PRESENTING MAD'S ALL-NEW ALL-COLOR EASY-TO-USE "FLESH FUNNIES"

HOW TO APPLY MAD "FLESH FUNNIES"

- 1. Carefully cut out the tattoo you wish to use!
- 2. Slightly moisten the area where you will be placing the tattoo. Use water (Anything else would be gross!)
- Place the tattoo face down on the moistened area and press for a few seconds (please do not misread this direction and press your face down for a few seconds!)
- 4. Lift up tattoo sheet carefully!
- 5. Although MAD Flesh Funnies are made of safe, non-toxic vegetable colors, we do not recommend they be applied to luncheon meats or internal organs!

HOW TO APPLY:

Place tattoo face down and press on moistened Lift up and there you have it off Tattoos are printed using non-toxic vegetable After use, simply wash area for a few seconds Moisten hand slightly with soap and water 4 m
