**INTERMINABLE TOO:
MISJUDGMENT DAY!**

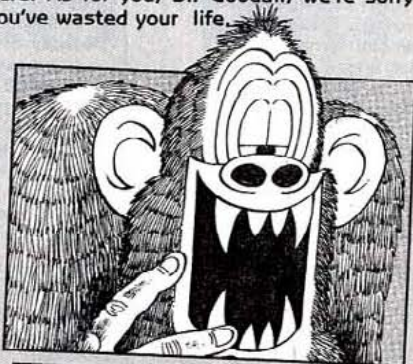

This summer sees the arrival of the much-anticipated third installment in an epic movie series! It involves time-travel, a nightmarish, post-apocalyptic wasteland and murderous cyborgs! Yes, unless we've been misinformed, *American Pie 3* is going to kick some major ass! But, for those of you who just aren't into those zany teen comedies, take a look at our classic spoof "Interminable Too: Misjudgment Day" — at least Arnold's not intentionally funny!

**DON MARTIN'S
GOOFIEST GORILLA GAGS!**

Jane Goodall has spent her career living with primates and intimately studying their behavior. For all her hard work, though, she's never come up with a *single* funny gorilla joke! Thank God for Don Martin — and the 8 gorilla gags featured here! As for you, Dr. Goodall, we're sorry that you've wasted your life.

BEST OF THE WEB!

If you're a fan of summer blockbuster sequels, video games and huge breasts, then our article, "Rejected *Tomb Raider* Merchandising Tie-Ins" is right up your alley! And you should also take your time and read the rest of the magazine... because, let's face it, if you're really into those three things, you probably don't have any pressing social engagements to tie you up!

NICOLAS CAGE FILM FEST!

There are those who say that Nicolas Cage hasn't made a decent movie since he won the Oscar. Others disagree and say that he's had a complex and varied career. And, of course, most others live happy, well-adjusted lives and don't give a hot buttered biscuit about *what* some hack actor does. One thing is for certain, though: whether you're a huge fan or merely a very, very big fan, you won't want to miss our spoofs, "F*!@/Off," "Corn Air" and "The Crock"!

**WHAT HIDEOUS
BEAST IS RUNNING
OUT OF CONTROL
IN OUR COUNTRY?**

HERE WE GO WITH ANOTHER RIDICULOUS **MAD FOLD-IN**

Our father always said to us, "What goes around comes around!" And for once the old geezer was right! Point of fact: an old hideous creature has cropped up to wreak havoc on an unsuspecting nation. To find out what creature is running amok, fold page in as shown.
