! It was so embarrassing!

ALEXIA, 11, VIC

CELEB WHOA! MOMENT

"I ripped my dress during filming this year. I just remember two of our wonderful people who work in our wardrobe team came over and hand-stitched the lace that I had ripped off of my dress. They did it very quickly so we could get back to work. So yeah, I felt a little embarrassed because everybody had to wait for them to sew my dress back together."

JULIA LESTER FROM *HIGH SCHOOL MUSICAL, THE MUSICAL, THE SERIES*.

All About Me

AT SCHOOL my favourite things are creative writing and seeing my friends. I don't like homework.

I DID DANCING FOR FOUR YEARS. I started dancing when I was four but now I do gymnastics. I'm loving it!

I WAS A FLOWER GIRL. My cousin got married in February and I got to be a part of the bridal party. I loved dressing up and getting my hair and makeup done. It was a really fun day. I danced lots and lots.

MY BEST FRIENDS are Tiana, Zoe and Annabelle. We have been besties since kindy and we always have sleepovers to celebrate our birthdays.

I'M CURRENTLY OBSESSED WITH TikTok. I love making TikTok videos! I am also obsessed with Squishmallows and I have collected seven so far.

MY HOBBIES INCLUDE reading, singing, making TikTok videos, riding my scooter and watching movies.

WHEN I'M OLDER I would like to be a fashion designer, primary school teacher or I would like to create an app.

ON THE WEEKENDS I usually go and watch my dad play soccer, watch movies, visit family and friends and sleep in. I love sleeping in sooo much!

A FUNNY THING I DO IS suck my thumb when I'm sleeping. I used to suck my thumb when I was little, but I don't anymore - except when I'm asleep!

EMMA KEEPS IT REAL

When Emma Chamberlain started her YouTube channel she knew exactly the type of online star she wanted to be. Her goal was to be someone who was relatable to her young viewers, and now, almost five years later she still feels the same way. "I want to be a lighthearted reality check for young girls," she said. "I grew up watching YouTube and it was tough feeling like everyone I watched had a perfect life. Now that I have a platform of my own, I do my best to be an honest voice that makes young girls feel understood."

SHAY IS A BABYSITTER IN REAL LIFE!

She plays a babysitter on the hit Netflix show *The Baby-Sitters Club*, but Shay Rudolph, who is Stacey on the show, also babysits in real life. "I babysat last week. We played LEGOs pretty much the entire time and it was a lot of fun," she said in a recent interview. "I used to babysit for my younger cousins, but now I have upgraded to babysitting on my own with a child in the neighbourhood and I enjoy it," she shared.

OLIVIA TALKS FAME

Following the release of her debut single, *Drivers License* Olivia Rodrigo has had to learn really fast how to handle her new-found fame. "It's funny how recognition changes everything and also changes nothing in your life," said the star. "The problems I was having a year ago are still the problems I'm having now, and the things that brought me joy a year ago are still the things that bring me joy now. It's just another aspect of your life that you need to learn how to deal with, but it doesn't change who you are as a person."

ARIANA OPENS AN ANIMAL RESCUE CENTRE

As you may know Ariana Grande is a huge animal lover so it's no surprise that the singer has opened up an animal rescue centre! "Our mission, first and foremost, is to rescue and rehabilitate animals in need," the Orange Twins Rescue Centre website says. "Senior animals, strays, neglected, abused, or special needs, we do not discriminate and are proud of our fast-acting, effective and loving work." The opening of the shelter is a dream come true for Ari, who has said that helping animals was her goal. "My mission is to help as many homeless dogs as I can," she said in 2015.

BILLIE IS COMING TO OZ!

After two years of fighting off a pandemic, we can finally see the light at the end of the tunnel. With overseas visitors allowed back in the country, it means that our fave stars can visit us once again, and Billie Eilish has announced that she is bringing her tour down under! "It's just gonna be crazy. It's gonna be jumping and screaming and getting low," Billie said. "It's gonna be so much fun. I cannot wait." The singer will be here in September 2022 and tickets are on sale now!

CAMILA LOVES REAL BOOKS

When it comes to reading, Camila Cabello prefers real books over a Kindle or an iPad. "I'm old school in that I love the feeling of a book, no technology just me and the words that somebody wrote." The singer also likes to have two books with her at all times. The one she is reading and a book she hasn't started yet.

