SWINEFILLED!

You've got to hand it to Jerry Seinfeld — he took a show about nothing and made millions off of it! MAD, on the other hand, is reprinting our parody of his show about nothing — and we're lucky to squeeze \$4.99 out of our readers (but it's \$7.50 in Canada — so we're kind of gaining on him)!

WILL SMITH-A-PALOOZA!

Will Smith has come a long way since his early days of rapping with DJ Jazzy Jeff. Take a look back on his career with our spoofs *The Stale Prince of Belch Air* and *Mild Mild Mess* — and see how that career could end, with our "Celebrity Cause-of-Death Betting Odds." We'd have more spoofs revolving around DJ Jazzy Jeff — but we do have some sacred cows in this magazine!

A MAD LOOK AT PLASTIC SURGERY!

Plastic surgery is bigger than ever! Just look at *The Swan*, *Extreme Makeover*, and *Joan Rivers* (actually, it's probably best if you don't look at Joan Rivers)! A better idea is to look at Sergio Aragones' take on the ol' nip/tuck. You'll laugh so hard you'll completely ruin your facelift!

HOW THE NBA PLANS TO WIN BACK THE LOVE OF THEIR FORMER FANS!

The NBA has had image problems for years, but things are worse than ever. Now, they have to deal with Ron Artest's assault, Kobe's trial, and, of course, Shaquille O'Neal's greatest hits CD! If only the league had paid attention to this article when we first ran it! We can only hope the commissioner reads it soon — Shaq could be back in the recording studio any minute now!
