**STAR WARS SUPER SECTION!**

There's been an awful lot of *Star Wars* hype and excitement lately. And once you've seen our amazing 20-page *Star Wars* section, you'll know why! It's got Sergio Aragones, George Lucas' Cause-of-Death Betting Odds, our *Attack of the Clones* spoof and more! We hear George Lucas even released *Revenge of the Sith* just to tie in with this issue! (Well, that's not true at all — but it's no more inaccurate than all those stupid internet rumors!)

**THE LONGEST YARDBIRD!**

Here are some reasons that our classic spoof of *The Longest Yard* is better than the new movie. 1) It's cheaper to enjoy. 2) There are no awkward moments of Adam Sandler "acting." Still not convinced? Did we mention that our spoof features a shirtless Burt Reynolds right on the first page? Go ahead and check... Mmm hmm — case closed. Burt's still got it!