MILLIE LOVES HAVING FANCY NAILS

Millie Bobby Brown loves getting her nails done, but is always left disappointed when she has to remove her nail polish for work. "It's so depressing. I love love love getting my nails done; it's one of my favourite things to do," she said. "But yeah, while filming, I can't have any nail polish at all."

SABRINA'S WISE WORDS OF WISDOM

Sabrina Carpenter has some advice for anyone who may be going through a tough time with a mean person. "If you are getting bullied, you are not the one with the problem," she said. "The bully is. Just keep being you and stay by the people you love."

We ZENDAYA

ZENDAYA IS ONE OF THE WORLD'S HOTTEST MOVIE STARS RIGHT NOW. AND NOT ONLY IS SHE SUPER TALENTED, SHE'S ALSO SWEET AND VERY SMART! READ ON TO KNOW MORE...

Miss **MARVEL**

If you haven't already heard, a brand-new Spider-Man movie is about to hit screens. It's called *Spider-Man: No Way Home* and it stars Tom Holland as the spidey superhero and Zendaya, who plays his friend MJ! But, it seems the two actors are more than just friends in real life, as Zendaya and Tom are rumoured to be Hollywood's latest romance. When she was asked what she likes and appreciates most about British actor Tom, she replied, "There are many things, obviously, that I appreciate. In an actor way, I appreciate that he really loves being Spider-Man." She continued, "He's a fun time. Very charismatic, can make anybody feel comfortable and have a good laugh and a good chat. A good chat - I sound so British!"

Sweet **ABOUT SHREK**

Most of us love a Disney movie, but did you know even the most famous celebs like Zendaya enjoy curling up at the end of a day to watch cute films, too? She spills, "Some days I just want to go home, cuddle up with my dog, and watch a little *Harry Potter*. I also love *Shrek*. That's another staple in my household when I have heavy days at work."

Dreaming **BIG**

Since bursting onto the scene as Rocky Blue in the series *Shake It Up*, Zendaya has always had a positive attitude and a strong drive to be the best she can be. She's a big fan of believing in yourself and working hard until you get what you want in life. She says, "I don't know if I've put myself in many situations to be told no. I think with a lot of things you need to get resistance. Maybe it is foolish to believe that anything is possible, but I do kind of believe that. Just because you haven't done something before doesn't mean it can't be done."

**SPIDER-MAN: NO WAY
HOME HITS CINEMAS
ON DECEMBER 16!**

#GIRLBOSS

It's so easy to get caught up in the hype of fame, but Zendaya is really smart and switched on when it comes to the less exciting, but very important details about her work. The star makes a big effort to learn about the entertainment industry, as well as carefully reading over her contracts to make sure she's totally happy and knows what's been agreed. "I find the business fascinating and important. When I was younger, I wasn't hugely into it. My parents would have to make me read contracts. But as an adult, having been through ups and downs with different things not working out, I started wanting to read contracts on my own."

A bright FUTURE

Zendaya also believes it's "never too late to grow, learn more, develop new skills, and start a new chapter in your life." She reveals, "There's so many things that I hope to do in my future that may have nothing to do with what I'm doing now." So, what can we expect to see from the star over the next few years? She says she would love to be able to make films to give young up-and-coming talent a shot at the competitive showbiz industry. She explains, "My dream would be able to give those opportunities, partner different upcoming filmmakers, different writers, and mentorships and be able to get them those connections." She's so awesome!

Good FRIENDS

There are so many celebs who love Zendaya just as much as we do! Jo-Jo Siwa once met her on a flight and said, "Fangirl meter is red... I'm just happy, life is great." The girls from Little Mix also gushed about the star in an interview, "Zendaya, she's just at the top... Forget fashion, her face (her everything) ... she's just perfection." We totally agree!

★ IT GIRL EDITOR, ROXY CHATTED WITH BELLA TAYLOR SMITH AND ASKED HER ALL THE BIG QUESTIONS. TAKE A LOOK!

CONGRATULATIONS ON THE BIG WIN! WHAT WAS IT LIKE HEARING YOUR NAME BEING ANNOUNCED AS THE WINNER?

