## CANCELED SHOW ROUND-UP!

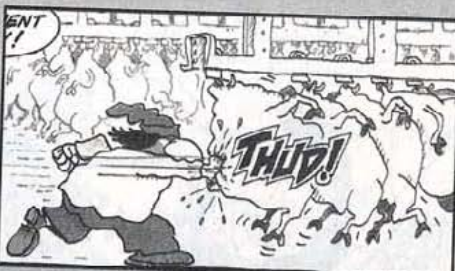

For those who say there's an awful lot of junk on TV, we'd like to point out that there's a little bit less this season! Join us in bidding a fond "Get out and stay out!" to the finally-canceled *Dawson's Creek*, *Just Shoot Me!* and *Sabrina, the Teenage Witch*. Of course, that means that an unemployed and disgruntled James Van Der Beek, David Spade and Melissa Joan Hart have been foisted upon an unsuspecting and ill-prepared public...but that's all part of the trade-off!

**PAGES 4, 60, 85**

## DUCK EDWING'S MOST AGGRESSIVE ANIMALS!

Everyone knows that dog is man's best friend. What's less known, however, is that every other animal is nothing more than a cold-blooded murderer. Even something as "innocent" as a parakeet would just as soon kill you as look at you! Duck Edwing takes his life in his hands to expose this shocking truth. He could tell you stories about chipmunks that would chill your very soul!

**PAGES 9, 19, 35, 65, 81, 96**

## MAD'S SUGGESTIONS FOR GULF WAR MEMORIALS

After sitting through a summer of terrible, disastrous sequels, you probably left the theater wondering why they bothered to rehash a plot that was so full of holes and half-baked ideas. After watching news coverage of the current war in Iraq, you were probably left wondering much the same thing! Perhaps joining us in a look back at the war that started it all will help shed some light on the problem. Well, probably not...but it's either that, or wait for *Legally Blonde 2: Red, White and Blonde* to be released on DVD!
