MAD

There are some who would argue that the internet is the most important technological development of the last 100 years... that it has altered the very way we think, act and communicate... that it has led to an information revolution that will empower us and make us better citizens in the New Millennium! And it's pretty obvious that those people have never been to OUR website, because believe it or not, at madmag.com we consider this...

THE MAD POLLING BOOTH APRIL 3, 2002

To hear the commissioner tell it, Major League Baseball is in worse shape than Mo Vaughn! Between contraction plans, Mark McGwire's retirement and Rickey Henderson's stubborn refusal to retire, the sport's popularity is once again on the decline. Which means it's just a matter of time until the league cooks up some lame new promotions. And so we ask...

What promotional event do you most expect to see a Major League Baseball team offer this season?