"I was pleasantly surprised of course, but the top four were so awesome this year that I really didn't know what the outcome was going to be."

WHAT DID YOU DO TO CELEBRATE AFTER YOUR WIN?

"We had a cheeseboard at home - so that was exciting, but to be honest I haven't really done anything yet. I'm in Sydney so we were still in lockdown when it happened. We have been waiting for restrictions to ease to do something fun to celebrate."

WHAT WERE THE 24 HOURS LIKE AFTER YOU WON?

"It was so busy! I don't think I've ever spoken to so many people that I hadn't met before, so that was quite funny. It was

so good and everyone was so lovely, but it was all a bit of a whirlwind. It actually still feels like a bit of a whirlwind to be completely honest."

HAS LIFE CHANGED MUCH ALREADY OR NOT QUITE YET?

"Well I've only just started having meetings about all the cool opportunities, but because of the climate that we're in at the moment in New South Wales, everything is a little bit slowed down. It's changed in that I have some more Instagram followers than I did before, which is quite funny - all that type of stuff."

TELL US A LITTLE BIT ABOUT YOUR LIFE BEFORE THE VOICE...

"I'm a singing teacher so I worked at a few different schools and I also sing at my church which I love. I didn't really have any interest in doing anything like *The Voice*, I didn't really want to do a TV

BELLA AND HER COACH, GUY SEBASTIAN.

AND THE WINNER IS... BELLA!

show or anything like that, but then the application came up on my computer and I kind of thought that maybe I should give it a go - so I just applied and it all went from there."

WHAT ARE SOME OF YOUR FAVOURITE MOMENTS FROM THE SHOW?

"My Blinds were really special for me. Seeing people's emotional response was really cool, because obviously performers all have different goals and when I sing, my biggest goal is that people can connect to the words that I'm singing. I love that everyone got really emotional when I was singing, because I felt like I'd succeeded in taking people with me in the journey of that song."

WHAT WAS IT LIKE WORKING ALONGSIDE GUY SEBASTIAN?

"He's so kind and so talented and so hard-working. He's a great example to me and always has been and will continue to be in years to come I'm sure. Working alongside him was really cool. I remember when we did our first rehearsal for our

duet, my jaw hit the floor. Because, obviously we listen to him on the radio all the time and I couldn't believe that the voice I hear on the radio all the time was coming out of his mouth. It was just this really surreal moment for me where I was like, 'Wow you're standing next to me and you actually sound like that and I'm actually standing next to you and singing with you.' It was pretty funny but he was a pleasure to work with."

WHAT IS THE BEST ADVICE GUY GAVE YOU?

"I think mostly it was that I should just believe in myself and also believe in my ability. He was really proud of me and really impressed by my abilities. That was a huge encouragement for me and it helped me feel confident for sure."

DID YOU EVER GET REALLY OVERWHELMED BEING ON THE SHOW AND IF SO, HOW DID YOU OVERCOME THAT?

"It was overwhelming, especially in the beginning, but I think I was really conscious to just take one step at a time and not get too far ahead of myself. I just took a deep breath and knew that all I could do was do my best, so as long as I was doing that - then things will be okay."

DID YOU MAKE ANY NEW LIFELONG FRIENDS WHILE ON THE SHOW?

"Yep for sure. Arlo is one of my really good friends, he's amazing. All the G Nation girls were incredible. Ella who was in the semi-finals, she is from New Zealand but she is one of my really good friends as well,

so definitely lots of friends, and friends with the crew and the production team as well."

WHAT DO YOU GET UP TO IN YOUR SPARE TIME?

"I love to cook, I love hanging out with my sister and my boyfriend and I love walking my dog. We've definitely been doing lots of cooking through lockdown."

WHAT WOULD YOU LIKE TO BE DOING 10 YEARS?

"Before I auditioned for *The Voice* I never really wanted to do anything in the entertainment industry and now it's kind of like what my dream has turned into. I'd love to be touring in ten years time and still be writing and releasing music. I love what I get to do, so hopefully I'll still love what I get to do then as well."

WHERE CAN OUR READERS FOLLOW YOU?

"I have Instagram and it's @bella.taylor and I've started a TikTok but I'm not very good at it. I feel like it's the most popular platform for young people at the moment. My sister is really good at it, she's 16 so I'm trying to get better at TikTok. I also have a YouTube channel. But if you want to listen to my music, you can listen to it on Spotify and Apple Music - just search Bella Taylor Smith."

CAN YOU TELL US A COMPLETELY RANDOM FACT ABOUT YOURSELF?

"Oh, I wanted to be a midwife through all of school. I never wanted to pursue singing at all. I just love babies and I love kids so I was just like 'I'll be a midwife!', I don't know if that's an interesting random fact?!"

Bright & Sunny!

IT GIRL CHATS TO VANESSA HUDGENS WHO IS THE VOICE OF SUNNY IN THE NETFLIX MOVIE, MY LITTLE PONY: A NEW GENERATION

Were you a fan of My Little Pony before you took on the role of Sunny Starscout?
Vanessa: "I have been a fan of My Little Pony since I was a wee little thing. I remember playing with My Little Ponies when I was four or five."
 What attracted you to voicing Sunny?
Vanessa: "I was drawn to Sunny's persistence

in speaking out for something that she believes in, even when it's not the popular opinion. She knows in her heart that Earth Ponies can be friends with Pegasi and Unicorns, and that there

doesn't need to be fear or a divide. She stands by what she believes in and I respect that. She is an activist."
 Do you have many things in common with Sunny?
Vanessa: "Sunny and I have quite a lot in common! We both have a very bright demeanour. Sunny is also quite the entrepreneur. She has her own smoothie company and I have a beverage company. We both love beverages! But we also believe in the power of friendship. I really do believe that friendship

creates magic and that love and kindness really is the thing that unites us all."

Why is now the right time for the world to learn about Sunny's story?

Vanessa: "I feel like this is the perfect moment for this movie because there is a lot of separation in the world and the message is that even if some pony - or somebody - doesn't look like you and you may not know a lot about them, you should treat each other with kindness and love

because that's truly magical. With that, we can change the world together."

For fans who know and love Equestria, what has changed since the last time they saw it?

Vanessa: "Equestria has changed quite a bit! Our Equestria is now divided between all three pony kinds - the Earth Ponies, the Pegasi, and the Unicorns. None of them are friends and they don't mingle. They're completely separated in their three own worlds, which are Bridlewood, Zephyr Heights, and Maretime Bay."

Why are the pony species living separate lives from each other?

Vanessa: "Everyone thinks that the Unicorns will zap your brains and the

Pegasi are just no good. However, Sunny believes in a time when they were all friends. She knows a lot about the different kinds of ponies and how the Unicorns are really joyous creatures who are all about community and how the Pegasi can fly. There's nothing cooler than a pony that can fly."

What can you tell us about Sunny's new unicorn friend, Izzy?

Vanessa: "In the world that we're first introduced to, there are no Unicorns and there are no Pegasi. The Earth Ponies have never seen them before and so they believe that they're evil. Then this Unicorn shows up and she is curious, bright-eyed, and just wants to be Sunny's friend. Kimiko Glenn plays Izzy and she is perfect."

Sunny is besties with Hitch Trailblazer, what is their friendship like?

Vanessa: "Hitch is the town sheriff and he is one of Sunny's best friends ever since she was young. Hitch is all about following the rules and Sunny tends to break them occasionally, but only for things she truly believes in."

You sing lots of the

amazing songs in the movie, do you have a favourite?

Vanessa: "My favourite song that Sunny sings is probably *Gonna Be My Day*. It's a feel-good song. I'm all about a mantra that you can say to yourself, that can lift your mood and get you going, and *Gonna Be My Day* is exactly that! It's so catchy. It was really cool to see a musical number with my voice coming out of a pony in this fantastical world. It's so cute."

What are you excited about for every pony to experience when they watch *My Little Pony: A New Generation*?

Vanessa: "I hope that when kids and families watch *My Little Pony: A New Generation*, they take away that they should embrace their unique sparkle and individuality - the things that make them unique - and allow that to shine. When you let those things shine, you attract the right people into your life and that makes you shine even brighter. I hope they see the world as more magical and they approach people with more kindness and love! It's truly a magical thing and the world could use more magic."

ZENDAYA

Our cover star this month is so famous, she's got nearly 100 million followers on Instagram... woah! But, eagle-eyed fans will know Zendaya hasn't been active much on social media this year. She reveals, "I haven't been posting, and my fans probably hate it, which I understand. But I get too overwhelmed with having to post things, and if I think too much about it, I'm not gonna do it. It's not worth it." Instead, she says she would rather use it to keep her fans up-to-speed on her latest movies, "I'd rather do what I love and then post when I have a project to promote."

SURPRISE! IT'S A NEW L.O.L. ADVENTURE

JUST IN TIME FOR THE NEW L.O.L. SURPRISE! MOVIE NIGHT FILM COMING TO NETFLIX, COMES A BIG ADVENTURE GAME STARRING EVERYONE'S FAVOURITE DOLLS.

The L.O.L. Surprise toys have taken the world by storm! And no wonder. How much fun is it to unwrap those balls and to unearth the adorable doll inside? But the experience has long since expanded past toys into other mediums. Indeed, this November you can not only watch a new movie on Netflix, but there's also a fun adventure game inspired by the film.

In the movie, you'll watch Queen Bee and Royal Bee as they try to create their own movie in time for the premiere. But in the game, which is coming exclusively to the Nintendo Switch, you get to walk around and interact with this world. You can explore the film lot, finding plenty of games and quests to do on the way that immerse you in the idea of being a movie star.

nail photoshoots and deal with the other stars walking around L.O.L. Ville. This helps increase your Star Power.

Exploring this environment is simple but fun as it's fully 3D, coloured and delivered with the vibrant style of the toys. You will come across different sets, where you'll be faced with varying challenges. Sometimes you'll be creating your own set so cameras can roll, but then you might be running away from ghosts in a spooky mansion or trying to survive in a desert. And of course, this is the movies, so you're going to need to find popcorn.

At the end of each day, you can return to your loft and begin decorating it to look like the home of a star. The L.O.L. Surprise! Balls you collected during your day's adventures open up to reveal accessories for your home. You'll also find an Outfit of the Day selfie mode, where you can take a photo of yourself and then dress it up with stickers and filters.

If you ever wanted to be a movie star, then **L.O.L. Surprise! Movie Night** is the Hollywood adventure you've been looking for.

HITTING THE HIGH NOTES

IT'S TIME TO LET YOUR HAIR DOWN AND PARTY IN STYLE WITH A NEW ENTRY IN THE BEST KARAOKE EXPERIENCE IN GAMING, LET'S SING 2022... TAKE A CLOSER LOOK BELOW!

Nothing beats a good singing game, and the **Let's Sing** series is the best. You get a couple of friends together and test yourself by straining your vocal cords and busting your lungs to some of the greatest songs of all time. And this year, for the very first time, you can do it on next-generation consoles. Awesome!

If you're like us, you'll want to build up your confidence by playing solo first. The main

Legend game mode sees you battle through almost 20 challenges and then face off in a final battle against other artists trying to top the charts. Once complete, you can start to test yourself against up to eight friends in a range of great modes.

There are a whopping eight modes, and while they're all good, we do have some favourites. Mix Tape allows you to create your own mix of songs to sing with a playlist that never repeats. Feat mode allows you to pair up with a friend to sing together for higher scores. And Let's Party sees eight players split into two teams so they can do battle across random modes.

What's particularly cool with **Let's Sing** is that your friends don't need to have a microphone to play. There is a smartphone app that turns your phone into a microphone. This allows for you to play with lots of friends easily - it's a neat idea.

As you may have guessed, the game is all

Help!

I USED TO GIVE MY PET RABBIT A WASH EVERY NOW AND THEN BUT MY AUNTY SAID THAT

I SHOULDN'T BE BATHING HER. IS THIS TRUE?

It's true, rabbits are very clean animals and do not need to be bathed. Bathing a rabbit can stress the rabbit and even put him or her into shock. If a rabbit becomes dirty it usually means that the rabbit has a health problem or is being kept in an area that is not cleaned often enough. Although rabbits do not need a bath, rabbits should be brushed at least three times a week, and every day when they are shedding.
